INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
The 401(a) Profit-Sharing Plan of Occupational Training Center of Burlington County, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the accompanying financial statements of The 401(a) Profit-Sharing Plan of Occupational Training Center of Burlington County, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A. DESCRIPTION OF PLAN

The following brief description of The 401(a) Profit-Sharing Plan of Occupational Training Center of Burlington County, Inc. (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that became effective on January 1, 2005, and was amended and restated effective April 18, 2011. The Plan was established in a manner to satisfy the Employee Retirement Income Security Act of 1974 ("ERISA") under Section 404(c) of the Internal Revenue Code ("IRC") as a participant directed plan. The Plan is available to all employees who work on government contracts and was established to satisfy the "Bona Fide" health and welfare fringe benefit requirements of the Federal Service Contract Act ("FSCA"), and the Wage Standards for the New Jersey State Building Service Contract Act ("SBSCA").

The Occupational Training Center of Burlington County, Inc. (the "Center"), a 501(c)(3) organization, is the Plan Administrator and sponsor of the Plan. Epic Advisors, Inc. (the "Recordkeeper") is the recordkeeper for the Plan. Matrix Trust Company (the "Trustee") is the trustee for the Plan.

Contributions

There is no minimum service requirement for a participant to receive employer contributions under the Plan and no employee contributions are required or permitted. The amount earned by each participant is based upon the hourly rate contained in a Wage Determination as issued by the United States of America government under the FSCA, and a Wage Determination as issued by the State of New Jersey government under SBSCA; multiplied by the hours paid not to exceed 40 hours per week (the "Earned Amount"). The amount contributed to the Plan is the Earned Amount less the participant's cost of other fringe benefits paid on their behalf including health insurance. All contributions to the Plan are credited to the participant's individual account on the date received by the Trustees. The Trustees provide participants with quarterly statements indicating the contributions, interest and investment gains or losses, charges, and opening and closing balances. Employer contributions are calculated and accrued monthly by the Center. Although required to be remitted quarterly, the Center remits contributions monthly.

Participant Accounts

Each participant's account is credited with the employer's contributions and Plan earnings; while losses and expenses are deducted and allocated based on participant account balances.

Vesting

Participants are immediately vested in all employer contributions, rollovers and transfers from qualified plans and actual earnings or losses thereon.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $7,983 and $517, respectively. Forfeited non-vested accounts are available to reduce future employer contributions or pay Plan expenses. For the year ended December 31, 2025, no amounts were used to reduce employer contributions or pay Plan expenses.

A. DESCRIPTION OF PLAN (CONTINUED)

Expenses of the Plan

The Plan's administrative expenses are paid from Plan assets.

Investment Options

Participants may direct investment of their account balances into the investment options offered under the Plan, including registered investment company funds. Participants can place their contributions in one or more of the investment options available under the Plan. Participants can direct the allocation of future contributions or transfer money from one investment option to another via the internet, or by completing a form provided for that purpose by the Plan Administrator or the Trustees.

Payment of Benefits

Unless otherwise elected, on termination of service due to death, disability or normal retirement, a participant or beneficiary will receive 100% of his or her vested account balance. Participants can withdraw amounts from their individual account after attaining the normal retirement age of 65 or early retirement age of 55 (after five years of participation in the Plan). Distributions are also permitted if the participant incurs a hardship or a disability that prevents the participant from working. Amounts can also be withdrawn upon termination of employment. Benefit payments may be made in a lump sum, installments over a period not to exceed the participant's life expectancy, or ad hoc after termination.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Interest-bearing Cash

Interest-bearing cash consists of cash and cash equivalents with an initial maturity of ninety days or less.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the Trustees. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

Management has evaluated subsequent events for potential recognition and disclosure through October 14, 2026, the date the financial statements were available to be issued. No items were determined by management to require disclosure.

C. INFORMATION CERTIFIED OR PROVIDED BY THE TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Matrix Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Cash and Investments as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Net investment income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Cash and Investment information included in the schedule of assets (held at end of year) as of December 31, 2025, as shown on the ERISA-required supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

D. FAIR VALUE MEASUREMENTS

Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

D. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in less active markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be active.

Common collective trust funds: Stated at NAV as reported to the Plan by the Trustees, based on the market values of the underlying assets. Because the common collective trust funds invested in by the Plan do not publish a daily NAV, the NAV is a practical expedient in determining the fair value of the funds.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

D. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 6,467,284	$ -	$ -	$ 6,467,284
Investments measured at fair value	$ 6,467,284	$ -	$ -	6,467,284
Investments measured at NAV				959,437
Total investments at fair value				$ 7,426,721

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 5,562,391	$ -	$ -	$ 5,562,391
Investments measured at fair value	$ 5,562,391	$ -	$ -	5,562,391
Investments measured at NAV				902,902
Total investments at fair value				$ 6,465,293

Fair Value Estimated Using Net Asset Value per Share

The following table summarizes investments measured at fair value based on NAV per share as a practical expedient as of December 31, 2025 and 2024:

	Fair Value Using Net Asset Value Per Share				
	Fair Value at December 31, 2025	Fair Value at December 31, 2024	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common collective trust funds	$ 959,437	$ 902,902	$ -	Immediate	None

Changes in Fair Value Levels

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2025, there were no transfers in or out of Level 3.

E. PLAN TERMINATION

Although it has not expressed any intent to do so, the Center reserves the right to amend, modify, suspend or terminate the Plan permanently or temporarily, at such time as it deems appropriate, without the consent of or prior notice to any employee, retiree or beneficiary, subject to the provisions of ERISA. Participants are immediately vested in all employer contributions, rollovers and transfers from qualified plans and actual earnings or losses thereon. Only the Center may amend the Plan. No such change is currently being contemplated; however, in any such event, the participant’s right to their vested benefits is nonforfeitable.

F. TAX STATUS

The Center has adopted a prototype plan which received a favorable determination letter from the Internal Revenue Service on March 31, 2014, which stated that the prototype plan and trust were designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable provisions of the IRC. Therefore, the Plan Administrator believes that the Plan is qualified and the related trust is tax exempt as of December 31, 2025 and 2024. Consequently, no provision for income taxes has been included in the accompanying financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. CONCENTRATIONS OF CREDIT RISK AND UNCERTAINTIES

The Plan invests in various investment instruments. Investment securities in general are exposed to various risks, such as those involving interest rates, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

H. TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan paid administrative expenses to the Recordkeeper and the Trustee for the year ended December 31, 2025, as follows:

Recordkeeping fees	$	28,000
Trustees' fees		37,506
Total administrative fees	$	65,506
