# INDEPENDENT AUDITOR'S REPORT

To the Audit and Finance Committee of
P. L. Marketing, Inc. 401(k) Savings Plan
Newport, Kentucky

## Opinion

We have audited the accompanying financial statements of P. L. Marketing, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of P. L. Marketing, Inc. 401(k) Savings Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of P. L. Marketing, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about P. L. Marketing, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of P. L. Marketing, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about P. L. Marketing, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) and assets (acquired and disposed of within year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTE A - DESCRIPTION OF PLAN -

The following description of the P. L. Marketing, Inc. (the "Company") 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General -
The Plan is a defined contribution plan covering all full-time employees of the Company who have attained age twenty-one (21) or older and completed thirty (30) days of service. Effective January 1, 2024, the Plan was amended to allow eligible employees to participate in the Plan for purposes of salary deferrals upon completion of 30 days of service. An employee must complete one (1) year of service to become eligible to receive Employer Matching Contributions, Profit Sharing Contributions, and Safe Harbor Contributions. As of January 1, 2018, employees under an exclusionary collective bargaining agreement and leased employees are prohibited from participating in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions -
Each year, participants may contribute up to 50% of eligible compensation, as defined in the Plan agreement. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers multiple mutual funds and a common collective trust fund to its participants. The Company makes a Safe Harbor Matching Contribution equal to 100% of Participant Deferrals up to 3% of compensation plus 50% of Participant Deferrals up to 5% of compensation. Contributions are subject to certain IRS limitations.

Participant Accounts -
Each participant's account is credited with (a) the participant's contributions, (b) the Company's matching contributions, and (c) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions as defined in the Plan agreement. The total benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting of Participant Contributions -
Participants are immediately vested in their contributions plus actual earnings thereon. Prior to 2017, the Company's discretionary matching contributions were 100% vested after four years of credited service. The discretionary matching contributions were eliminated by Plan amendment effective January 1, 2017.

Vesting of Profit Sharing and Safe Harbor Matching Contributions -
Prior to 2017, participants were immediately vested in the Company's profit sharing and non-elective safe harbor contributions. Effective January 1, 2017, the Company's Safe Harbor Matching Contributions are immediately 100% vested to eligible participants.

Investment Options -
Upon enrollment in the Plan, participants may direct employee and employer contributions into any of the investment options offered by the Plan as advised by Merrill Lynch. Participants may change their investment allocations at any time.

Notes Receivable from Participants -
Participants may borrow from their individual retirement accounts up to a maximum equal to the lesser of $50,000.00 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 8.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest is paid ratably through biweekly payroll deductions.

Payment of Benefits -
Upon termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive either a lump-sum distribution equal to the value of the participant's vested interest in his or her account or installment distributions over time. For termination of service due to other reasons, a participant may receive the full value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts -
At December 31, 2025 and 2024, forfeited non-vested accounts totaled $14,417.66 and $1,903.62, respectively. No forfeitures were used to reduce the Company's Safe Harbor Matching Contributions and/or administrative expenses during 2025.

## NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES -

Basis of Accounting -
The Plan's financial statements are prepared using U.S. generally accepted accounting principles and the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure of the portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount that participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. At December 31, 2025 and 2024, the Plan did not hold any contracts that are considered fully benefit-responsive.

Use of Estimates -
The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

Investment Valuation and Income Recognition -
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants -
Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator considers the participant loan to be in default, the participant's loan balance is reduced to zero and a benefit payment is recorded as a deemed distribution. There were no deemed distributions recorded during 2025.

Payment of Benefits -
Benefits are recorded when paid.

Expenses -
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and processing benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses and management fees are included in net appreciation (depreciation) in fair value of the underlying investments.

Subsequent Events -
The Plan has evaluated all subsequent events through October 13, 2026, which is the date the financial statements were available to be issued.

## NOTE C - FAIR VALUE MEASUREMENTS -

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access at the measurement date.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Registered investment companies (mutual funds): Valued at the daily closing price as reported on the New York Stock Exchange or NASDAQ. The mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission and are deemed to be actively traded.

Common/collective trust fund: Valued at the daily net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidations are carried out in an orderly business manner.

There were no significant transfers into or out of level 1 investments during the years ended December 31, 2025 and 2024.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

| | Investments at Fair Value as of December 31, 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual Funds | $55,977,440.14 | $ --- -- | $ --- -- | $55,977,440.14 |
| Total Assets in the Fair Value Hierarchy | 55,977,440.14 | --- -- | --- -- | 55,977,440.14 |
| Investments Measured at Net Asset Value (a) | --- -- | --- -- | --- -- | 1,818,030.65 |
| Investments at Fair Value | $55,977,440.14 | $ --- -- | $ --- -- | $57,795,470.79 |

| | Investments at Fair Value as of December 31, 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual Funds | $47,115,585.24 | $ --- -- | $ --- -- | $47,115,585.24 |
| Total Assets in the Fair Value Hierarchy | 47,115,585.24 | --- -- | --- -- | 47,115,585.24 |
| Investments Measured at Net Asset Value (a) | --- -- | --- -- | --- -- | 1,997,207.78 |
| Investments at Fair Value | $47,115,585.24 | $ --- -- | $ --- -- | $49,112,793.02 |

(a) In accordance with FASB ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on net asset value (NAV) per share as of December 31, 2025 and 2024, respectively.

| December 31, 2025 | Fair Value | Unfunded Commitments | Redemption Frequency (if Currently Eligible) | Redemption Notice Period |
|---|---|---|---|---|
| Common/Collective Trust Fund | $1,818,030.65 | N/A | Daily | 1 Year |
| December 31, 2024 | | | | |
| Common/Collective Trust Fund | $1,997,207.78 | N/A | Daily | 1 Year |

Investments in the common/collective trust fund noted above are maintained by Invesco Trust Company, which files a Form 5500 as a direct filing entity (DFE). As a result, the Plan has not disclosed the significant investment strategies for this investment.

**NOTE D - PLAN TERMINATION -**

Although management has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

**NOTE E - TAX STATUS -**

The Plan is a pre-approved plan offered by Merrill Lynch. Merrill Lynch obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore,

believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

## NOTE F - RISKS AND UNCERTAINTIES -

The Plan invests in a variety of investments. Investments in general are exposed to various risks such as interest rate, market, credit, and overall volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of the investment securities will occur in the near term and that the changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## NOTE G - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS -

P. L. Marketing, Inc., the Plan Sponsor, provides certain accounting and administrative services to the Plan for which no fees are charged.

Merrill Lynch, Pierce, Fenner & Smith Incorporated (Merrill Lynch) is the Plan's trustee and recordkeeper. Therefore, any transactions with Merrill Lynch qualify as party-in-interest transactions. The Plan paid administrative fees in the amount of $18,888.58 to Merrill Lynch during the year ended December 31, 2025.

## NOTE H - OTHER INCOME -

During the year ended December 31, 2025, the Plan recorded other income in the amount of $19,502.76, which primarily consists of stale distribution checks that were previously mailed to participants but were returned to the Plan as undeliverable. These returned items are temporarily deposited into the forfeiture account until the Plan is able to locate the participants and reissue the distribution checks in accordance with terms of the Plan Document.
