To the Administrative Committee of
Technical Engineering Consultants 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audit of the financial statements of Technical Engineering Consultants 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Technical Engineering Consultants 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2025, and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Technical Engineering Consultants 401(k)

Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Technical Engineering Consultants 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Technical Engineering Consultants 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Technical Engineering Consultants 401(k)

Plan’s ability to continue as a going concern for a reasonable period of time.

Consultants Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held for Investment Purposes) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of *Technical Engineering Consultants 401(k) Savings Plan* (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General
The Plan was formed effective January 1, 2013, by Technical Engineering Consultants (the "Plan Sponsor"). The Plan is subject to some, but not all, of the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Eligibility
The Plan covers all employees, as defined in the Plan, who have completed the age and service requirements as defined by the Plan.

Participant Accounts
Each participant's account is credited with the participant's contributions and the Plan Sponsor's contributions, and Plan earnings. Participants may also be charged with an allocation of certain administrative expenses of the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined by the Plan. Additional administrative fees are charged by the custodian upon fund withdrawal. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions
Each year, participants may contribute to the Plan on a pretax basis up to the maximum percentage allowable, subject to certain Internal Revenue Code ("IRC") limitations. The Plan Sponsor may contribute a discretionary percentage of the amount deferred by the employees. The Plan Sponsor may also contribute a discretionary amount determined each year by the Plan Sponsor. Contributions are accumulated and invested, as directed by the participants, and held in trust by the trustee.

Profit-sharing contributions may be made at the option of the Plan Sponsor's board of directors at the end of each Plan year and allocated to participants' accounts based on criteria established in the Plan document.

Participants direct the investment of their contributions, as well as those made by the Plan Sponsor, into various investment options offered by the Plan.

Vesting
Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after six (6) years of credited service, based upon a graduating schedule. A participant is vested 20% after two (2) years and 20% for each additional year of service. Each employer may elect to accelerate the vesting parameters. Automatic 100% vesting occurs upon attainment of normal retirement age (65), upon retirement due to disability, upon death, and upon termination of the Plan.

To have a year of service for vesting purposes, employees must complete at least 1,000 hours of service during the twelve (12) months beginning on the first day of their employment. If they do not, they must complete at least 1,000 hours of service during any one (1) Plan Year.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

They complete a year of service only upon working for a full twelve (12) months, regardless of when during the applicable twelve (12) month period they complete 1,000 hours of service.

Investment Options
Participants may direct employer and employee contributions in 1% increments or specific dollar amounts to any of the investment options offered by the Plan. The investment options are registered investment companies and include money market funds and various stock and bond funds. The fund values are computed daily by the custodians and reflect changes in the unit values of the investments.

Notes Receivable from Participants
Subject to limitations, a participant may borrow from the Plan through a loan from their account. Loans will be made on a uniform and non-discriminatory basis. The minimum total loan amount is $1,000 up to a maximum of 50% of the participant's vested account balance. In no event can the participant borrow more than $50,000, reduced by the excess, if any, of (1) the highest outstanding balance of any other loans from the Plan during the one-year period prior to the date of the new loan, over (2) the aggregate outstanding balance of any other loans from the Plan on the date of the new loan, or 50% of their vested account balance. Loan terms range from one (1) to five (5) years, unless the purpose of the loan is to purchase a primary residence in which case the term can be up to ten (10) years. Participants can only have one (1) loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at an agreed-upon percentage based on prevailing market rates. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits
Upon retirement or separation from service, the participant may elect to receive a single lump-sum cash payment. Also, upon reaching age 59½, participants may receive a lump-sum cash payment for any portion of their vested accounts on a yearly basis. Until a participant actually retires from employment, the participant shall continue to be treated in all respects as a participant.

Forfeitures
Participants who terminate their employment and are less than 100% vested in their participant account will forfeit the non-vested portion. Forfeitures are retained in the Plan and shall be used as elected by the Plan Sponsor to either reduce future employer contributions, reduce current period employer contributions, or pay any administrative expenses of the Plan. As of December 31, 2025 and December 31, 2024, the balance of forfeited non-vested accounts amounted to $18,637 and $1,456, respectively. During the year ending December 31, 2025, the plan used $0 in forfeitures to pay plan expenses.

Hardship Withdrawals
Participants may withdraw from the Plan part or all of the participant's contributions in the event of undue financial hardship. The maximum hardship withdrawal is the total of a participant's 100% vested balance. The Trustees shall determine what portion of all of such account balance is necessary to alleviate the hardship. SECURE 2.0 provides that, under certain circumstances, employees are permitted to self-certify that (1) they have had an event that constitutes a hardship for purposes of taking a hardship withdrawal, (2) the distribution is not in excess of the amount required to satisfy the financial need, and (3) the employee

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

has no alternative means reasonably available to satisfy the financial need. A financial hardship must be one of the reasons specified below:

1. Medical expense incurred by the participant, the participant's spouse, any dependents of the participant, or any primary beneficiary of the participant;

2. The purchase (excluding mortgage payments) of a principal residence of a participant;

3. Certain educational expenses (tuition, related fees, and room & board) for the participant, his or her spouse, or dependents of the participant;

4. The need to prevent the eviction of the participant from his or her principal residence or foreclosure on the mortgage of his or her principal residence;

5. Funeral or burial expenses for the participant's spouse, children, dependents, or primary beneficiary;

6. Certain expenses to repair damage to the participant's principal residence (casualty-type repairs);

7. Expenses or losses (including loss of income) due to a federally declared disaster; or

8. Other events as may be prescribed by the Internal Revenue Service Commissioner in revenue rulings, notices, and other documents of general applicability.

