INDEPENDENT AUDITORS' REPORT

To the Pension Committee and Participants of the Welfare Benefits Plan for Employees and Retirees of Continental - Rubber Trust, the CTNA Non-USW Hourly Retiree Health Care Trust and the Retirees of CTNA Health Care Trust - Base Benefit:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the combined financial statements of the Welfare Benefits Plan for Employees and Retirees of Continental - Rubber Trust, the CTNA Non-USW Hourly Retiree Health Care Trust and the Retirees of CTNA Health Care Trust - Base Benefit (collectively, the "Trusts"), employee benefit plan trusts subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The combined financial statements comprise the combined statements of net assets available for benefits as of December 31, 2025 and 2024, the related combined statements of changes in net assets available for benefits for the years then ended, and the related notes to the combined financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Trusts' combined financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Trusts ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the combined financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Combined Financial Statements section:

- The amounts and disclosures in the accompanying combined financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles in the United States of America ("GAAP").
- The information in the accompanying combined financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with generally accepted auditing standards in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Combined Financial Statements section of our report. We are required to be independent of the Trusts and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of the combined financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the combined financial statements.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trusts' ability to continue as a going concern for one year after the date that the combined financial statements are issued.

Management is also responsible for maintaining a current trust instrument, including all trust amendments, administering the Trusts, and determining that the Trusts' transactions that are presented and disclosed in the combined financial statements are in conformity with the Trusts' provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Combined Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trusts' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trusts' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the combined financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the combined financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules, consisting of the supplemental combining statement of net assets available for benefits, supplemental combining statement of changes in net assets available for benefits, schedule of assets (held at end of year), and schedule of reportable transactions as of and for the year ended December 31, 2025 (the "ERISA-required supplemental schedules"), are presented for purposes of additional analysis and are not a required part of the combined financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information included in the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the ERISA-required supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the ERISA-required supplemental schedules, we evaluated whether the ERISA-required supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the ERISA-required supplemental schedules, other than the information in the ERISA-required supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the ERISA-required supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with generally accepted auditing standards in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Combined Financial Statements section of our report. We are required to be independent of the Trusts and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of the combined financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the combined financial statements.

NOTES TO COMBINED FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024

1. TRUST DESCRIPTION

The following description of the Welfare Benefits Plan for Employees and Retirees of Continental - Rubber Trust (the "Rubber Trust"), the CTNA Non-USW Hourly Retiree Health Care Trust (the "Non-USW Trust") and the Retirees of CTNA Health Care Trust - Base Benefit (the "USW Trust") (collectively, the "Trusts") provides only general information. Participants should refer to the respective trust agreements for a more complete description of each trust's provisions.

Principles of Combination - The combined financial statements include the accounts of the three Voluntary Employee Beneficiary Association Trusts ("VEBA Trusts"): the Rubber Trust, the Non-USW Trust and the USW Trust. All significant intertrust transactions and balances have been eliminated in the combined financial statements.

General - In 2009, the Rubber Trust was established to accept proceeds received as a result of Continental Tire North America, Inc. (the "Employer" or "CTNA") entering into an insurance arrangement to provide benefits to participants in the Welfare Benefits Plan for Employees and Retirees of Continental - Rubber (the "Rubber Plan"). The funds held by the Rubber Trust are required to be used to fund benefits provided under the Rubber Plan or to pay administrative expenses related to the Rubber Plan.

In 2009, the Non-USW Trust was established pursuant to a settlement agreement to receive payments from CTNA to fund post-retirement medical benefits provided by the CTNA Base Retirement Health Benefit Plan ("Base Plan") for Non-USW participants. The Non-USW Trust includes two sub accounts, the Actuarial Gain Benefit Account and the Post-Settlement Date Account, to accept deposits, payments and transfers from CTNA. The Actuarial Gain Benefit Account is used to pay current benefits through December 31, 2028. The account will be funded by payments from CTNA based on annual actuarial estimates. The Post-Settlement Date Account is set-up to provide funding for benefits for participants and beneficiaries on and after January 1, 2029, the settlement date. The Post-Settlement Date Account is funded by annual payments from CTNA.

