INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators
CGI, Inc. Retirement Savings Plan
Carson City, Nevada

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of CGI, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note A - Description Of Plan

The following description of CGI, Inc. Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective January 1, 1997. The Plan covers all employees of CGI, Inc. (the "Company") who have completed 6 months of service and are age 21 or older. Employees covered by a collective bargaining agreement, leased employees, and nonresident aliens with no U.S. source income are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan administrator is responsible for oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, common/collective trusts, and guaranteed interest accounts as investment options for participants. Contributions are automatically invested in a default investment alternative established under the Plan until changed by the participant. The Plan does not have an automatic enrollment feature. The Company may make a discretionary matching contribution and a discretionary profit-sharing contribution, as determined annually by the Company. For the year ended December 31, 2025, employer contributions totaled $521,335. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company matching contributions, allocations of the Company's discretionary contributions and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note A - Description Of Plan (Continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 20 percent vested after 1 year of credited service and continues to vest in increments of 20 percent until 100 percent vested after 5 years of credited service. Participants also become fully vested upon death, disability, or attainment of normal retirement age 65.

Notes Receivable From Participants

Participants may borrow from their participant accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Participants may have up to three loans outstanding at a time, and spousal consent is required. The loans are secured by the balance in the participant's account. The loan interest rate is set at the Prime rate plus 1 percent, as defined in the Plan document. Principal and interest are paid ratably through payroll deductions. Terms range from 1 to 5 years or up to 15 years for the purchase of a primary residence.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. If a terminated participant's vested balance is less than or equal to $5,000, the amount may be automatically distributed in the form of lump sum cash payment. In addition, the Plan allows for in-service withdrawals upon attainment of age 59 1/2 and hardship distributions if certain criteria are met.

Forfeited Accounts

At December 31, 2025, forfeited nonvested accounts totaled $18,199. Forfeitures may be used to satisfy any contribution that may be required or may be used to pay any administrative expenses of the Plan. Forfeitures attributable to employer matching contributions shall be used to reduce the employer's matching contributions for the plan year. In the event forfeitures are used to reduce the employer's discretionary profit sharing contribution and the forfeitures to be allocated exceed such discretionary profit sharing contribution, the remaining forfeitures will constitute an additional discretionary contribution. Forfeitures attributable to nonelective contributions, such as profit sharing, shall be added to any nonelective contribution for the plan year and allocated in the same manner as any nonelective contribution. In 2025, employer profit sharing contributions were not increased by forfeited nonvested accounts, employer matching contributions were not increased by forfeited nonvested accounts, and forfeitures totaling $50,677 were used to reduce employer contributions and to pay Third Party Administrator Fees.

Note B - Summary Of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company, as applicable. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan payments and the plan administrator considers the participant's loan to be in default, the loan balance is reduced, and the delinquent participant's note receivable is recorded as a benefit payment based on the terms of the plan document.

Note B - Summary Of Accounting Policies (Continued)

Payment of Benefits

Benefits are recorded when paid.

Participant Withdrawals
As of December 31, 2025 and 2024, there were no amounts allocated to withdrawing participants.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Change in Presentation of Comparative Statements

Certain amounts in the prior year's financial statements have been reclassified for comparative purposes to conform to the presentation in the current year's financial statements. These reclassifications have not had any impact on previously reported total net assets available for benefits.

Subsequent Events

Subsequent events were evaluated through October 14, 2026, the date the financial statements were available to be issued.

Note C – Fair Value

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, Fair Value Measurement, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Following is a description of the valuation techniques used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note C – Fair Value (Continued)

Common/collective trusts: Investments in common/collective trusts are valued at the net asset value ("NAV") of units of bank collective trust funds. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less their liabilities. This practical expedient is not used when it is probable that the Plan will sell an investment for an amount different from the reported NAV.

The Plan's investments in common/collective trusts are held in funds that file Form 5500 as direct filing entities ("DFEs"). Accordingly, pursuant to ASC 962, the Plan is not required to disclose the significant investment strategies of those funds. The Plan has no unfunded commitments related to its investments in common/collective trusts as of December 31, 2025.

Participant-directed transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption from a collective trust, the investment manager may temporarily delay withdrawals to ensure that underlying securities liquidations are conducted in an orderly manner.

Guaranteed interest accounts: Contributions under the John Hancock group annuity contract may be allocated to guaranteed interest accounts, including 3-Year Compound, 5-Year Compound, and 10-Year Compound accounts, which are held in the general account of John Hancock Life Insurance Company (U.S.A.). These accounts are not fully benefit-responsive and, therefore, are reported at fair value rather than contract value.

