FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

INDEPENDENT AUDITOR'S REPORT

Five Point Communities Management, Inc.
2000 FivePoint, 4th Floor
Irvine, California 92618

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Five Point 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

Five Point 401(k) Plan (the "Plan") is a defined contribution plan established to provide tax-deferred savings opportunities to eligible employees of Five Point Communities Management, Inc. (the "Company").

The Company is a wholly owned subsidiary of Five Point Operating Company, LP, a Delaware limited partnership ("Op Co"). Op Co is a subsidiary of Five Point Holdings, LLC ("Hold Co"), a Delaware limited liability company.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the Plan sponsor and Plan administrator. The Company has delegated the day-to-day administration of the Plan to an employee benefits committee.

Specific provisions of the Plan are contained in the Plan document, which governs the legal operations of the Plan.

A. Participation

Employees are eligible to participate in the Plan on the first day of the first pay period beginning on or after the date on which they are 18 years of age.

B. Benefits

Benefits under the Plan begin when a participant retires, becomes disabled, dies or ceases to be an employee, whichever applies. Normal retirement age is 65. Early retirement and hardship withdrawals are permitted. Early retirement is available upon attainment of age 55 and completion of 5 years of service. Hardship withdrawals are subject to Plan limitations, including a minimum withdrawal amount of $500 and a limit of one hardship withdrawal per plan year. Employees may continue making contributions following a hardship withdrawal. Company contributions and the related accumulated earnings may be withdrawn only upon one of the four above-listed occurrences.

C. Vesting

Participants hired before January 1, 2005 are immediately vested in all employee deferral contributions, Company matching contributions, rollovers and earnings thereon. For participants hired on or after January 1, 2005, Company matching contributions and related earnings are vested as follows:

Period of Service	Percentage Vested
Less than 1 year	0%
1, but less than 2 years	20%
2, but less than 3 years	40%
3, but less than 4 years	60%
4, but less than 5 years	80%
5 or more years	100%

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

D. Contributions

Participants may contribute to the Plan through salary reductions of an elected percentage of the participant's compensation, as defined in the Plan, up to the statutory maximum as defined by the Internal Revenue Code ("IRC").

The Company will match 50% of employee contributions of up to 6% of compensation, subject to certain IRC limitations. Company contributions are paid in cash. Company contributions may be suspended if it is deemed appropriate by the Company.

E. Rollovers

The Plan permits eligible rollover contributions from other qualified plans.

F. Participant Accounts

Participants select the investment funds in which their contributions are to be invested from the available funds of the Plan. Company contributions, when made, are invested proportionately in the same funds as the employee contributions. Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution, rollover contributions, the Company's matching contributions and allocations of investment earnings or losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from his or her vested account.

G. Notes Receivable from Participants

Participants may borrow from their account a minimum of $500, up to a maximum equal to the lesser of $50,000 or 50% of the vested account balance. General purpose loans must be repaid within five years and primary residence loans must be repaid in fifteen years. Interest rates are determined from time to time by the Company pursuant to written procedures. The interest rate on loans outstanding as of December 31, 2025 range from 4.75% to 10.00%.

H. Administrative Expenses

Most expenses incurred in the administration of the Plan are borne by the Company. Investment expenses are netted against returns credited to participants' accounts.

I. Forfeitures

Forfeitures of participants' non-vested account balances shall be used to pay Plan expenses or offset future Company contributions. In 2025, forfeitures totaled $91,156; $4,022 in prior year forfeitures was used to pay plan expenses and $255,428 was used to offset contributions. Forfeitures available for future use as of December 31, 2025 totaled $160,453, including earnings of $5,612. In 2024, forfeitures totaled $171,454; $0 in prior year forfeitures was used to pay plan expenses and $0 was used to offset contributions. Forfeitures available for future use as of December 31, 2024 totaled $323,135, including earnings of $6,770.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 – Inputs are quoted prices in an active market.

Level 2 – Inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments held at fair value based on the inputs used to value them:

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 36,423,047	$ -	$ -	$ 36,423,047
Total Assets in the Fair Value Hierarchy	$ 36,423,047	$ -	$ -	36,423,047
Investments Measured at Net Asset Value[A]				29,826,354
Investments, at Fair Value				$ 66,249,401

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 37,686,485	$ -	$ -	$ 37,686,485
Total Assets in the Fair Value Hierarchy	$ 37,686,485	$ -	$ -	37,686,485
Investments Measured at Net Asset Value[A]				27,453,194
Investments, at Fair Value				$ 65,139,679

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

[A] In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The net asset value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investment consists of mutual funds that are valued at quoted market prices. Pooled separate accounts and common/collective trusts are valued at net asset value or its equivalent as a practical expedient to estimate the fair value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares of the pooled separate accounts or common/collective trusts held by the Plan at December 31, 2025 and 2024.

Net appreciation of investments includes realized and unrealized gains and losses on investments sold or held during the year.

D. Risks and Uncertainties

Plan investments are exposed to various risks such as interest rate, credit and overall market volatility. Due to the level of risk associated with investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

NOTE 3 - INCOME TAX STATUS

The Plan has received a favorable tax determination letter dated February 8, 2017 from the Internal Revenue Service. The Plan has since been amended; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and Plan assets would be distributed based upon the participants' account balances at that time.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held as of December 31, 2025 and 2024 and investment income for the years then ended that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower and Empower Annuity Insurance Company, the trustees of the Plan.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan investments are funds issued by the trustees or their affiliates. Transactions related to these investments qualify as party in interest transactions; however, they are exempt from the prohibitions under ERISA.

NOTE 7 - PLAN AMENDMENTS

Effective October 15, 2025, the Plan was amended to eliminate the six-month suspension of participation previously applicable to participants receiving hardship withdrawals and to comply with the provisions of the SECURE Act 2.0.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 14, 2026, the date on which the financial statements were available to be issued. Except as noted below, there were no material subsequent events that required recognition or additional disclosures in these financial statements.

On July 31, 2025, Hold Co acquired a 75% controlling financial interest in Hearthstone Residential Holdings, LLC (“HRH”). Effective January 1, 2026, HRH employees who accepted offers of employment become full-time employees of the Company and were automatically enrolled in the Plan.
