Report of Independent Auditors

To the Administrator of The Cigna Group Life, Disability and Reimbursement Account Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying 2025 financial statements of The Cigna Group Life, Disability and Reimbursement Account Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The 2025 financial statements comprise the statements of net assets available for benefits and of plan's benefit obligations as of December 31, 2025, and the related statements of changes in net assets available for benefits and of changes in plan's benefit obligations for the year then ended, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and for the year then ended, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2025 financial statements.

Other Matter – 2024 Financial Statements

We have audited the 2024 financial statements of the Plan, which comprise the statements of net assets available for benefits and of plan's benefit obligations as of December 31, 2024 and the related statements of changes in net assets available for benefits and of changes in plan's benefit obligations for the year then ended (not presented herein, other than the statements of net assets available for benefits and of plan's benefit obligations), and in our report dated October 23, 2025, we expressed an unmodified opinion on those financial statements and included a paragraph regarding the 2024 supplemental schedules being fairly stated in relation to the financial statements as a whole.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood

that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2025 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

Form 5500 Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 and Form 5500 Schedule H, line 4j - Schedule of Reportable Transactions for the year ended December 31, 2025 ("supplemental schedules"), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The accompanying Notes to the Financial Statements are an integral part of these statements.

Note 1 – Description of the Plan

The following description provides general information about The Cigna Group Life, Disability and Reimbursement Account Plan ("Plan"). Participants should refer to the Summary Plan Descriptions provided by The Cigna Group (“Cigna" or "Company”) for more complete information about the benefits provided by the Plan. The Cigna Benefit Plans Trust ("Trust") funds certain benefits provided under the Plan. The Trust is a Voluntary Employees’ Beneficiary Association (“VEBA”) under Internal Revenue Code Section 501(c)(9). Bank of America, N.A. ("Trustee") is Trustee for the Trust. The Cigna Reimbursement Account (“Reimbursement Account”) funds health care flexible spending account (“FSA”) and dependent care flexible spending account (“DCFSA”) reimbursements under the Plan.

General

The Plan provides for certain life, statutory disability and accidental death and dismemberment insurance benefits to eligible active domestic employees of Cigna and its subsidiaries, their dependents and designated beneficiaries, as well as certain life insurance benefits to eligible retirees.

FSAs and DCFSAs for eligible Cigna employees (and COBRA recipients, as applicable) are also a component of the Plan. Bank of America, N.A. holds deposits and makes payments under both Cigna’s FSA and DCFSA arrangements through the Reimbursement Account, which allow participants to make pre-tax deposits into the account(s) and be reimbursed from the account(s) for eligible medical, dental, vision or dependent care claims paid by the participants, as applicable.

Plan Administration

The Plan Administrator for the Plan is The Cigna Group Health and Welfare Committee (“Committee”). The Committee members are comprised of certain Cigna employees. The Committee (or its delegate) also has responsibility for the Plan’s financial management.

Benefits

The Plan provides participants with the following benefits:

- Basic Life Insurance
- Supplemental Life Insurance
- Dependent Life Insurance (including spousal and domestic partners)
- Statutory Disability Insurance (offered in Hawaii, New York and New Jersey)
- Plan IV Life Insurance (Term Life)
- Basic Retiree Life Insurance
- Business Travel Accident Insurance
- Accidental Death & Dismemberment Insurance
- Supplemental Accidental Death & Dismemberment Insurance
- Health Care Flexible Spending Account (a flexible spending account)
- Dependent Care Flexible Spending Account (a flexible spending account)

The benefit programs provided through this Plan, except the DCFSA and the statutory disability benefits, are subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan obtained fully-insured benefits through Securian Life Insurance Company (“Securian”), as of January 1, 2023, covering all life, business travel accident, and accidental death & dismemberment for eligible active and retired employees. The Plan has fully-insured benefits for statutory disability benefits through Metropolitan Life Insurance Company ("Met Life") since July 1,2024. Prior to that, these benefits had been provided by subsidiaries of New York Life.

Life insurance available to retirees includes basic life insurance, survivor life insurance, supplemental life insurance, transition life insurance, EQUICOR retiree and survivor life insurance, and Plan IV life insurance. Coverage under each policy varies based on age, eligibility, date of retirement and earnings at retirement. Retirees did not make any contributions to the retiree basic life insurance coverage or the Plan IV life insurance coverage in 2025. The Plan's retiree supplemental life insurance is only available to eligible retirees who retired before July 1, 1993 and those retirees did not fund any of the estimated cost of supplemental life insurance in 2025.

Contributions

Employee contributions are deducted from payroll bi-weekly, in amounts based upon the various benefit provisions and related coverage elected by the employees and funded to the Trust or Reimbursement Account, as applicable. Such contributions are made pursuant to a Code Section 125 (or cafeteria) plan and are used to pay benefits and expenses of the Plan. Cigna makes contributions for certain Plan benefits that are either funded to the Trust or the Reimbursement Account or paid directly from its general assets. Employer contributions are generally funded monthly at the direction and discretion of the Plan Sponsor.

