MILLER KAPLAN

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
California Horse Racing Board Defined Contribution
Retirement Plan for California Licensed Jockeys
1010 Hurley Way, Suite 300
Sacramento, California 95825

Members of the Board:

Opinion

We have audited the accompanying financial statements of California Horse Racing Board Defined Contribution Retirement Plan for California Licensed Jockeys (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) as of December 31, 2025 and reportable transactions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF THE PLAN

The California Horse Racing Board (the "Board"), an agency of the state of California, established the California Horse Racing Board Defined Contribution Retirement Plan for California Licensed Jockeys (the "Plan") to provide benefits to California licensed jockeys and their beneficiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results may differ from those estimates.

C. Contributions

Contributions are received from the California State Treasury for collections received from a percentage of the amount handled on account deposit wagering from pari-mutuel wagering originating in California.

The Board of Trustees will contribute to the Plan for each Plan year an amount equal to that distributed to the Board of Trustees for such Plan year for the Plan pursuant to and in accordance with California Business and Professions Code section 19604(i)(1). Contributions shall be made to the trustee in cash or cash equivalent. Contributions to the Plan for a Plan year may be made at any time, but not later than April 15 of the calendar year next following the end of the Plan year.

The contributions to the Plan for a Plan year shall be divided into two (2) components to the extent appropriate for the Plan year:

1. An amount necessary to correct any account(s) pursuant to the Employee Plans Compliance Resolution System or pursuant to the Claims Procedures; and

2. The remaining contribution.

The remaining contribution to the Plan for a Plan year shall be allocated among the accounts of the participants as follows:

1. First, a determination shall be made of the total number of pari-mutuel races run during the Plan year in the state of California by each of the participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Contributions (Continued)

2. Second, the totals from paragraph 1, above, for each of the participants shall be added together in order to determine the total number of pari-mutuel races run during the Plan year in the state of California by all the participants.

3. Third, the contribution to the Plan for the Plan year shall be divided by the total number of pari-mutuel races run during the Plan year in the state of California by all the participants, determined under paragraph 2, above, in order to calculate a per pari-mutuel race contribution for the Plan year.

4. Fourth, the per pari-mutuel race contribution for the Plan year, determined under paragraph 3, above, shall be multiplied by each participant's total number of pari-mutuel races run during the Plan year in the state of California, determined under paragraph 1, above, and the resulting amount shall be allocated to the account of that participant.

For purposes of the above provisions, a race shall be counted as "run" by a participant if the participant actually started the race even if the participant does not finish the race or conducts a foul.

In the event that any portion of the contributions to the Plan for a Plan year cannot be allocated to the account(s) of one of more participants because of the provisions of the limitation on contributions and benefits, such amount shall be allocated to the accounts of the other participants in a manner that is consistent with the preceding provisions. This shall continue to be applied as necessary until the entire contribution for such Plan year has been allocated among the accounts of the participants (or until no further amount may be allocated in which event the contribution to the Plan for the Plan year shall be reduced accordingly).

D. Investments

Accounting Standards establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs are quoted prices in an active market.

Level 2 – Inputs are based on quoted prices in similar investments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following is a description of the valuation methodology used for assets measured at fair value:

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Investments (Continued)

Mutual Funds – Valued at their quoted prices in an active market.

The following tables represent the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis:

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 14,736,573	$ -	$ -	$ 14,736,573

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 14,551,322	$ -	$ -	$ 14,551,322

Realized gains or losses from the sale of investments and unrealized appreciation or depreciation of investments are reported as net appreciation of investments.

Realized gains and losses on sale of investments for financial statement purposes is the difference between proceeds from the sale of investments and the cost of the investments sold. Form 5500 requires realized gains and losses to be reported as the difference between proceeds from the sale of investments and the market fair value of the investments at the beginning of the year, for those investments on hand at the beginning of the year, or the purchase price of investments acquired during the year. Form 5500 also requires realized and unrealized gains or losses from investments in mutual funds to be reported separately on one line.

E. Future Service Retirement Benefits

The Plan maintains a separate account for each member's future service retirement benefit. The amount contributed on behalf of each member is credited to each individual retirement benefit account. Investment income and administrative expenses are allocated to each member's account. Payments to participants and beneficiaries and fees related to the payments are charged to each individual retirement benefit account and reduce the individual's account balance.

F. Retirement Benefits

Retirement benefits are charged to expense when the benefits are paid.

G. Tax-Exempt Status

The Plan has received tax-exempt status from the federal government under Internal Revenue Code Section 401(a); therefore, no provision is made for federal income tax.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 3 - PLAN TERMINATION

This Plan may be terminated by the Board of Trustees if necessary under the California Business and Professions Code, the Internal Revenue Code or other applicable law. The employer shall thereupon give written directions to the administrator and the trustee to either:

A. Terminate the Plan and the Trust and direct the trustee to distribute the Plan's assets to the participants; or

B. Cease future contributions under the Plan, except as may be required by the top-heavy plan rules article, and continue the Trust, with distributions to be made to a participant pursuant to the Plan upon the participant's severance from employment.

If more than one employer adopts the Plan and the adopting employers are not all affiliated employers, the determination of whether or not there has been a termination or partial termination of the Plan shall be made by treating the participants as if they were employed by a single employer.

NOTE 4 - RELATED PARTY TRANSACTIONS

The Board of Trustees is an agency of the state of California and is a party to the participation agreement that created the Plan.

NOTE 5 - RISKS AND UNCERTAINTIES

Plan investments are exposed to various risks such as interest rate, market fluctuations, and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

NOTE 6 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 14, 2026, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
