INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Arona Corporation 401(k) Plan
West Des Moines, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Arona Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Arona Corporation 401(k) Plan financial statement performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statement section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C) .

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of Arona Corporation 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion**.**

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statement that is free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statement.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Arona Corporation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statement is available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the plan's transactions that are presented and disclosed in the financial statement are in conformity with Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Arona Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Arona Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statement, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statement as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statement but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ARONA CORPORATION
401(K) PLAN

NOTES TO FINANCIAL STATEMENT

December 31, 2025

NOTE 1 - DESCRIPTION OF THE PLAN

(a) General

The following description of the Arona Corporation 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan became effective on January 1, 2024.

(b) Plan Description

The Plan is a multiple employer defined contribution plan covering employees of Arona Corporat dba Arona Home Essentials, Aterra Real Estate Holdings, LLC, Eight Mile Pets, Endurance Sports Marketing Corporation, Farmers and Merchants Savings Bank, First Iowa Title, Fol-Da-Tank, Globe Acceptance, Inc., Hiawatha Bank and Trust Company, Hickory Park Corporation, Integrated MSP Corporation, Ivy Lane Corporation, The Exchange State Bank, White State Bank and World of Wheels, Inc. (the Companies) that are 21 years of age or older who have completed at least 1,000 hours of service in a 1 year period. Certain other eligibility exclusions under the Plan apply. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(c) Contributions

Participants may make salary reduction contributions on a pre-tax and post-tax basis of the employee's pretax compensation or the maximum allowable deferral that is set by law through payroll deductions remitted to the Plan. The Company makes discretionary contributions as described under the Plan. For 2025 the Company contributed 100% of the first 3% of compensation that a participant contributes to the Plan. A participant may make rollover contributions, transferring funds either directly or indirectly to the Plan from another qualified plan subject to the approval of the Plan Administrator.

Participants direct all contributions into the Plan's investment options of their choice. The Plan offers various mutual funds, collective trust funds and a guaranteed interest contract as investment options for Plan participants.

(d) Participant Accounts

Each participant's account is credited with the participant contributions, an allocation of (1) the Company's matching contributions, (2) forfeitures of terminated participants' nonvested accounts, and (3) Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Allocations are based on participant earnings or account balances, as defined. The Plan allocates participant forfeitures of terminated participants' nonvested accounts as if the forfeitures were the Company's contribution. Before allocating forfeitures to participants, they will first be used to reduce any nonelective or matching contribution.

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

(e) Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, and earnings thereon. Vesting of the remainder of the participants' accounts is determined in accordance with the following schedules:

	Years of Service	Vested Interest
Discretionary:	Less than 3	0%
	3 or more	100%

(f) Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the plan administrator.

(g) Payment of Benefits

Upon retirement or termination of employment, a participant may elect to receive their distribution in one of the following ways:

1. A lump-sum amount equal to the value of their account.
2. In periodic installments only if participant is subject to lifetime RMDs.

(h) Excess Contributions Payable

Amounts payable to participants totaling $51,884 and $113,998, respectively, for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to 2025 and 2024 contributions. The Plan distributed the excess of contributions prior to March 15, 2026 and 2025.

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

(i) Forfeitures

Forfeitures will be applied to reduce employer contributions or administrative expenses. At December 31, 2025 and 2024, the Plan had $21,098 and $19,156, respectively, of forfeitures that had not been allocated. $-0- of forfeitures were applied against Company contributions and $11,000 applied against administrative expenses during 2025.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The accompanying financial statements have been prepared under the accrual basis of accounting.

(b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

Investments are reported at fair value, as reported to the Plan Empower Trust Company, LLC. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value assessments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(d) Benefits

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES- CONTINUED

(e) Receivable from Participants

Loans to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent loan to participant receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE 3 - CERTIFIED INVESTMENTS

Information related to investments and receivable loans to participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including all investments and notes receivable loans to participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest on receivable loans to participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company (the trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024.

Level 1 Fair Value Measurements

The Plan's valuation methodology used to measure the fair value of mutual funds was derived from quoted market prices of active markets.

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

Level 2 Fair Value Measurements

The fair value of collective trusts are valued using the net asset value (NAV) of units held by the Plan at year-end as provided by Empower Trust Company, LLC.

The NAV is based on the fair value of the underlying assets owned by the fund, net of the investment management fee. The investment management fee is deducted prior to setting the daily unit value.

The investment contracts are valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer as provided by Empower Trust Company, LLC.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024

		Fair Value Measurements at Report Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
December 31, 2025			
Mutual funds	$ 6,165,515	$ 6,165,515	$ -
Investment contract with insurance company	1,021,431	-	1,021,431
Collective trust funds	10,756,204	-	10,756,204
Total assets at fair value	$17,943,150	$ 6,165,515	$11,777,635

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

December 31, 2024

Mutual funds	$ 4,501,181	$ 4,501,181	$ -
Investment contract with insurance company	792,001	-	792,001
Collective trust funds	9,577,429	-	9,577,429
Total assets at fair value	$14,870,611	$ 4,501,181	$10,369,430

Gains and losses included in charges in net assets available for benefits for the years ended December 31, 2025 are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2025, there were no significant transfers between Level 1 and 2 and no transfers into or out of Level 3.

NOTE 5 - TAX STATUS

The plan operates under an adoption agreement in connection with a prototype non-standardized profit sharing plan sponsored by Qualified Plan Consultants, LLC(The "Sponsor"). This prototype plan document was filed with the appropriate agency, and the Sponsor has obtained a determination letter from the IRS dated March 31, 2014 stating that the prototype plan constitutes a qualified plan under Section 401 of the Internal Revenue Code (IRC), and the related trust was tax exempt as of the financial statement date. The plan has not filed individually with the IRS for a letter regarding the Plan's qualified tax status; however, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC. As such, there has been no provision for income taxes made in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in employer contributions. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - ADMINISTRATIVE EXPENSE

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain administrative expenses of maintaining the Plan are paid by the company and therefore excluded from these financial statements.

NOTE 9 - PARTY IN INTEREST

Fees paid by the Plan for the investment management services were included as a reduction of the return earned on each fund.

Contract admin fees paid by the Plan, record keeper, auditor and advisory amounted to $108,264 for the year ended December 31, 2025.

These transactions are permitted under provisions of the Plan and are specifically exempt from the prohibition of party in interest transactions under ERISA.

NOTE 10 - PROHIBITED TRANSACTIONS

During a prior year Plan contributions were not remitted in a timely manner. The Company has filed Form 5530 with the Internal Revenue Service.

NOTE 11 - DATE OF MANAGEMENT'S REVIEW

Subsequent events were evaluated through September 30, 2026, which is the date the financial statement was available to be issued.