If a participant elected to contribute to a HCFSA or DCFSA during a plan year, but did not utilize the (i) entire amount contributed for a DCFSA or (ii) amount above the IRS designated rollover amount for the plan year, the amount remaining in the participant’s applicable account is forfeited as of the end of the run-out period for the applicable plan year. During the year ended December 31, 2025, forfeited amounts reduced employer contributions by approximately $1.6 million.

General Administrative Services

The cost of administrative services is borne by Cigna.

Termination

Although it has not expressed any intention to do so, Cigna may terminate the Plan, in whole or in part, at any time. In the event of termination, employer and employee contributions for any future benefit payments shall cease, and Cigna shall make additional contributions, if any, that may be required for the payment of benefits with respect to claims incurred prior to Plan termination and related expenses. The Trust agreement provides that upon termination, any remaining assets would be used for payment of benefits to employees with respect to claims arising prior to termination, payment of outstanding premiums payable, payment of reasonable and necessary expenses incurred in such termination and payment of taxes.

Note 2 - Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP). Amounts recorded in the financial statements reflect management's estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Significant estimates are discussed throughout these Notes. Actual results could differ from those estimates and such differences could be material.

Valuation of Investments and Income Recognition

Investments are reported at fair value. See Note 3 for discussion of fair value measurement. Purchases and sales of securities are recorded on a trade date basis. Interest income is accrued daily.

Insurance Premiums

As noted in Note 1, fully insured coverage related to all life, business travel accident, and accidental death & dismemberment is provided by Securian as of January 1, 2023. Premiums for basic coverage are paid by the Plan, but all the claim risk is borne by the insurer, Securian. Premiums for supplemental coverage are paid by the participant.

Benefits Paid - Flexible Spending Accounts

Benefits paid represents claim reimbursements to participants from their FSA and DCFSAs for medical, vision and dental costs not covered by the participants' health care plans or for childcare and other dependent care costs, respectively. Such benefits are recorded when paid. Funds from the DCFSAs remaining at the end of the plan year's claim period, which generally is three months after December 31, are generally forfeited and revert back to the employer. The asset accumulation in the Reimbursement Account primarily represents forfeited FSA and DCFSA money accumulated year over year, as well as earned interest.

Claims currently payable, presented in the Statements of Plan's Benefit Obligations, represent the amount of incurred claims for the Plan year not processed and paid at the end of the year.

Postretirement Benefits

The postretirement benefit obligations for life insurance represent the actuarial present value of those insured future benefits expected to be paid to beneficiaries upon the death of (1) eligible retirees and (2) currently active employees expected to retire and receive benefits. The actuarial present value of the expected postretirement benefit obligations was prepared by the Plan's actuary. The amounts are actuarially determined based upon assumed rates of turnover, retirement, discount rate, mortality, earnings and coverage.

The following were the significant actuarial assumptions used in the valuations December 31, 2025 and 2024.

Mortality basis	Pri-2012 Total Dataset Headcount Weighted Mortality Table projected with Scale MP 2021 for 2025 and 2024
Retirement age	55-75 in 2025 and 55-74 in 2024
Discount Rate	5.19% as of December 31, 2025 and 5.50% as of December 31, 2024

The foregoing assumptions are based on the presumption that the Plan will continue. If the Plan were to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligations.

The postretirement benefit obligations exceeded the net assets available for benefits at December 31, 2025 and 2024. Insurance premiums for future years with respect to the unfunded postretirement benefit obligations will be funded primarily by contributions made by Cigna to the Trust in future years.

Note 3 - Fair Value Measurements

The Plan carries financial instruments at fair value in the financial statements. Fair value is defined as the price at which an asset could be exchanged in an orderly transaction between market participants at the statement of net assets available for benefits date.

Fair values are based on quoted market prices when available. When market prices are not available, fair value is generally estimated using discounted cash flow analyses, incorporating current market inputs for similar financial instruments with comparable terms and credit quality. In instances where there is little or no market activity for the same or similar instruments, fair value is estimated using methods, models and assumptions that the Plan believes a hypothetical market participant would use to determine a current transaction price. These valuation techniques involve some level of estimation and judgment by the Plan, which becomes significant with increasingly complex instruments or pricing models.

The Plan's financial assets carried at fair value have been classified based upon a hierarchy defined by GAAP. The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest ranking to fair values determined using methodologies and models with significant unobservable inputs (Level 3). An asset's classification is based on the lowest level input that is significant to its measurement. For example, a financial asset carried at fair value would be classified in Level 3 if unobservable inputs were significant to the instrument's fair value even though the measurement may be derived using inputs that are both observable (Levels 1 and 2) and unobservable (Level 3).

Financial Assets Carried at Fair Value

The following table provides information as of December 31, 2025 and 2024 about the Plan's financial assets carried at fair value.