The fair value of the guaranteed interest accounts is determined using a market value adjustment methodology that reflects differences between the contract crediting rates and current interest rates for contracts with similar terms. Observable interest rate information is used in determining the market value adjustment applied to contract value to estimate fair value. Accordingly, the guaranteed interest accounts are classified within Level 2 of the fair value hierarchy.

At December 31, 2025 and 2024, guaranteed interest accounts reported at fair value totaled $45,945 and $50,791, respectively.

During 2025, the Plan reevaluated the fair value hierarchy classification of its guaranteed interest accounts. Based on additional information regarding the valuation methodology used to estimate fair value, management concluded the valuation utilizes observable market-based inputs and therefore classified the investments within Level 2 of the fair value hierarchy. Prior-year amounts have been reclassified to conform to the current-year presentation. The reclassification had no effect on previously reported net assets available for benefits or changes in net assets available for benefits.

Note C – Fair Value (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024.

		Fair Value Measurements Using	
	Fair Value	Level 1	Level 2
Mutual funds	$ 1,467,955	$ 1,467,955	$ -
Guaranteed interest accounts	45,945	-	45,945
Investments measured at fair value	1,513,900	1,467,955	45,945
Common/collective trusts measured at NAV(practical expedient)	9,506,151	-	-
Total investments at fair value	$ 11,020,051	$ 1,467,955	$ 45,945

		Fair Value Measurements Using	
	Fair Value	Level 1	Level 2
Mutual funds	$ 1,382,248	$ 1,382,248	$ -
Guaranteed interest accounts	50,791	-	50,791
Investments measured at fair value	1,433,039	1,382,248	50,791
Common/collective trusts measured at NAV(practical expedient)	7,995,096	-	-
Total investments at fair value	$ 9,428,135	$ 1,382,248	$ 50,791

The fair value table above excludes investments measured using the net asset value practical expedient. Investments in common/collective trusts are measured at fair value using the net asset value per unit as a practical expedient and, accordingly, have not been classified within the fair value hierarchy. Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024 are reported in net appreciation in fair value of investments.

Note D – Related Party and Party In Interest Transactions

Certain Plan investments are managed by John Hancock, the custodian and investment manager of the Plan. As a result, these investments and related transactions qualify as party-in-interest transactions. At December 31, 2025 and 2024, the Plan held party-in-interest investments managed by John Hancock totaling approximately $4,418,346 and $3,457,757, respectively.

The Plan also issues loans to participants, which are secured by the participants' vested account balances. Participant loans are considered party-in-interest transactions. At December 31, 2025 and 2024, outstanding participant loans totaled approximately $215,310 and $223,167, respectively.

Certain Plan investments are managed by the Trustee. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each fund and are not separately reflected in the accompanying financial statements.

The Plan incurred administrative expenses of $54,806 during the years ended December 31, 2025. Certain of these expenses were paid to service providers that are parties-in-interest to the Plan as defined by ERISA. Such transactions are exempt from the prohibited transaction rules of ERISA.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan for these services.

Note E – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Note F – Tax Status

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA offered by Plan Design Consultants, Inc. The plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

No amendments to the Plan were adopted during the year ended December 31, 2025. Accordingly, there was no effect on net assets available for benefits resulting from plan amendments during 2025.

Note F – Tax Status (Continued)

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note G – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The Plan maintains its cash in a non-interest-bearing account with a financial institution deemed to be creditworthy. Balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. At December 31, 2025 and 2024, the Plan's cash exceeded federally insured limits by approximately $157,956 and $182,350, respectively.

The Plan's investments are maintained by John Hancock, which serves as custodian and recordkeeper for the Plan. In addition, the Plan holds investments in common/collective trusts and guaranteed interest accounts offered through John Hancock. As of December 31, 2025, $4,418,346 representing 40% of the Plan's investments, was invested through accounts maintained by John Hancock. Although the underlying investments are diversified among various investment options, the Plan is exposed to risks associated with its concentration of assets and related services with a single financial institution.

Note H – Information Prepared and Certified by Recordkeeper

For the year ended December 31, 2025, investment information included in the accompanying financial statements was prepared and certified by John Hancock Retirement Services, recordkeeper of the Plan acting on behalf of the trustee. Management has obtained certifications from this qualified institution stating that the certified information is complete and accurate.

