INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
HumanCo Assets LLC 401(k) Plan
Austin, TX

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of HumanCo Assets LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of HumanCo Assets LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HumanCo Assets LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HumanCo Assets LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HumanCo Assets LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HumanCo Assets LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the HumanCo Assets LLC 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) adopted on January 1, 2023. The Plan covers substantially all employees of HumanCo Assets LLC, Bliss Unlimited, LLC, and Against The Grains Gourmet Foods, LLC (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Empower Trust Company, LLC ("Empower") served as custodian and provided recordkeeping services to the plan until October 30, 2025. Effective September 30, 2025, Matrix Trust Company was appointed as the Plan's custodian and Human Interest Inc. was appointed as the Plan's recordkeeper and third part administrator. Empower continued to hold and manage the Plan's assets and serve as trustee and recordkeeper until October 30, 2025, at which time the Plan's assets were transferred to Matrix Trust Company. In connection with the transition, a blackout period commenced on October 23, 2025. The blackout period concluded on December 1, 2025, following completion of the transfer of participant accounts and assets to Matrix Trust Company.

The *Setting Every Community Up for Retirement Enhancement Act 2.0 of 2022* (SECURE Act 2.0), signed into law December 29, 2022, among other things, includes several required and optional provisions that will impact employee benefit plans and go into effect at various times through 2027. The provision that was required to be implemented during the year ended December 31, 2025 was that long-term part-time employees with 2-consecutive 12-month periods of at least 500 hours of service must be eligible to participate in the Plan. The optional provisions that could be implemented during the year ended December 31, 2025, are: 1) an increase of catch-up contributions ("super catch-up" provision), which allows Plan participants aged 60 to 63 to make larger catch-up contributions to the Plan equal to the greater of $10,000 or 150% of the standard catch-up limit ($11,250 for 2025) and 2) allow employers to treat student loan payments as elective deferrals for purpose of receiving matching contributions. The Plan has elected to adopt the "super catch-up" provision of the SECURE Act 2.0 during the 2025 plan year. The Plan will be amended for any provisions elected in accordance with applicable law and IRS guidance.

Effective September 30, 2025, the Plan was restated through the adoption of a pre-approved defined contribution plan sponsored by CCH Incorporated d/b/a FTWilliams.com. The restatement did not result in any significant changes to the Plan's provisions or participant benefits.

Eligibility

The Plan covers all employees, except for union employees, leased employees, non-resident aliens with no U.S. source income, interns and employees of the employer regularly scheduled to work fewer than 20 hours of service per week for all plan purposes (however, such employees will be eligible to participate in the Plan after completing a year of eligibility).

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Eligibility (Continued)

Covered employees are eligible to participate in the Plan upon attaining age 21 and completing 3 consecutive months of service. From January 1, 2025 to September 30, 2025, employees could enter the Plan on the first day of the month coinciding with or next following the date the eligibility requirements are met. Effective September 30, 2025, employees may enter the Plan immediately once the eligibility requirements are met.

Contributions

From January 1, 2025 to September 30, 2025, participants could contribute on a pre-tax or after-tax basis up to 75% of their annual eligible compensation, as defined in the Plan, subject to the statutory limitations established by the Internal Revenue Code (IRC). Effective September 30, 2025, participants may contribute on a pre-tax up to 90% and after-tax basis up to 75% of their annual eligible compensation, as defined in the Plan, subject to the statutory limitations established by the Internal Revenue Code (IRC). The after-tax “Roth” contributions are subject to federal income taxes in the year of deferral. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans referred to as rollover contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants.

The Company provides a safe harbor non-elective contribution for all eligible employees, equal to 3% of eligible compensation. The Company may also make matching or discretionary profit-sharing contributions. In order to share in the allocation of employer matching contribution or discretionary profit-sharing contributions, a participant is required to complete 1,000 hours and be actively employed on the last day of the Plan year. During the years ended December 31, 2025 and 2024, the Company made safe harbor non-elective contributions to the Plan totaling $226,223 and $212,640 (net of forfeitures), respectively. The Company did not make any matching or discretionary profit-sharing contributions to the Plan in 2025 and 2024.