Tax Status
The Plan has adopted a pre-approved profit sharing plan document whose sponsor has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the pre-approved profit sharing plan document was designed in accordance with the applicable sections of the IRC. Although the Plan and the pre-approved profit sharing plan document have been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements.

The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in process. The prior three plan years are subject to income tax examinations.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Plan Termination
Although is has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

Plan Expenses
Administrative expenses for maintaining the Plan are paid by the Plan Sponsor or the Plan, at the Plan Sponsor's discretion. Loan administration fees are charged directly to the participant's account and are included in administrative expenses. Management fees, asset fees, and account administrative expenses are paid by the participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting
The Plan follows the accrual basis of accounting in accordance with Generally Accepted Accounting Principles.

Use of Estimates
The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Investment Valuation and Income Recognition
Investments in shares of registered investment companies are reflected in the financial statements at fair value, using quoted market prices. Unrealized gains or losses, as a result of changes in fair value, are recorded in income of the current period. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on their ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. The change in net unrealized appreciation/depreciation of investments held from the beginning of the Plan year to the end of the Plan year is included with realized gains/losses as net investment income/loss reported in the accompanying statement of changes in net assets available for plan benefits.

Payment of Benefits
Benefits are recorded when paid.

NOTE 3 – INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, Capital Bank and Trust Company, the trustee

NOTE 3 – INFORMATION CERTIFIED BY TRUSTEE (CONTINUED)

of the Plan as of December 31, 2025 and 2024, respectively, have certified to the completeness and accuracy of the investments included in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024 and the related

investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the period from January 1, 2025 to December 31, 2025:

	2025	2024
Interest in Capital Bank and Trust Company Money Market fund	$ 415,146	$ 399,038
Interest in Capital Bank and Trust Company Registered Investment Companies	6,435,565	5,534,143
Total	$ 6,850,711	$ 5,933,181

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements
Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 Fair Value Measurements
Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in valuation methodologies at December 31, 2025, compared to December 31, 2024. The Company's policy is to recognize transfers between levels at the end of each reporting period, if applicable. There were no transfers between Level 1, 2 or 3 assets or liabilities during the year ended December 31, 2025.

Following is a description of the valuation methodologies used for assets measured at fair value:

- *Money market fund*: Valued at the net asset value ("NAV") of shares held by the Plan at year end.

- *Mutual funds*: Valued at the net asset value ("NAV") of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025:

Description	Fair Value	Level 1	Level 2	Level 3
Registered investment companies	$ 6,435,565	$ 6,435,565	$ -	$ -
Money market funds	415,146	415,146	-	-
Total investments at fair value	$ 6,850,711	$ 6,850,711	$ -	$ -

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

Description	Fair Value	Level 1	Level 2	Level 3
Registered investment companies	$ 5,015,609	$ 5,015,609	$ -	$ -
Money market funds	223,935	223,935	-	-
Total investments at fair value	$ 5,239,544	$ 5,239,544	$ -	$ -

NOTE 5 – RELATED PARTY AND PARTIES IN INTEREST TRANSACTIONS

Certain Plan investments are invested in accounts held and managed by Capital Bank & Trust Company. Capital Bank & Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned.

Fees for record keeping were paid to Capital Group Retirement Plan Services in the amount of $16,941 for the year ended December 31, 2025.

Fees for contract administration were paid to Pension Plan Services in the amount of $2,900 for the year ended December 31, 2025.

Osaic Wealth Inc. received fees for investment management services. Fees paid to Osaic Wealth Inc. are reflected in the accompanying statement of changes in net assets available for plan benefits totaled $30,616 for the year ended December 31, 2025.

Jason F. Clausen, P.C. is the auditing firm for the plan. Fees paid for the audit were paid by the plan sponsor.

NOTE 6 – FIDELITY BOND

As of December 31, 2025, the plan was covered by a fidelity bond in the amount of $500,000.

NOTE 7 – CONCENTRATION OF CREDIT RISK

As of December 31, 2025, the Plan had one investment worth more than 10% of net assets available for Plan benefits, American Funds Growth Fund of America, 12%.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 9 – CORRECTIVE PARTICIPANT CONTRIBUTIONS PAYABLE

The Plan failed the Actual Deferral Percentage (ADP) test for the year ended December 31, 2025. As a result, excess participant contributions of $54,644 are included in excess contributions payable on the statement of net assets available for benefits. The Plan Sponsor intends to distribute these amounts to affected participants by December 31, 2026. Because the distribution will be made after March 15, 2026, the Plan Sponsor will be subject to a 10% excise tax on the excess contributions. Management believes that the corrective action will preserve the Plan's tax-qualified status.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of Net assets available for benefits per the financial statements to the Net assets available for benefits per Schedule H of Form 5500 for the year ended December 31, 2025:

Net assets available for benefits per financial statements	$	6,820,731
Plus: Corrective distributions accrued in 2025 and paid in 2026		54,644
Net assets available for benefits per Schedule H of Form 5500	$	6,875,375

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500 (CONTINUED)

The following is a reconciliation of corrective distributions per the financial statements to the corrective distributions per Schedule H of Form 5500 for the year ended December 31, 2025:

Participant contributions per financial statements	$	782,166
Plus: Corrective distributions accrued in 2025 and paid in 2026		54,644
Participant contributions per Schedule H of Form 5500	$	836,810

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the increase in net assets available for benefits per Schedule H of Form 5500 for the year ended December 31, 2025:

Net increase in net assets per the financial statements	$	895,662
Plus: Corrective distributions accrued in 2025 and paid in 2026		54,644
Increase in net assets per Schedule H of Form 5500	$	950,306