In 2009, the USW Trust was established pursuant to a settlement agreement between CTNA and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers Industrial Union ("USW") to fund post-retirement medical benefits provided to USW participants under the Base Plan. The account is funded by monthly and annual payments defined by the settlement agreement and annual actuarial estimates.

Effective January 1, 2011, the Rubber Plan was split into the Welfare Benefits Plan for Employees of Continental - Rubber (the "Employees Rubber Plan") for current employees and the Welfare Benefits Plan for Retirees of Continental - Rubber (the "Retirees Rubber Plan") for retired employees. As of December 31, 2025 and 2024, assets of both Plans were commingled in the Trusts.

Benefits - There is no guarantee that the assets in the Rubber Trust will be sufficient to pay any benefits to any person, pay administrative expenses or to make any other payments. Payments from the Rubber Trust will be made at the discretion of the Welfare Benefits Plan Committee. During the years ended December 31, 2025 and 2024, there have been no benefit payments out of the Rubber Trust. CTNA has processed and made all benefit payments required by the Base Plan from the general assets of the Employer.

The Base Plan provides benefits to Non-USW participants that include, but are not limited to hospital, surgical, medical prescription drug benefits and reductions in premiums. The retiree medical benefit is capped at $3,000 per participant per year. Eligible participants are Non-USW Hourly employees of CTNA who were actively employed as of February 28, 2006, who retired after October 1, 2009 and who met the Base Plan's eligibility requirements. During the years ended December 31, 2025 and 2024, the Employer processed and made all benefit payments required by the Base Plan from its general assets and therefore no benefit payments were made out of the Non-USW Trust.

The Base Plan provides benefits to USW participants that include, but are not limited to hospital, surgical, medical prescription drug benefits and reductions in premiums. The retiree medical benefit is capped at $3,000 per participant per year. Eligible participants are USW hourly employees of CTNA who were actively employed for at least ten years as of August 1, 2006. During the years ended December 31, 2025 and 2024, benefit payments were paid out of an operating account outside of the USW Trust.

Contributions - The Employer may make payments to the Rubber Trust from time to time to provide funding for the Employee Rubber Plan and the Retirees Rubber Plan. During the years ended December 31, 2025 and 2024, there were no contributions made to the Rubber Trust by the Employer. The Rubber Trust may also accept contributions from the participants if so permitted by the Rubber Plan documents. There were no participant contributions during the years ended December 31, 2025 and 2024.

During the years ended December 31, 2025 and 2024, no contributions were made to the Post-Settlement Date Account or the Actuarial Gain Benefit Account by the Employer. The required contributions are reassessed annually based on annual actuarial calculations.

For the years ended December 31, 2025 and 2024, the Employer made contributions to the USW Trust pursuant to the settlement agreement and actuarial estimates. For the years ended December 31, 2025 and 2024, those contributions totaled $6,768,401 and $6,856,023, respectively. The required contributions are reassessed annually based on annual actuarial calculations. As all active participants in the USW Trust are retirees, the contributions are held by the Retirees Rubber Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The combined financial statements have been prepared on the accrual basis of accounting.

Use of Accounting Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, including estimated health claims incurred but not reported and claims payable, and changes therein, and the disclosure of contingent assets and liabilities. Actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. See Note 4 for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Trusts' gains and losses on investments bought and sold as well as held during the year.

Claims and Benefit Payments - Claims and benefit payments are recorded when paid.

Administrative Expenses - The Trusts' expenses are paid either by the Trust or by the Employer, as provided in the trust agreements. Expenses that are paid directly by the Employer are excluded from the accompanying financial statements. Certain expenses incurred in connection with the general administration of the Trusts that are paid by the Trusts are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are reflected as a reduction of net appreciation in fair value of investments in the accompanying statements of changes in net assets available for benefits.

Subsequent Events - Management has evaluated subsequent events through October 14, 2026, the date the combined financial statements were available to be issued.

3. INFORMATION CERTIFIED BY TRUSTEES

The following is a summary of the Trusts' asset information as of December 31, 2025 and 2024, and for the years then ended, included in the combined financial statements and the ERISA-required supplemental schedules, that was prepared by, or derived from, information prepared by Charles Schwab Trust Bank and PNC Bank National Association, the Trustees of the Trusts, and furnished to management. Management has obtained certifications from the Trustees that such information is complete and accurate as of and for the years ended December 31, 2025 and 2024.

