INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the 403(b) Thrift Plan for Employees of Ben Archer Health Center, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan for Employees of Ben Archer Health Center, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan for Employees of Ben Archer Health Center, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan for Employees of Ben Archer Health Center, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Employees of Ben Archer Health Center, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan for Employees of Ben Archer Health Center, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Employees of Ben Archer Health Center, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

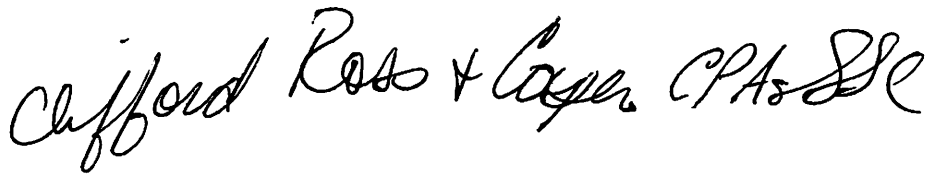

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at Year End is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN FOR EMPLOYEES OF BEN ARCHER HEALTH CENTER, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1: DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan for Employees of Ben Archer Health Center, Inc. (the Plan) provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

General: The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code (the Code). It permits employee salary reduction contributions and matching employer contributions made pursuant to voluntary salary reduction agreements between Ben Archer Health Center, Inc. (the Sponsor) and its eligible employees, which are excludable from gross income under the Code. All contributions are intended to comply with Section 403(b) of the Code and the requirements of ERISA. Employees are eligible to make salary deferral after a 6 month probation period. They are automatically enrolled at a 1% deferral rate and it is up to the employee to change the amount. The employer matches up to 7% and is done with each payroll.

Contributions: The maximum amount of salary reduction contributions under the Plan for any taxable year shall not exceed the dollar amount established under Section 402(g) of the Code, which is $23,000 for 2024 and $23,500 for 2025, as adjusted for cost-of-living increases to the extent provided under Section 415(d) of the Code. Employer will match up to 7% of an employee's deferral.

For 2025, participants who attain ages 60 through 63 during the year may make an additional catch-up contribution of up to $11,250.

Catch-up for employees with 15 years of service: if the employer is a "qualified organization" described in Treasury Regulations Section 1.403(b)-4(c)(3)(ii), the applicable dollar amount under Section 4.2(a) of the Plan for any qualified employee is increased by the least of (i) $3,000, (ii) $15,000 reduced by prior special catch-up deferrals, or (iii) $5,000 multiplied by years of service, less prior elective deferrals.

Age 50 Catch-up Contributions: A participant who will attain age 50 or more by the end of a taxable year is permitted to elect an additional amount of salary reduction contributions, up to the maximum amount of Age 50 Catch-up Contributions permitted for the year. The maximum dollar amount of Age 50 Catch-up Elective Contributions was $6,000 for taxable years beginning in 2019 and is adjusted for cost-of-living increases to the extent provided by the Code. For 2025 and 2024, the Age 50 Catch-up Contribution limit was $7,500.

Vesting: Each participant shall at all times have a nonforfeitable right to 100% of the value of their own contributions. Employer matching contributions vest according to the following schedule: 1 year – 20%; 2 years – 40%; 3 years – 60%; 4 years – 80%; and 5 years and after – 100%.

Forfeitures: Forfeitures of nonvested employer contributions were $58,171 and $21,427 for the years ended December 31, 2025 and 2024, respectively. Forfeitures are used to reduce employer contributions and to pay administrative expenses of the Plan.

NOTE 1: DESCRIPTION OF PLAN (continued)

Withdrawals: Subject to the terms of the affected annuity contracts, participants may withdraw funds from any of the accounts under the Plan for any of the following reasons: a) severance of employment, b) death, c) disability, d) age 59½, e) plan termination, f) hardship. A participant may withdraw funds from the participant's account at any time for any reason provided that the amount distributed does not exceed the sum of the participant's rollover contribution accounts and the total amount allocated to the participant's salary reduction accounts as of the close of the last taxable year beginning before January 1, 1989.

Payment of Benefits: Upon termination and employee may rollover their employee's contributions and any vested employer contributions to another account and or take a taxable distribution. Upon death, the employee's beneficiary will receive a lump sum distribution. Once an employee retires they have different options to receive their distributions.

Investment Options: All funds held on behalf of the participant under this Plan shall be invested in one or more annuity contracts in accordance with the participant's directions and the terms of those contract(s). The issuer of each annuity contract shall maintain individual accounts, contribution accounts, and any other accounts necessary for the proper administration of the Plan.

Administrative Expenses: Recordkeeping fees paid by the Plan to Mutual of America were $4,641 for 2025. Investment management fees are deducted from the investment returns of the pooled separate accounts. Certain other administrative expenses of the Plan are paid by the Sponsor and are not reflected in these financial statements.

