Independent Auditor's Report

To the Trustees of
the Ivar's, Inc. 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ivar's, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ivar's, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ivar's, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ivar's, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ivar's, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related

certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1: PLAN DESCRIPTION

General - The Ivar's, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) is a defined contribution pension plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers employees of Ivar's, Inc. and KV Holdings, Inc. (collectively, the Employers). This description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Eligibility - Employees generally become eligible to participate upon completion of eleven months of service and attaining the age of 21.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer contribution portion of their accounts plus earnings thereon is based upon years of service as follows:

Years of service completed	Vested percentage
1	25%
2	50
3	75
4	100

Contributions - Participants may make voluntary contributions to the Plan of the lesser of a percentage of such participant's compensation for the Plan year as the Administrative Committee determines from time to time or the dollar limit set by law for a contribution period. Participants may direct their contributions into a variety of funds as determined by the Plan and employee contributions are deposited to the Plan with each pay period. Investment allocations may be changed by the participant at any time.

For 2025 and 2024, discretionary employer matching contributions for all active participants employed on the last day of the Plan year equal 50% of the participant's contributions and up to $1,250. Employer matching contributions are generally funded once per year. Employer profit sharing contributions, if any, are determined at the discretion of the Employers. Employer contributions are allocated to investments at the discretion of the participant.

Each participant's account is credited with the participant's contribution and an allocation of Employers' contributions, Plan earnings, and investment gains or losses. Such allocations are based on participant earnings, account balances, or the ratio that each participant's compensation bears to total eligible compensation as defined in the Plan agreement.

NOTE 1: Continued

Benefits - Payments of Plan benefits are made in lump-sum distributions to or on behalf of the participant. Benefits, which are comprised of the vested balance of a participant's account, are generally payable upon termination of employment, death, and permanent disability. Partial in-service withdrawals may be made at the request of the participant at age 59-1/2 or in limited cases of hardship. Participants who terminate during the year may allow their accounts to remain in the Plan, unless the balance is $5,000 or less, in which case a distribution will be made.

Plan termination - Although it has not expressed any intent to do so, the Employers have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, each participant's account will be fully vested, nonforfeitable, and distributed to the participant after the effective date of the termination.

Application of forfeitures - Any forfeitures that may arise under the Plan shall be applied to reduce employer contributions under the Plan. Total unapplied forfeitures were $62,057 and $58,762 at December 31, 2025 and 2024, respectively. For the years ended December 31, 2025 and 2024, the Plan used no forfeitures to reduce the employer match when it was funded.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Investments - Investments are stated at fair value based on the closing market prices at year end. Investments in the money market fund and mutual funds are valued at the final published sales price on the last business day of the year. Net unrealized gains and losses are calculated as the net change in fair value of investments from the beginning of the plan year or purchase date (whichever is later) to the end of the Plan year. Realized and unrealized gains and losses are combined and reported as net appreciation or depreciation in the fair value of investments.

Notes receivable from participants - Subject to certain restrictions, participants may receive loans from the Plan. Participant loans carry interest at the prime rate in effect at loan inception plus 1%, are secured by the related account balances, and have maturities not to exceed five years, unless the loan is for the purchase of the participant's principal residence, in which case the maturity cannot exceed ten years. Principal and interest are paid ratably through bi-weekly payroll deductions. The notes receivable are presented at the unpaid principal balance. No allowance for credit losses is recorded due to adequate collateral.

Payment of benefits - Benefits are recognized when paid.

Administrative expenses - Substantially all administrative expenses of the Plan are paid by the Plan and allocated among the participants' accounts accordingly.

Use of estimates - The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

NOTE 3: FAIR VALUE OF INVESTMENTS

Fair value is a market-based measurement, determined based on assumptions that market participants would use in pricing an asset or liability. Under generally accepted accounting principles, there are three levels of inputs, which prioritize the inputs used in measuring fair value as follows:

- Level 1: Observable market inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: Observable market inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

The inputs or methodology used for valuing investments is not necessarily an indication of the risk associated with investing in those securities.

As of December 31, 2025 and 2024, the fair value of mutual funds and money market fund was determined using quoted market prices, which are Level 1 inputs.

December 31, 2025:	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy:				
Mutual Funds	$25,083,534			$25,083,534
Money Market Fund	868,927			868,927
	$25,952,461	$-	$-	$25,952,461

December 31, 2024:	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy:				
Mutual Funds	$21,541,422			$21,541,422
Money Market Fund	1,102,302			1,102,302
	$22,643,724	$-	$-	$22,643,724

NOTE 4: UNAUDITED INFORMATION CERTIFIED BY TRUSTEE

The Plan's management has obtained certification from the Trustee, Fidelity Management Trust Company, that the following information furnished by the trustee and included in the Plan's financial statements and supplemental schedule of Assets (Held at End of Year) is complete and accurate:

1. Fair value of investments as of December 31, 2025 and 2024.
2. Balance of notes receivable from participants as of December 31, 2025 and 2024, and earnings thereon.
3. Investment transactions, including earnings and losses, for the years 2025 and 2024.

NOTE 5: FEDERAL INCOME TAXES

The Plan trustees adopted a Fidelity Investments prototype plan on January 6, 2022. It is the intent of the prototype plan to be exempt from federal income taxes. A determination letter dated June 30, 2020 from the Internal Revenue Service has been obtained by the prototype plan sponsor. The plan administrator and the Plan's tax counsel believe that the Plan is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 6: PARTY-IN-INTEREST TRANSACTIONS

Fidelity Management Trust Company ("FMTC") acts as custodian and trustee for certain investments of the Plan. Therefore, transactions with FMTC qualify as party-in-interest transactions.

NOTE 7: RECONCILIATION TO FORM 5500

In accordance with U.S. generally accepted accounting principles, the Plan accrues employee and employer contributions receivable, and accrues excess contributions, if any, to be returned to participants, for financial reporting purposes. Department of Labor regulations require a reconciliation of amounts reported on the Form 5500 to the financial statements. The following is a reconciliation of net assets available for benefits and the net increase in net assets available for benefits for the years ended December 31, 2025 and 2024.
