**INDEPENDENT AUDITOR'S REPORT**

Tower Loan of Mississippi, LLC Employee Benefit Plan
Flowood, Mississippi

**Opinion**

We have audited the accompanying financial statements of Tower Loan of Mississippi, LLC Employee Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

DRAFT

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Eligibility***

The Plan includes all full-time employees of the Company. Employees are eligible to participate in the Plan upon completion of 60 calendar days of regular employment in a covered position.

***Funding Policy***

Funding is provided by contributions from the Company and by participating employees. The Company matches the employees' medical premium contribution and contributes 100% of the life insurance, long-term disability insurance, and reinsurance premiums. Funding for dental, vision and short-term disability premiums are paid 100% by participating employees.

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions set forth in ERISA.

***Claims***

The Plan is partially self-insured, with reinsurance to cover the excess over certain specific and aggregate stop-loss limitations. Estimated claims incurred but not reported are based on historical data. Claims in excess of amounts contributed by participating employees and the Employer, if any, are paid by the Company.

Claims are stated net of amounts recovered and recoverable from reinsurance arrangements which approximated $0 in 2025 and $132,453 in 2024. Reinsurance receivable was due to the Plan in the amount of $0 and $132,453 as of December 31, 2025 and 2024, respectively.

**Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

***Use of Estimates***

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Payment of Benefits***

Benefits are recorded upon distribution.

***Administrative Expenses***

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

***Risks and Uncertainties***

Plan contributions are made and the actuarially determined present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Claims incurred prior to December 31, 2025 and 2024, but paid in the subsequent year (in 2025 and 2024, respectively) were more (less) than the liability provided as of December 31, 2025 and 2024 by approximately $0 and $77,000, respectively, and have been adjusted through the subsequent year statement of net assets available for benefits and the subsequent year statement of changes in benefit obligations.

***Subsequent Events***

Management has evaluated subsequent events through the date that the financial statements were available to be issued, October XX, 2025 and determined there were no events that occurred that require disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

**Note 3: TAX STATUS**

The Plan has elected pursuant to Internal Revenue Code (IRC) 401(d)(1) to be regulated by ERISA. The Plan has not obtained a tax determination letter from the Internal Revenue Service. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 4: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.