2025	Significant Other Observable Inputs	
	Level 2	**Total**
Financial assets at fair value:		
Short-term investments	$ 19,741,755	$ 19,741,755
Total financial assets at fair value	$ 19,741,755	$ 19,741,755

2024	Significant Other Observable Inputs	
	Level 2	**Total**
Financial assets at fair value:		
Short-term investments	$ 20,828,115	$ 20,828,115
Total financial assets at fair value	$ 20,828,115	$ 20,828,115

Level 2 Financial Assets

Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market interest rates and volatilities, spreads and yield curves. An instrument is classified in Level 2 if the Plan determines that unobservable inputs are insignificant.

Level 2 assets consist of short-term investments in an institutional money market mutual fund investment that is priced daily using the unadjusted NAV as of the reporting date, which is the basis for current transactions.

There were no Level 1 or Level 3 investments held by the Plan as of December 31, 2025 or 2024.

Note 4 – Tax Status

The Trust that funds certain Plan benefits is intended to be tax qualified pursuant to Section 501(c)(9) of the Internal Revenue Code as a VEBA. The Trust received a favorable determination letter dated October 29, 1984 from the Internal Revenue Service ("IRS"). Management believes that no transaction, plan alteration or other action has been undertaken since issuance of this IRS determination which compromises the Trust's exempt status. Accordingly, no provision has been made for federal income taxes in the accompanying financial statements. The Trust may be subject to IRS audit but there is no such audit currently in progress, nor has there been one in the recent past. Tax years that remain open and subject to an audit based on IRS general procedures are 2022 to 2025.

GAAP requires the Plan's management to evaluate tax positions taken by the Company with respect to the Trust and recognize a tax liability (or asset) if the Trust has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2025 and 2024, there were no uncertain positions taken that had any effect on the Plan's financial statements with respect to the tax-exempt status of the Trust or otherwise or that required disclosure.

Note 5 – Related Party Transactions

Cigna, as Plan Sponsor, pays an ASO fee to Cigna Health and Life Insurance Company (CHLIC) (a subsidiary of Cigna) for the FSA.

Note 6 – Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 7 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500.

	As of December 31,	
	2025	2024
Net Assets available for benefits per the Statements of Net Assets Available for Benefits	$ 21,710,216	$ 23,768,461
Amounts due to insurance company and claims payable (a)	(3,677,902)	(5,182,377)
Net Assets available for benefits per the Form 5500	$ 18,032,314	$ 18,586,084

[a] Amounts due to insurance company and claims payable are reported in the Statements of Plan's Benefit Obligations.

The following is a reconciliation of insurance premiums paid per the financial statements to the Form 5500.

	For the Year Ended December 31, 2025
Insurance premiums paid per the Statement of Changes in Net Assets Available for Benefits	$ 31,293,249
Add: Amounts due to insurance company at December 31, 2025 (a)	2,371,490
Less: Amounts due to insurance company at December 31, 2024 (a)	(3,928,915)
Payments to insurance carriers for the provision of benefits per the Form 5500	$ 29,735,824

(a) Amounts due to insurance companies are reported in the Statements of Plan's Benefit Obligations.

	For the Year Ended December 31, 2025
Benefits paid per the Statement of Changes in Net Assets Available for Benefits	$ 11,584,902
Add: Claims payable at December 31, 2025 (a)	1,306,412
Less: Claims payable at December 31, 2024 (a)	(1,253,462)
Benefits paid per the Form 5500	$ 11,637,852

(a) Claims payable are reported in the Statements of Plan's Benefit Obligations.

Amounts due to insurance company and claims payable are recorded on the Form 5500 for insurance premiums and claims that have been processed and approved for payment prior to December 31 but not yet paid as of that date.

Note 8 – Certified Investment Information

Information in the accompanying financial statements and ERISA-required supplemental schedules related to investments at fair value and accrued interest income at December 31, 2025, and investment income for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Bank of America, N.A., a qualified institution.

Note 9 – Amendments

Effective in 2025, the Plan implemented a new benefit coverage for newborn life insurance. Also effective in 2025, Cigna clarified that forfeited DCFSA funds revert to the employer to the extent legally compliant, and FSA forfeited funds would be applied toward the payment of premiums for Plan benefits. FSA and DCFSA maximum limits were increased to the highest amount allowed under applicable law.

Note 10 – Subsequent Events

Effective January 1, 2026, the state statutory benefits were removed from the Plan. Effective May 1, 2026, the FSA and DCFSA were removed from the Plan and incorporated into The Cigna Group Health, STD/LTD, and Certain Voluntary Benefits Plan (“Wrap Plan”). Eligible claims for reimbursement that relate to services provided prior to May 1, 2026 are reimbursable from the Reimbursement Account and are administered and evaluated under the Life, Disability and

Reimbursement Account Plan. Claims for reimbursement that relate to services provided on and after May 1, 2026 are administered and evaluated under the Wrap Plan and are paid from Cigna's general assets. Subsequent events have been evaluated through October 14, 2026.
