INDEPENDENT AUDITOR'S REPORT

Individual Trustees and Participating Employees
A&E Health & Welfare Trust

Opinion

We have audited the financial statements of A&E Health & Welfare Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2025 (in liquidation) and 2024 (ongoing), the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the years ended December 31, 2025 (in liquidation) and 2024 (ongoing), and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of A&E Health & Welfare Trust as of December 31, 2025 (in liquidation) and 2024 (ongoing), and the changes in its net assets available for benefits and plan benefit obligations for the years ended December 31, 2025 (in liquidation) and 2024 (ongoing), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of A&E Health & Welfare Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Terminating Trust and Liquidation Basis of Accounting

As further discussed in Note F to the financial statements, the Individual Trustees of the A&E Health & Welfare Trust voted to terminate the trust, effective December 31, 2025. In accordance with accounting principles generally accepted in the United States of America, the trust has changed its basis of accounting from the ongoing basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

WE VALUE YOUR FUTURE

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about A&E Health & Welfare Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of A&E Health & Welfare Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about A&E Health & Welfare Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Emphasis of Matter

As discussed in Note H to the financial statements, the financial statements for the year ended December 31, 2024 have been restated due to the correction of an error. Our opinion is not modified with respect to this matter.

NOTE A: DESCRIPTION OF THE TRUST

The following description of the A&E Health & Welfare Trust (the "Trust") provides only general information. Participating employers should refer to the Trust Agreement (the "Agreement") for a complete description of the Trust's provisions.

General

The A&E Health & Welfare Trust is a multiple employer welfare arrangement as defined in Section 3(40) of the Employee Retirement Income Security Act of 1974 (ERISA). The Trust was established in September 2020 as a group purchasing organization through which unrelated participating employers purchase certain health insurance benefits which they make available to eligible individuals. The Trust established a Group Insurance Trust to collect premiums from members and remit payments to insurers. The Trust holds the policies under which benefits are administered and paid; and serves as a conduit for the payment of premiums to insurers. The Trust does not sponsor a group health plan and is not the sponsor of any participating employer plan. The Trust began operations on January 1, 2021. See Note F.

Each participating employer sponsors a fully-insured group health insurance plan for the benefit of its eligible employees, former employees, and their dependents. Each participating employer serves as the administrator with respect to its own plan including eligibility determinations and enrollment, and the type and amount of benefits to which participants are entitled.

To be eligible for admission as a participating employer, an employer must be an A/E firm (architecture/engineering) and meet certain requirements as defined in the Agreement, including executing a membership agreement.

Participating employer contributions to the Trust

Premium payments

Each participating employer contributes to the Trust the premiums established by the insurer for medical, dental, and prescription coverage provided to individuals enrolled by the participating employers for coverage under the insurance policy, as defined. Upon receipt by the Trust, and as soon as administratively practicable, premiums established by the insurer on behalf of the participating employer are paid to the insurance provider. Broker commissions are included with the respective monthly premiums.

Advance deposits

Effective January 1, 2022, the Trust entered into a minimum premium rider with the insurance carrier for medical coverage. A premium equivalent amount required by the insurance carrier under the insurance contract is deposited in advance, which can be applied against possible future losses in excess of current premiums. These deposits have been included as an asset of the Trust until such amounts are used to pay claims. Any premium equivalent surplus or deficit is carried forward to the next coverage year under the insurance contract.

Member assessments

Each participating employer contributes to the Trust such other amounts for the payment of expenses of administering the affairs of the Trust and determined by the Trustees.

NOTE A: DESCRIPTION OF THE TRUST, Cont'd

Benefits under the Trust

The Trust serves as a conduit for payment policy premiums. The medical, dental, and prescription insurance coverage available to eligible employees of the participating employers is provided on a fully-insured basis pursuant to a group health insurance contract issued by Excellus BlueCross BlueShield subject to the experience-rated contract described below.

The Trust also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The 2025 financial statements of the Trust have been prepared under the liquidation basis. This basis was adopted when liquidation was deemed imminent in accordance with Accounting Standards Update ("ASU") 2013-07, Liquidation Basis of Accounting. Trust management determined that liquidation was imminent upon adoption of the resolution to terminate the Trust effective December 31, 2025. The 2024 financial statements of the Trust have been prepared on the accrual basis of accounting.

Cash

The Trust maintains its cash in a financial institution located in New York which is insured by the Federal Deposit Insurance Corporation up to $250,000. The cash account balance at any given time may exceed insured limits. However, the Trust has not experienced any losses in such account and does not believe it is exposed to significant risk in cash.

Pharmacy rebates

The Trust receives rebates from certain pharmacy companies for certain prescriptions. These rebates are accumulated each quarter and credited to the Trust towards future pharmacy claims. Rebates due as of the financial statement date have been reported as a receivable on the accompanying statements of net assets available for benefits. Pharmacy rebates recognized during the years ended December 31, 2025 (in liquidation) and 2024 (ongoing) totaled $2,105,459 and $1,543,128, respectively, and are reflected as additions in the accompanying statements of changes in net assets available for benefits.

