Ladies and gentlemen:

We are providing this letter in connection with your audits of the financial statements of Vitus Energy, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that ERISA Section 103(a)(3)(C) audits are permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certifications meet the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly,

in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm that we are responsible for the preparation and fair presentation in the Plan's financial statements in conformity with U.S. GAAP.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, as of the date of this representation letter, as entered on the first page, the following representations made to you during your audits:

(1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 27, 2026, for the preparation and fair presentation of the Plan's financial statements in accordance with U.S. GAAP. The notes to the Plan's financial statements include all disclosures required by laws and regulations to which the Plan is subject. The Plan's ERISA-required supplemental schedules are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

(2) We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

(3) We have fulfilled our responsibility, as set out in the terms of the aforementioned audit engagement letter, for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

(4) We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

We believe that the ERISA-required supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

(5) We have made available to you all:

(a) Financial records and related data, including the names of all related parties and all relationships and transactions with related parties, as agreed upon in the terms of the aforementioned audit engagement letter.

(b) Additional information that you have requested from us for the purpose of the audit.

(c) There are no meeting minutes that relate to the Plan, and as such none have been provided to you.

(d) The most current Plan instrument for the audit period, including all Plan amendments made to the Plan instrument, the trust agreement, insurance or other relevant contracts during the year, including amendments to comply with applicable laws.

(e) A draft of the Form 5500 that is substantially complete.

(f) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.

(6) There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.

(7) There have been no known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.

(8) There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements.

(9) You have identified and discussed with us in the course of the Plan audit the deficiencies in our internal control over financial reporting and reportable findings listed immediately below:

Reportable Findings and Control Deficiencies Other Than Material Weaknesses or Significant Deficiencies, as follows:

- There were instances of late participant contributions noted during the year ended December 31, 2025. Management corrected some and others are in process of being corrected.
- There were instances where the participant's elected pre-tax deferral percentage was not timely updated in payroll. As a result, employee contributions were calculated using an incorrect deferral rate. The related contribution was subsequently caught and corrected by management.
- It is noted that that a participant's automatic deferral escalation election was not timely implemented in payroll (as requested through Empower, not auto-escalation via plan provisions). As a result, contributions continued at old rate. The issue was subsequently identified and corrected.

(10) We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud. We have no knowledge of any:

(a) Fraud or suspected fraud involving management or involving employees who have significant roles in the Plan's internal control, whether or not perceived to have a material effect on the financial statements.

(b) Fraud or suspected fraud involving others where the fraud could have a material effect on the financial statements.

(c) Allegations of fraud or suspected fraud affecting the Plan's financial statements received in communications from employees, former employees, participants, beneficiaries, regulatory agencies, service

providers, third-party administrators, law firms, predecessor accounting firms, or other professionals.

(11) We have no:

(a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

(b) Intentions to terminate the Plan.

(12) The following, where applicable and material, have been properly recorded or disclosed in the financial statements:

(a) The identity of all related parties and all related party relationships and transactions of which we are aware, including party-in-interest transactions, as defined in ERISA section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, (whether written or oral) and amounts receivable from or payable to related parties.

(b) All derivative instruments and any embedded derivative instruments that require bifurcation, in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 815, *Derivatives and Hedging.*

(c) Arrangements with financial institutions involving compensating balances or other arrangements involving restrictions on cash balances and line-of-credit or similar arrangements.

(d) Guarantees, whether written or oral, under which the Plan is contingently liable.

(e) Significant estimates and material concentrations known to management that are required to be disclosed in accordance with FASB ASC 275-10, *Risks and Uncertainties - Overall.* In that regard, all accounting estimates

that could be material to the financial statements, including key factors and significant assumptions underlying those estimates, have been identified, and we believe the estimates are reasonable in the circumstances. The methods, significant assumptions, and the data used in making the accounting estimates and the related disclosures are appropriate to achieve recognition, measurement, and disclosure that is in accordance with U.S. GAAP. (Significant estimates are estimates at the date of the statement of net assets available for benefits that could change materially within the next year. Concentrations refer to the nature and type of investments held by the Plan, or markets for which events could occur that would significantly disrupt normal finances within the next year).

(f) Amendments to the Plan instrument, if any.

(g) The effects of all known actual or possible litigation, claims, and other liabilities or gain or loss contingencies that are required to be accrued or disclosed by FASB ASC 450, *Contingencies*, including:

- Pending or anticipated tax assessments or refunds, other potential or pending claims, lawsuits by or against any branch of government or others;
- Written or oral guarantees, endorsements, or unused letters of credits; or
- Labor claims or negotiations.

FASB ASC 450-20, *Loss Contingencies*, requires loss contingencies to be accrued if it is probable an asset has been impaired or a liability incurred at the date of the statement of net assets available for benefits and the amount of loss can be reasonably estimated. Such contingencies must be disclosed, but may not be accrued, if the loss is reasonably possible (but not probable) or the loss is probable but the amount of loss cannot be reasonably estimated.

