INDEPENDENT AUDITORS' REPORT

To the Board of Directors of the
Wilson Hall Retirement Plan

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT FOR THE 2025 FINANCIAL STATEMENTS

We have performed an audit of the financial statements of the Wilson Hall Retirement Plan (the "*Plan*"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2025 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained the certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

OPINION ON THE 2025 FINANCIAL STATEMENTS

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

CPAmerica Member Crowe Global
SCACPA South Carolina Association of CPAs
AICPA PCPS Member

- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION ON THE 2025 FINANCIAL STATEMENTS

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS FOR THE 2025 FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS FOR THE 2025 FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore there is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTERS

SUPPLEMENTAL SCHEDULES REQUIRED BY ERISA

The supplemental schedules of Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, and Schedule H, line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supple-mental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ACCOUNTANT'S COMPILATION REPORT ON THE 2024 FINANCIAL STATEMENT

Plan management is responsible for the accompanying financial statement of Wilson Hall Retirement Plan, which comprises the statement of net assets available for benefits as of December 31, 2024, and the related notes to the financial statements in accordance with generally accepted accounting principles in the United States of America. We have performed a compilation engagement in accordance with Statements of standards for accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2024 financial statement, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2024 financial statement.

NOTE A -- GENERAL DESCRIPTION OF THE PLAN

The following description of the Wilson Hall (the "*Employer*" or "*Organization*") Employee Savings Plan (the "*Plan*") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan created on October 1, 2024, and was established to provide retirement benefits to eligible employees of Wilson Hall, (the "*Organization*" or "*Plan Sponsor*"). Eligible employees may participate upon completing one hour of service. Participants enter the Plan beginning on the first day of the payroll period after satisfying the applicable eligibility requirement. Certain collectively bargained employees, leased employees, and nonresident aliens with no U.S. earned income are excluded. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("*ERISA*"), as amended.

Contributions: Participants may elect to make pre-tax, Roth deferral contributions, or both, subject to limitations imposed by the Internal Revenue Code ("IRC"). Participants who satisfy the applicable age requirements may also make catch-up contributions. Under the Plan's automatic enrollment provisions, an eligible employee who does not make an affirmative election is generally enrolled at a pretax deferral rate of 10% of plan compensation, subject to the Plan's notice and election provisions. For 2025, the Company provided a safe harbor nonelective contribution equal to at least 3% of a participant's eligible plan compensation. The Plan may also provide discretionary nonelective contributions in accordance with the Plan document. Participants may contribute eligible rollover amounts from other qualified retirement plans and individual retirement accounts. Employer nonelective safe harbor contributions totaled $160,846 for the year ended December 31, 2025.

Participant Accounts: Each participant's account is credited with the participant's contributions, employer contributions, if any, rollover contributions, and allocations of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Participants may direct the investment of their accounts among the investment options available under the Plan.

Investment earnings and losses are allocated to participant accounts based on each participant's investment elections and respective interests in the Plan's investment funds. The Plan's investment options include mutual funds, pooled separate accounts, common and collective trusts, and a custodial guaranteed interest contract. Accounts are valued each business day.

Vesting: Participants are immediately 100% vested in their deferral and rollover contributions and the related earnings. Safe harbor contributions vest after two years of service, and discretionary nonelective contributions vest after three years of service. Active employees employed on October 1, 2024, are fully vested in their Employer contribution accounts. Participants also become fully vested upon attaining normal retirement age of 65 while employed, death while employed, disability while employed, or termination of the Plan.

NOTE A -- GENERAL DESCRIPTION OF THE PLAN – Continued

Payment of Benefits: A participant may receive the vested balance of the participant's account following termination of employment, including retirement or disability, or upon death. The Plan also permits certain in-service distributions, including hardship distributions, distributions after age 59.5, withdrawals from roll-over accounts, and qualified birth or adoption distributions, subject to the Plan's provisions. Benefits are generally paid in a lump sum. Participant loans are not permitted.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions and terminate the Plan, subject to the provisions of ERISA. Upon termination of the Plan, affected participants become fully vested in their accounts.

Forfeited Accounts: Forfeitures may be used for any purpose permitted by the Plan document, as determined by the Plan Administrator. There were no unallocated forfeitures at December 31, 2025. During the year ended December 31, 2025, forfeitures of $827 were used to reduce employer contributions and $42 were used to pay Plan administrative expenses.

NOTE B -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value, except for any fully benefit-responsive investment contracts, which, if held by the Plan, are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment managers, trustee, and custodian. See Note E for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Certain investment related expenses are included in net appreciation of fair value of investments.

NOTE B -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Subsequent Events: The Plan has evaluated subsequent events through October 15, 2026, the date the financial statements were available to be issued.