	2025	2024
Assets:		
Mutual funds	$ 108,931,858	$ 98,659,015
Collective trust funds	$ 27,057,911	$ 23,204,035
Interest-bearing cash	$ 2,523,499	$ 4,123,983
Accrued income	$ 5,538	$ 11,578
Income:		
Net appreciation in fair value of investments	$ 12,298,025	$ 8,987,877
Interest and dividend income	$ 4,282,138	$ 3,990,135

4. FAIR VALUE MEASUREMENTS

GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Trusts have the ability to access.

Level 2 — Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Trusts are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Trusts are deemed to be actively traded.

Collective trust funds: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Interest-bearing cash: Valued at the NAV of shares held by the Plan at year-end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although management believes the Trusts' valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Trusts' investments at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	$108,931,858	$ -	$ -	$108,931,858
Interest-bearing cash	2,523,499	-	-	2,523,499
Total investments in the fair value hierarchy	$111,455,357	$ -	$ -	111,455,357
Investments measured at NAV, as a practical expedient				27,057,911
Investments, at fair value				$138,513,268

The following table sets forth by level, within the fair value hierarchy, the Trusts' investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 98,659,015	$ -	$ -	$ 98,659,015
Interest-bearing cash	4,123,983	-	-	4,123,983
Total investments in the fair value hierarchy	$102,782,998	$ -	$ -	102,782,998

Fair Value of Investments in Entities that Use NAV as a Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as a practical expedient as of December 31, 2025 and 2024:

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust fund - International	$22,100,415	None	Daily	30 days
Collective trust fund - Mid/Small Cap	$4,957,496	None	Daily	30 days

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust fund - International	$18,339,020	None	Daily	30 days
Collective trust fund - Mid/Small Cap	$4,865,015	None	Daily	30 days

5. TRANSFERS

During the year ended December 31, 2025, $10,100,000 and $497,260 were transferred to the USW Trust to the Retirees of CTNA Health Care Trust and USW Trust to the Retirees of CTNA Health Care Trust - Post CTNA Settlement Date Trust, respectively, to pay participant benefits and administrative expenses as is required by the respective settlement agreements.

During the year ended December 31, 2024, $4,200,000 and $657,126 were transferred to the USW Trust to the Retirees of CTNA Health Care Trust and USW Trust to the Retirees of CTNA Health Care Trust - Post CTNA Settlement Date Trust, respectively, to pay participant benefits and administrative expenses as is required by the respective settlement agreements.

6. RELATED-PARTY TRANSACTIONS WITH PARTY IN INTEREST TRANSACTIONS

The investments of the Trusts are managed by the Trustees, and therefore, these transactions qualify as exempt party in interest transactions. Certain administrative fees related to the administration of the Trusts were paid by the Employer on behalf of the Trusts. These transactions qualify as exempt party in interest transactions.

7. TRUST TERMINATION

Although it has not expressed intent to do so, the Trusts may be terminated by the Welfare Benefit Plan Committee if in its sole discretion it determines the Trusts are no longer effective in serving its purposes or that the interest of the participants could be better served through an alternative arrangement.

Upon termination, the assets of the Trusts will be paid out at the direction of the Welfare Benefit Plan Committee in the following order of priority: payment of administrative expenses, payment of benefits to participants and beneficiaries entitled to claim payments for benefits prior to such termination and lastly at the discretion of the Welfare Benefits Committee in accordance with IRC Section 501(c)(9) and the Employee Retirement Income Security Act of 1974.

8. TAX STATUS

Each trust is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code (“IRC”), as a Voluntary Employees Beneficiary Association and accordingly, each trust is exempt from income tax. The Trusts have applied for an opinion from the Internal Revenue Service on an individual basis. The Non-USW Trust received a favorable determination letter dated September 15, 2011, the Rubber Trust received a favorable determination letter dated October 31, 2011 and USW Trust is awaiting a response. The Welfare Benefit Plan Committee believes the Trusts qualify and operate in accordance with the applicable provisions of the IRC.

GAAP requires the Trusts’ management to evaluate tax positions taken by the Trusts and recognize a tax liability if the Trusts have taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. Management has analyzed the tax positions taken by the Trusts, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements. The Trusts are subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax period in progress.

9. RISKS AND UNCERTAINTIES

The Trusts invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