Participant Accounts

Each participant’s account is participant-directed and is credited with the participant’s contributions and allocations of the Company’s contributions, investment earnings and losses and any administrative expenses paid by the Plan. Allocations are based on participant investments held, account balances, or specific participant transactions, as defined. Plan participants have daily access to their account via phone or internet and may change the allocation of their investments to any of the investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their elective deferrals, rollovers, and the Company's safe harbor non-elective contributions, plus actual earnings thereon. Vesting in the employer matching and discretionary profit-sharing contributions is based on years of continuous service. After two years of service, a participant becomes 20% vested and the vesting percentage increases by 20% each year until the participant becomes fully vested in his or her account after six years of service. A participant will also become fully vested upon attainment of normal retirement age, upon retirement due to disability, upon death, or upon termination of the Plan.

Notes Receivable from Participants

Participants in the Plan may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their eligible account balance, reduced by any outstanding note balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. The maximum duration of a loan is not to exceed five years, except in cases where funds are used to purchase a principal residence. Participants are permitted to have only one loan outstanding at any time. Principal and interest are paid ratably through payroll deductions. The interest rate on outstanding loans ranged from 5.00% to 9.50% at December 31, 2025 and 2024.

Payment of Benefits

Upon termination of service due to retirement, death, full and permanent disability or attaining age 65, participants may elect to receive either a lump-sum amount equal to the value of their account, a direct rollover into a qualified retirement plan, or a combination of the two. For termination of service due to other reasons, participants may receive their benefits in the form of a distribution equal to the value of the vested interest in their account. The Plan allows in-service withdrawals at age 59½ and hardship withdrawals under certain circumstances, as defined in the Plan document. Withdrawals from rollover contributions are permitted at any time. The Plan also provides for automatic cash-out and/or rollover distributions into an individual retirement account for terminated participants whose balance does not exceed certain limits as prescribed by the Plan document and IRC.

Forfeitures

Forfeitures of nonvested balances of terminated participants may be used to pay plan administrative expenses or reduce employer contributions to the plan. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $-0- and $1,216. In 2025 and 2024, the Plan used $-0- and $4,931, respectively, to pay administrative expenses and $1,585 and $56,095, respectively, to reduce employer safe harbor nonelective contributions to the plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for FBRIC, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Contributions

Contributions from Plan participants and the associated Company contributions are recorded in the year in which the employee contributions are withheld from compensation.

Corrective Distributions Payable

Corrective distributions payable generally represent the distribution of certain assets to employees in order for the Plan to comply with ERISA nondiscrimination rules. Amounts payable to participants totaling $-0- and $28,118 as of December 31, 2025 and 2024, respectively for contributions in excess of amounts allowed by the IRS, are reflected as a liability in the accompanying financial statements. The excess contributions were refunded to the affected participants after year-end.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Benefit Payments

Benefits payments are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Plan is not required to reimburse the Company for expenses the Company pays on the Plan's behalf. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees related to the administration of distributions are charged directly to the participant's account and are included in administrative expenses.

The Plan has a revenue sharing agreement with the Plan custodian. If the custodian receives fund compensation above a certain amount, this excess compensation is made available to the Plan to offset expenses. During the years ended December 31, 2025 and 2024, Plan expenses totaling $10,937 and $9,030, respectively, were paid from revenue sharing funds.

NOTE 3 - CERTIFIED INFORMATION

Certain information related to investments held disclosed in the accompanying financial statements and ERISA-required supplemental schedule as of December 31, 2025 and 2024, and net appreciation in fair value of investments, and interest and dividends, for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA as follows:

- by Empower Trust Company, LLC, the custodian of the Plan as of October 30, 2025 and December 31, 2024 and for the period and year, respectively, then ended; and

- by Matrix Trust Company, the custodian of the Plan as of December 31, 2025 and for the period of September 30, 2025 through December 31, 2025.