This certified information consists of investments held by the custodian and related investment transactions reflected in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note H – Information Prepared and Certified by Recordkeeper (Continued)

As permitted under Section 103(a)(3)(C) of ERISA, the Plan Administrator instructed the Plan's independent auditor not to perform auditing procedures with respect to information prepared and certified by qualified institutions related to the following assets:

	2025
Mutual funds, at fair value	$ 1,467,955
Common/Collective Trust, at fair value	$ 9,506,151
Guaranteed interest accounts, at fair value	$ 45,945
Notes receivable from participants	$ 215,310
Net appreciation in fair value of investments	$ 1,510,140
Interest and dividend income	$ 1,720
Interest income, notes receivable from participants	$ 16,763

Note I – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31 to the Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 11,656,470	$ 10,101,943
Participant contributions receivable	(9,513)	(13,421)
Employer contributions receivable	(3,640)	(4,870)
Net assets available for benefits per the Form 5500	$ 11,643,317	$ 10,083,652

The following is a reconciliation of the net change in net assets available for benefits per the financial statements at December 31, 2025 to Form 5500:

Net increase in net assets available for benefits per the financial statements	$ 1,554,527
Amount related to current year contribution receivables	(13,153)
Amount related to prior year contribution receivables	18,291
Net increase in net assets available for benefits per Form 5500	$ 1,559,665

This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of CGI, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements (collectively, the "financial statements").

We elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States ("U.S. GAAP") and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, the following representations made to you during your audits.

Financial Statements

1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated April 22, 2026, including our responsibility for the preparation and fair presentation of the financial statements.
2) The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
3) We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
4) We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:
    a) The circumstances permit an ERISA Section 103(a)(3)(C) audit.
    b) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
    c) The certification meets the 29 CFR 2520.103-5 requirements.
    d) The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.
5) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
6) We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
7) The methods, significant assumptions, and data used in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in accordance with U.S. GAAP.
8) Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in financial statements in accordance with U.S. GAAP and ERISA Section 3(14) and regulations thereunder.
9) All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
10) There were no uncorrected misstatements.
11) You have proposed adjusting journal entries that have been posted to the Plan's accounts. We are in agreement with those adjustments.

12) The effects of all known actual or possible litigation, claims, and assessments have been accounted for and disclosed in accordance with U.S. GAAP and we have not consulted a lawyer concerning litigation claims, or assessments.

13) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed have been properly disclosed.

14) Material concentrations have been properly disclosed in accordance with U.S. GAAP.

15) Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.

16) Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.

17) The supplemental schedule or financial statements disclose the following:

a) All non-exempt party-in-interest transactions as defined in ERISA Section 3(14) and regulations thereunder.

b) Investments or loans in default or considered to be uncollectible.

c) Reportable transactions as defined in ERISA Section 103(b)(3)(H) and regulations thereunder.

Information Provided

18) We have provided you with:

a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters.

b) A substantially complete draft of Form 5500.

c) Additional information that you have requested from us for the purpose of the audits.

d) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.

e) Current Plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.

19) All material transactions have been recorded in the accounting records and are reflected in the financial statements.

20) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

21) We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:

a) Management,

b) Employees who have significant roles in internal control, or

c) Others where the fraud could have a material effect on the financial statements.

22) We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

23) We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.

24) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.

25) We have disclosed to you the names of all of the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships and transactions, including any side agreements.

26) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.

27) We have no—

a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

b) Intentions to terminate the Plan.

28) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.

29) The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

30) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, result in a measure of fair value appropriate for financial measurement and disclosure purposes.

31) We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820*, Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

32) All required amendments to and filings of plan documents with the appropriate agencies have been made.

33) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust).

The Plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

34) The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

35) The Plan has complied with the fidelity bonding requirements of ERISA.

36) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

37) We have obtained the service auditor's report from our service organization. We have reviewed such report, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the years ended December 31, 2025 and 2024.

38) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

39) We acknowledge our responsibility for presenting the supplemental schedule, contained in the supplementary information section to the financial statements, in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the supplemental schedule is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedule have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.

40) In regard to the financial statement preparation services performed by you, we have—

a) Assumed all management responsibilities.

b) Designated Heather Toro, who has suitable skill, knowledge, or experience to oversee the services.

c) Evaluated the adequacy and results of the services performed.

d) Accepted responsibility for the results of the services.

ERISA Required Supplemental Schedule

41) We believe the form and content of the supplemental schedule is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