Administrative expenses

Expenses incurred in connection with the general administration of the Trust are paid by the Trust and are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates and assumptions.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

Stop Loss Coverage

Effective January 1, 2022, the Plan entered into stop-loss insurance arrangements in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). Premiums for stop loss insurance are included in premiums on the accompanying statements of changes in net assets available for benefits. Reimbursements due as of the financial statement date have been reported as a receivable on the accompanying statements of net assets available for benefits. Stop loss reimbursements recognized during the years ended December 31, 2025 (in liquidation) and 2024 (ongoing) totaled $1,102,505 and $1,220,665, respectively, and are reflected as additions in the accompanying statements of changes in net assets available for benefits.

Experience-rated Contracts

Effective January 1, 2022, certain insurance contracts are subject to experience-rating adjustments. Experience ratings, calculated as the difference between premiums paid and the total of claims paid and fees charged by the insurance company, are determined by the insurance company in the following year and may result in a premium surplus or deficit.

Subsequent events

The Trust has conducted an evaluation of potential subsequent events occurring after the statement of net assets available for benefits date through October 8, 2026**,** which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

NOTE C: BENEFIT OBLIGATIONS

The Plan's benefit obligations exceeded its net assets at December 31, 2025 (in liquidation) and 2024 (ongoing), primarily due to claims payable and claims incurred but not paid. It is expected that the deficiency will be funded through additional contributions made by the participating employers in accordance with their membership agreements.

NOTE D: TAX STATUS

The Individual Trustees believe the Trust is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Trust management to evaluate tax positions taken by the Trust and recognize a tax liability if the Trust has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other applicable taxing authorities. The Trust is subject to routine audits by tax jurisdictions; however, there are currently no audits in progress.

NOTE E: RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

The Trust allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Trust. As described in Note B, the Trust paid certain expenses related to trust operations to various service providers. These transactions qualify as party-in-interest transactions. Each participating employer must appoint one Individual Trustee and one alternate Individual Trustee, who are responsible for administering the Trust in accordance with the terms of the Agreement and perform administrative services at no cost to the Trust.

NOTE F: TRUST TERMINATION

The Trust may be terminated with the approval of all of the Individual Trustees, as defined in the Trust Agreement. A participating employer may withdraw and terminate its participation in the Trust pursuant to the conditions prescribed in the Trust Agreement.

During 2025, the Individual Trustees approved the termination of the A&E Health & Welfare Trust, effective December 31, 2025. Accordingly, the financial statements have been prepared using the liquidation basis of accounting, which reflects the estimated amounts of assets and benefit obligations. The Trust will continue to operate solely for the purpose of processing and paying claims incurred prior to December 31, 2025 and satisfying and remaining obligations, with a claims run-out period through December 31, 2026. No replacement trust has been established. The termination was authorized by the Individual Trustees, and all required notifications to regulatory agencies have been completed.

NOTE G: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Claims that have been processed and approved for payment at year end, but not paid and claims incurred but not reported, are not considered liabilities under generally accepted accounting principles and are not presented as liabilities or claims paid in the accompanying financial statements, but are recorded on the Form 5500 as a liability.

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to Form 5500:

	December 31,	
	2025	2024
	(In Liquidation)	(Ongoing) (As Restated)
Net assets available for benefits presented in the financial statements	$ 2,790,596	$ 1,505,485
Benefit obligations currently payable (medical and prescription claims)	6,633,448	5,637,052
Net assets available for benefits presented on Schedule H of Form 5500	$ (3,842,852)	$ (4,131,567)

NOTE G: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500, Cont'd

The following is a reconciliation of benefits paid per the financial statements for the years ended December 31, 2025 and 2024 to Form 5500:

	December 31,	
	2025	2024
	(In Liquidation)	(Ongoing) (As Restated)
Benefits paid (premiums and claims) presented in the financial statements	$ 28,261,309	$ 21,994,667
Add: Amounts currently payable at end of year	6,633,448	5,637,052
Less: Amounts currently payable at end of prior year	(5,637,052)	(3,642,816)
Benefits paid presented on Schedule H of Form 5500	$ 29,257,705	$ 23,988,903

NOTE H: RESTATEMENT

The Trust's audited financial statements as of December 31, 2024 (on going) and for the year then ended has been restated to correct an error in the calculation of plan benefit obligations and claims paid. The Plan receives stop-loss insurance reimbursements and pharmacy rebates that, in certain instances, are applied directly by third parties to satisfy outstanding claim liabilities rather than being received as cash. These non-cash settlements represent satisfaction of claim obligations and they should have been included in claims paid for purposes of measuring changes in plan benefit obligations. As a result, claims paid were understated and the plan benefit obligations was overstated in the previously issued financial statements. The restatement had no effect on the statements of net assets available for benefits or statements of changes in net assets available for benefits previously reported.

	As previously reported	Restatement adjustments	As restated
Benefit obligations at beginning of year	$ 4,958,848	$ (1,316,032)	$ 3,642,816
Claims paid	(15,626,298)	(2,763,793)	(18,390,091)
Benefit obligations at end of year	9,716,877	(4,079,825)	5,637,052