NOTE C -- INFORMATION PREPARED AND CERTIFIED BY THE PLAN CUSTODIAN (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian, Principal Life Insurance Company has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments and notes receivable from participants shown on the statement of net assets available for benefits as of December 31, 2025.
- Net investment activity as shown in the statement of changes in net assets available for benefits for the years ended December 31, 2025.
- Investment information included in the footnotes for the year ended December 31, 2025, and supplemental schedule of assets (held at end of year) as of December 31, 2025.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE D -- RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

The remainder of this page is intentionally left blank.

NOTE E -- FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled Separate Accounts: The fair values of the Plan's pooled separate accounts are determined by reference to the separate accounts' underlying assets, which are principally marketable equity and fixed income securities. These underlying assets are traded on national securities exchanges and are valued at NAV. It is not probable that marketable securities funds would be sold at amounts that differed materially from the NAV of shares held.

Common and Collective Trusts: The fair values of the Plan's common and collective trusts are determined by reference to the separate accounts' underlying assets, which are principally marketable equity and fixed income securities. These underlying assets are traded on national securities exchanges and are valued at NAV. It is not probable that marketable securities funds would be sold at amounts that differed materially from the NAV of shares held.

NOTE E -- FAIR VALUE MEASUREMENTS – Continued

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds are valued at the daily closing net asset value reported by the funds. These funds are registered with the Securities and Exchange Commission and transact at their published net asset values. Accordingly, these investments are classified within Level 1 of the fair value hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 48,925	$ -	$ -	$ 48,925
	48,925			48,925
		-	-	
Investments measured at NAV	-	-	-	742,745
TOTAL ASSETS AT FAIR VALUE	$ 48,925	$ -	$ -	$ 791,670

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 10,648	$ -	$ -	$ 10,648
	10,648			10,648
		-	-	
Investments measured at NAV	-	-	-	146,505
TOTAL ASSETS AT FAIR VALUE	$ 10,648	$ -	$ -	$ 157,153

Transfers Between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the year ended December 31, 2025 and 2024, there were no significant transfers between levels.

Fair Value of Investments in Entities that Use NAV Practical Expedient

NOTE E -- FAIR VALUE MEASUREMENTS – Continued

The following table summarizes investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2025 and 2024:

Investment	Fair Value as of December 31, 2025	Fair Value as of December 31, 2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts/Common and Collective Trusts	$ 742,743	$146, 505	N/A	Daily	12 months

NOTE F -- CUSTODIAL GUARANTEED INTEREST CONTRACT WITH PRINCIPAL LIFE INSURANCE COMPANY

In 2025 and 2024, the Plan invested in Principal Fixed Income Guaranteed Option, an insurance company general account with Principal Life Insurance Company, which maintains amounts invested in its general account. The balance in the Fixed Account was $2,201 and $790, at December 31, 2025 and 2024, respectively. The account is credited with interest and charged for participant withdrawals and administrative expenses. The Plan was credited with interest of $83 for the year ended December 31, 2025.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus credited interest, less participant withdrawals, transfers, and administrative expenses. Participants may ordinarily direct withdrawals or transfers of all or a portion of their investment at contract value, subject to the terms of the contract.

The Plan's ability to receive amounts due is dependent on Principal Life Insurance Company’s ability to meet its financial obligations. Principal Insurance Company's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value. The contract may contain restrictions on withdrawals or transfers of funds, including limitations on amounts that may be withdrawn, installment payment requirements, or other restrictions upon discontinuation of the contract. The contract may also provide for surrender charges or market value adjustments under certain circumstances. No market value adjustment or surrender charge was applicable for the year ended December 31, 2025.

NOTE G -- RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal Life Insurance Company and its affiliates. Principal Life Insurance Company provides recordkeeping and administrative services to the Plan. Accordingly, transactions involving Principal Life Insurance Company and investments managed by its affiliates qualify as party-in-interest transactions under ERISA. Certain of these transactions are exempt from the prohibited transaction provisions of ERISA.

The Plan also paid certain recordkeeping, administrative, and investment-related expenses to Principal Life Insurance Company and its affiliates during the year ended December 31, 2025.

NOTE H -- TAX STATUS

The Plan was established using a preapproved plan document provided by the Third-Pary Administrator, which received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating the Plan was designed in accordance with the provision of the Internal Revenue Code (IRC). Accordingly, the trust's net investment income is exempt from income taxes. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I -- PROHIBITED TRANSACTIONS

During the year ended December 31, 2025, the Plan sponsor did not remit participant contributions totaling $68 to the Plan as soon as the amounts could reasonably be segregated from the sponsor's general assets. These delinquent remittances constitute prohibited transactions under the Employee Retirement Income Security Act of 1974 (ERISA).