Plan Termination: Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported assets, changes in net assets available for benefits and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's interest in pooled separate accounts is reported at fair value (see Note 4). The Plan's interest in the general account contract is reported at contract value (see Note 3). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: See Note 1.

NOTE 3: INVESTMENTS - CERTIFIED

The Plan's investments are held in pooled separate accounts and in a general account deposit administration contract (the Interest Accumulation Account) issued by Mutual of America Life Insurance Company (Mutual of America). During 2025, the Plan's investments in pooled separate accounts (including investments bought, sold, and held during the year) appreciated in value by $6,406,721. Investments at December 31, 2025 and 2024 were as follows:

	Net Increase in Value during 2025	December 31, 2025	December 31, 2024
Pooled separate accounts, at fair value	$ 5,154,304	$ 47,770,260	$ 42,615,956
Interest Accumulation Account (general account contract), at contract value	138,031	1,202,961	1,064,930
Net Increase	**$ 5,292,335**	**$ 48,973,221**	**$ 43,680,886**

The Interest Accumulation Account is a deposit administration contract held in Mutual of America's general account. Because the contract is fully benefit-responsive, it is reported at contract value, which represents contributions made under the contract, plus interest credited, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Interest and dividends of $32,007 reported in the statement of changes in net assets available for benefits represent interest credited on the Interest Accumulation Account. An evaluation of the characteristics of the General Account, and Mutual of America concluded that the General Account was comparable to a cash equivalent and therefore exempt from classification as a Level 1,2, or 3 asset under ASU 820.

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurement, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 4: FAIR VALUE MEASUREMENTS (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled separate accounts are valued at the unit values/NAV reported by Mutual of America: valued at the closing price reported in the active market in which the pooled separate accounts are traded. The Interest Accumulation Account (general account contract) is reported at contract value and is not included in the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

Assets at Fair Value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ 47,770,260	-	-	$ 47,770,260
Total assets at fair value	**$ 47,770,260**	-	-	**$ 47,770,260**

Assets at Fair Value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ 42,615,956	-	-	$ 42,615,956
Total assets at fair value	**$ 42,615,956**	-	-	**$ 42,615,956**

The Interest Accumulation Account of Mutual of America, a general account contract, is excluded from the fair value hierarchy because it is reported at contract value. The Interest Accumulation Account was $1,202,961 and $1,064,930 at December 31, 2025 and 2024, respectively. Total investments, including the Interest Accumulation Account, were $48,973,221 and $43,680,886 at December 31, 2025 and 2024, respectively.

NOTE 5: TAX STATUS

The Plan has adopted a pre-approved 403(b) plan document for which Mutual of America received a favorable opinion letter from the Internal Revenue Service dated March 2, 2020. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. There are currently no audits for any tax periods in progress.

NOTE 6: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	December 31, 2025	December 31, 2024
Net assets available for benefits per the financial statements	$ 48,973,221	$ 43,680,886
Benefit obligations currently payable	-	-
Net assets available for benefits per the Form 5500	$ 48,973,221	$ 43,680,886

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500:

	Year ended December 31, 2025
Benefits paid to participants per the financial statements	$ 4,146,768
Add: Amounts currently payable at December 31, 2025	-
Less: Amounts currently payable at December 31, 2024	-
Benefits paid to participants per the Form 5500	$ 4,146,768

Amounts currently payable to or for participants, dependents, and beneficiaries are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, but not yet paid as of that date. As of December 31, 2025 and 2024, there were no amounts currently payable to participants.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 8: PARTICIPANT LOANS

The Plan has no participant loans.

NOTE 9: INFORMATION CERTIFIED BY THE INSURANCE COMPANY

Plan management has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Plan management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Mutual of America, the insurance company and custodian of the Plan, as complete and accurate, except for comparing such information certified by the custodian with information included in the Plan's financial statements and supplemental schedule.

NOTE 9: INFORMATION CERTIFIED BY THE INSURANCE COMPANY (continued)

Certified information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America (the insurance company and custodian of the Plan).

NOTE 10: PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of pooled separate accounts and an interest in a general account deposit administration contract issued by Mutual of America Life Insurance Company (Mutual of America). Mutual of America is the recordkeeper of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees for investment management services are deducted from the investment returns of the pooled separate accounts. Recordkeeping fees paid by the Plan to Mutual of America totaled $4,641 for the year ended December 31, 2025. Mutual of America also receives indirect compensation from certain investment funds offered under the Plan. Ben Archer Health Center, Inc., the Plan sponsor, is also a party in interest. The Plan sponsor pays certain administrative expenses of the Plan, which are not reflected in these financial statements. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 11: SUBSEQUENT EVENTS

Subsequent events have been evaluated through the date these financial statements were available to be issued, October 13, 2026.
