INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Women's Health Care P.C. Profit Sharing and 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Women's Health Care P.C. Profit Sharing and 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits-modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits-modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Women's Health Care P.C. Profit Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from The Standard Insurance Company as of December 31, 2025 and for the period from December 8, 2025 to December 31, 2025, and American Trust Company as of December 31, 2024 and for the period from January 1, 2025 to December 8, 2025 stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in *Note 2*.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Women's Health Care P.C. Profit Sharing and 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to *Note 2* of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Women's Health Care P.C. Profit Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Women's Health Care P.C. Profit Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Women's Health Care P.C. Profit Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and

content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1
DESCRIPTION OF PLAN

The following description of the Women's Health Care, P.C. Profit Sharing and 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan available to all eligible employees of Women's Health Care, P.C. (the Company), except groups of employees covered by collective bargaining agreements, leased employees, nonresident aliens, employees of affiliated employers, and independent contractors. Employees who have ninety days of service and are age twenty-one or older are eligible to participate in the elective deferral portion of the Plan described below. Employees who have one year of service with a minimum of 1,000 hours and are age twenty-one or older are eligible to participate in the profit-sharing portion of the Plan described below. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

The Plan provides that participants may contribute up to limits prescribed in the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Discretionary profit-sharing amounts may be contributed at the option of the Company. Contributions are subject to limitations.

Participant accounts:

Each participant's account is credited with the participant's contribution and Company contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is based on years of credited service. A participant is 20% vested after two years of credited service with an additional 20% vesting per year until the participant is 100% vested after six years of credited service.

NOTE 1 (Continued)
DESCRIPTION OF PLAN

Notes receivable from participants:

Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or their vested account balance. The loans are secured by the balance in the participant's account and bear interest at 4.25% to 9.50%. Principal and interest is paid not less than quarterly over a period not to exceed five years unless the loan is made to acquire a participant's principal residence.

Payment of benefits:

Benefits begin at retirement age, termination of employment, total and permanent disability or death of the participant. Distribution of benefits may be made in one lump sum as requested by the participant.

Forfeitures:

Forfeitures of non-vested accounts may first be used to offset administrative expenses of the Plan, as directed by the Company. Any remaining forfeitures may be used to reduce the employer's contribution. There were $5,451 and $10,262 of unallocated forfeitures at December 31, 2025 and 2024, respectively. Also, in 2025, $26,902 of forfeitures were used to pay administrative expenses.

NOTE 2
SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Plan's significant accounting policies follows:

Basis of accounting:

The financial statements of the Plan are prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Consequently, the Plan recognizes contributions when received rather than when earned.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2 (Continued)
SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investments valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See *Note 4* for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. The trustee nets interest and dividends with the appreciation of investments. This net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the plan document.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Administrative expenses may be paid out of Plan assets unless paid directly by the Company. The expenses that are paid from Plan assets are either shared by all participants or charged directly to the account of the participant on whose sole behalf the expense is incurred. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events:

Plan management has evaluated subsequent events through October 15, 2026, the date which the financial statements were available to be issued.

NOTE 3
INFORMATION CERTIFIED AND PROVIDED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, certain information in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, the statement of changes in net assets available for benefits for the year ended December 31, 2025, and the ERISA-required supplemental schedule related to investments held at year end was obtained by management and agreed to or derived from information certified as complete and accurate by American Trust Company (ATC) and The Standard Insurance Company (SIC), qualified institutions.

Effective December 8, 2025, the Plan changed its trustee and qualified institution from ATC to SIC, and the Plan's assets were transferred to SIC. ATC certified the investments and assets held as of December 31, 2024 and investment income and interest income on notes receivable from participants from January 1, 2025 through December 8, 2025. SIC certified the investments and assets held as of December 31, 2025 and investment income and interest income on notes receivable from participants for the remainder of 2025 subsequent to the transfer.

NOTE 4
FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Certain investments measured at fair value using the net asset value per share, or its equivalent, as a practical expedient are not classified within the fair value hierarchy. Such investments are presented separately in the table below to permit reconciliation to total investments measured at fair value.

NOTE 4 (Continued)
FAIR VALUE MEASUREMENTS

Level 1 fair value measurements:

Mutual funds: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Pooled separate account: The Plan's investment in the pooled separate account represents units of participation in an insurance company pooled separate account. The fair value of the pooled separate account is determined using the net asset value (NAV), or its equivalent, reported by the insurance company, which is based on the fair value of the underlying investments. The NAV is used as a practical expedient to estimate fair value. The pooled separate account is redeemable at the net asset value per unit as determined by the insurance company. The Plan has no unfunded commitments related to the pooled separate account at December 31, 2025. The Plan does not intend to sell the investment at an amount different from NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2025 and 2024:

	Fair Value Measurements at December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	**$ -**	**$ -**	**$ -**	**$ -**

	Fair Value Measurements at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 21,028,635	$ -	$ -	$ 21,028,635

The following sets forth the investments measured at the NAV practical expedient at December 31, 2025 and 2024:

	2025	2024
Pooled separate account	**$ 20,090,156**	**$ -**

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2025, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 5
FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

At December 31, 2025, the Plan invests in the APEX Standard Stable Asst A7-6, which is available through a rider to a group annuity contract issued by Standard Insurance Company. The contract is an insurance contract supported by the general account of Standard Insurance Company. Contributions to the contract become part of Standard Insurance Company's general account, and no specific segregated or identifiable assets are assigned to the Plan's investment.

The contract is presented at contract value, which is the relevant measurement attribute for the portion of net assets available for benefits attributable to fully benefit-responsive investment contracts. Contract value represents contributions made to the contract, less withdrawals and administrative expenses, plus interest credited. The contract value is a general liability of Standard Insurance Company and is guaranteed by the full faith and credit of Standard Insurance Company.

The contract provides daily liquidity at contract value for participant-initiated transactions, including contributions, withdrawals, and transfers among investment options, subject to the terms of the contract. The total contract value of the Plan's fully benefit-responsive investment contract was $2,147,724 at December 31, 2025.

The contract's reported crediting rate for the year ended December 31, 2025 was 0.64%.

Certain events may limit the Plan's ability to transact at contract value with Standard Insurance Company. These events include, but are not limited to, termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and changes to Plan withdrawal or transfer provisions that liberalize participant access to the contract. Upon the occurrence of such events, a market value adjustment or other withdrawal restrictions may apply. Management believes the occurrence of events that would limit the Plan's ability to transact at contract value with Standard Insurance Company is not probable.

NOTE 6
GUARANTEED INVESTMENT CONTRACT

At December 31, 2024, the Plan invested in the MetLife UTC Stable Value Trust Fund (a common/collective trust fund) which held a guaranteed investment contract and was reported at contract value of $581,976. Contract value represented contributions made, plus earnings, less participant withdrawals and administrative expenses. There were no limitations on guarantees on the contract.

NOTE 7
RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by ATC through December 8, 2025 and by SIC subsequent to that date. ATC was the trustee, replaced by SIC, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation in fair value of investments, interest, and dividends.

Notes receivable from participants and the related interest income are considered related party transactions.

NOTE 8
PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 9
TAX STATUS

The Plan adopted a prototype plan, which received a determination opinion letter dated June 30, 2020, from the Internal Revenue Service as to the prototype plan's qualified status. The prototype opinion letter has been relied upon by the Plan. Although, the Plan has since been amended, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Internal Revenue Code.

The plan administrator has concluded that as of December 31, 2025 and 2024 there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to examination by the Internal Revenue Service; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

NOTE 10
RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