(h) Commitments, such as a pending sale or merger of all or a portion of the business or of an interest therein or acquisition of all or a portion of the business, assets, or securities of another entity, that would affect the Plan.

(i) Foreign currency transaction gains or losses.

(13) There are no:

(a) Violations or possible violations of laws or regulations (including the failure to file reports required by regulatory bodies (e.g., DOL, IRS, Health and Human Services, state and municipal authorities) when the effects of failing to file could be material to the financial statements) whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.

(b) Pending or threatened litigation, claims or assessments or unasserted claims or assessments that we are aware of that are required to be accrued or disclosed in the financial statements in accordance with FASB ASC 450, Contingencies, and we have not consulted a lawyer concerning litigation, claims, or assessments.

(c) Side agreements or other arrangements (either written or oral) that have not been disclosed to you.

(d) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed.

(14) Receivables recorded in the financial statements represent valid claims against debtors for charges arising on or before the date of the statement of net assets available for benefits and have been appropriately reduced to their estimated net realizable value.

(15) The Plan has complied with all aspects of contractual agreements, including debt covenants, that would have a material effect on the financial statements in the event of noncompliance.

(16) We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of

FASB ASC 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

(17) Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. For any financial instruments, including non-readily marketable securities, we concur with and accept responsibility for the methods and significant assumptions used to estimate fair value of financial instruments and/or the approach used by the appraiser. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

(18) All required filings of Plan and trust documents with the appropriate agencies have been made.

(19) The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code and intend to continue as a qualified plan and trust. The Plan sponsor has operated the Plan and trust [as amended] in a manner that did not jeopardize this tax status.

(20) We intend to formally amend the Plan to incorporate the provisions under which the Plan is currently operating, that were adopted to comply with new laws or regulations.

(21) The Plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts and/or custodial accounts containing assets for the Plan, except as disclosed in the ERISA-required supplemental schedule of delinquent participant contributions. The Plan has established a remittance policy in accordance with the DOL's regulations.

(22) The Plan is responsible for the performance of the nondiscrimination tests and assures that the Plan has passed such tests or appropriate action has been taken to rectify any areas of noncompliance.

(23) The Plan has complied with the fidelity bonding requirements of ERISA.

(24) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and there are no liens, encumbrances, or security interest on such assets nor has any asset been pledged as collateral.

(25) There are no:

(a) Nonexempt party-in-interest transactions (as defined in ERISA section 3(14) and regulations under that section) that were not disclosed in the ERISA-required supplemental schedules or financial statements.

(b) Investments in default or considered to be uncollectible that were not disclosed in the ERISA-required supplemental schedules.

(c) Reportable transactions (as defined in ERISA section 103(b)(3)(H) and regulations under that section) that were not disclosed in the ERISA-required supplemental schedules.

(26) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

(27) No discussions have taken place with your firm's personnel regarding employment with the Plan or the Plan sponsor.

(28) We have not engaged you to prepare or review the Plan's Form 5500 filing with the DOL and IRS; however, the audited financial statements and ERISA-required supplemental schedules of the Plan are required to be filed with the Form 5500. We acknowledge that professional standards require you to obtain and read a substantially complete draft of the Plan's Form 5500 prior to the dating of the auditor's report. The purpose of this procedure is for you to consider whether such information, or the manner of its presentation, is materially inconsistent with the information, or the manner of its presentation, appearing in the financial statements; and that these procedures are not sufficient nor are they intended for you to ensure that the Form 5500 is completely and accurately prepared.

(29) The version of the Plan's 2025 audited financial statements that we will file with the DOL using the EFAST2 system will be identical to the latest draft copy we provided to you and will contain your manually-signed report you provided to us.

(30) In connection with the presentation of your audit report on the DOL's website, the full financial statements and ERISA-required supplemental schedules upon which you reported and to which you appended your signed report will be presented.

(31) There have been no known or suspected breaches of sensitive information (e.g., personnel files) caused by cyber-attack or other means, or other cybersecurity incidents, where the breach or other incident could have a material effect on the financial statements.

(32) The Summary Annual Report will be completed and communicated timely in accordance with the DOL's Regulations.

(33) We have obtained a copy of the relevant SOC 1 reports that cover the year under audit, related to significant processes and transactions that have been outsourced to those service organizations. In connection with those SOC 1 reports, we have read the reports, evaluated the impact of the exceptions to relevant tests, identified the complementary controls listed under the user entity controls section of the report, and have determined that those user entity controls have been designed appropriately and have been implemented.

To the best of our knowledge and belief, no events have occurred subsequent to the date of the statement of net assets available for benefits and through the date of this representation letter, as entered on the first page, that would require adjustment to or disclosure in the aforementioned financial statements and ERISA-required supplemental schedules.

Very truly yours,

Greg French