- Notes receivable from participants as of October 30, 2025 and December 31, 2024, and interest income on notes receivable from participants for the period and year, respectively, then ended, are certified by Empower Trust Company, LLC.

- Notes receivable from participants as of December 31, 2025 and the related interest income on notes receivable from participants for the period October 1, 2025 through December 31, 2025, are not certified.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025.

Mutual Funds

Mutual funds represent investments with various investment managers. The mutual funds are valued at the daily closing net asset value (NAV) as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission and are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust (CCT)

The common collective trust (CCT) is operated and maintained by Federated Investors Trust Company. The CCT invests in stable value products, money market instruments, and guaranteed investment contracts, including fully benefit responsive investment contracts at contract value. The fair value of the Plan participation units in the CCT is based on the NAV of the CCT determined as the market value of the underlying investments, which is not publicly quoted but is available to current investors via the plan custodian website or when plan participants access their account values. Valuation occurs daily, and dividends are declared daily and paid monthly. Participant transactions (purchases and sales) may occur daily. The NAV is the basis for current transactions and the CCT can be redeemed at NAV as of the measurement date. Therefore, the CCT is considered to have a readily determinable fair value. If the Plan initiates a full redemption of the CCT, the issuer requires twelve months' advance written notice.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
December 31, 2025				
Mutual Funds	$ 4,449,315	$ -	$ -	$ 4,449,315

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

December 31, 2024	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 4,469,642	$ -	$ -	$ 4,469,642
Common Collective Trust	-	27,340	-	27,340
Total	$ 4,469,642	$ 27,340	$ -	$ 4,496,982

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 7 - TAX STATUS

The Plan has adopted a pre-approved prototype profit-sharing plan sponsored by CCH Incorporated, dba ftwiilliam.com. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The plan is subject to routine audits by taxing jurisdictions for the statutory period; however, there are currently no audits for any tax periods in progress.

NOTE 8 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's assets include investments in funds managed by the Plan custodians - Empower and Matrix Trust, or their subsidiaries and affiliates.

NOTE 8 - TRANSACTIONS WITH PARTIES-IN-INTEREST (Continued)

The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. Participants pay loan and distribution processing fees to Empower. The Plan also received revenue-sharing credits from Empower and pays fees to Empower and Matrix Trust and other service providers for recordkeeping, custodial, and other services related to Plan operations and investment activities. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the plan. There were no financial transactions recorded between the Company and the Plan other than contributions made. These transactions are party-in-interest transactions that are exempt from the prohibited transaction rules of ERISA.

NOTE 9 - LATE REMITTANCES

During the year ended December 31, 2025, the Company failed to remit participant contributions and participant loan repayments totaling $60, within the time frame required by the U.S. Department of Labor. Such delinquent remittances constitute nonexempt party-in-interest transactions. The Plan sponsor is in the process of correcting the delinquent remittances by calculating the related lost earnings and, upon completion of the calculations, will contribute the lost earnings to the Plan for allocation to the accounts of the affected participants.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to Schedule H of Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 4,933,360	$ 4,618,662
Add: Excess contributions payable	-	28,118
Net assets available for benefits per Schedule H of Form 5500	$ 4,933,360	$ 4,646,780

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2025, to Schedule H of Form 5500:

Benefits paid to participants per the financial statements	$ 1,356,652
Add: Change in excess contributions payable	28,118
Benefits paid per Schedule H of Form 5500	$ 1,384,770

NOTE 11 - SUBSEQUENT EVENTS

Effective June 4, 2026, the Plan was amended to include an auto-enrollment provision whereby all eligible employees are auto-enrolled in the Plan with a default deferral rate set at 3% of eligible compensation unless they affirmatively elect not to participate. The automatic enrollment deferral percentage will increase by 1% until the maximum automatic enrollment deferral percentage reaches 10%.

Subsequent events have been evaluated through October 14, 2026, which is the date the financial statements are available to be issued.
