INDEPENDENT AUDITOR'S REPORT

To the Plan Committee of the
H.G. Fenton Company 401(k) Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of H.G. Fenton Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of H.G. Fenton Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT
(continued)

Opinion (continued)

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of H.G. Fenton Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H.G. Fenton Company 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of H.G. Fenton Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H.G. Fenton Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedule Required by ERISA (continued)

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. DESCRIPTION OF THE PLAN

The following description of the H.G. Fenton Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering substantially all employees of H.G. Fenton Company (the Company). The Plan has a provision wherein employees are automatically enrolled in the Plan as soon as administratively feasible upon hire at a 3% withholding rate unless they notify the Plan of their intention not to participate or elect a different percentage. For participants who are automatically enrolled, and do not proactively removed themselves from the Plan's Auto Increase Program, the Plan provides for an increase in the automatic deferral amount by 1% for each year of participation until the rate reaches 6%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute a portion of annual compensation, up to limits specified in the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (Rollover Contributions). The Company will match 50% of each participant's contribution up to 6% of the participant's compensation. The Company may also make discretionary profit sharing contributions which are allocated based on participants' eligible compensation.

Participant Accounts

Each participant's account is credited with the participant's contributions, an allocation of any contributions by the Company, and earnings or losses those contributions may accumulate. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct his or her contributions to various registered investment companies or a money market account provided by Fidelity Management Trust Company. Participants may change their investment options at any time.

Note 1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately 100% vested in their contributions and related actual earnings. Vesting in the Company's contribution portion of participant accounts and related actual earnings is based on years of continuous service. Generally, a participant is 25% vested after 2 years, 50% vested after 3 years, 75% vested after 4 years and 100% vested after 5 years of service. A period of service is determined based on whole years of service. Only whole years of service with the Company will be counted in computing the years of service for vesting purposes.

Forfeitures

Forfeitures of non-vested Company contributions are used to reduce the Company's contributions or for other miscellaneous fees under the Plan. The total forfeitures in 2025 and 2024 were $373,331 and $280,875, respectively. Forfeitures of $191,577 and $211,617 were used to reduce Company contributions in 2025 and 2024, respectively. Forfeitures of $113,779 and $99,634 were used to pay certain Plan expenses in 2025 and 2024, respectively. The forfeiture account had a balance of $191,606 and $119,723 at December 31, 2025 and 2024, respectively.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as a distribution based upon the terms of the plan document. Participants may borrow a maximum of the lesser of 50% of their vested account balance or $50,000 reduced by the highest outstanding loan in the participant's account during the prior twelve month period. Notes receivable from participants bear a reasonable rate of interest determined by the plan administrator based on prevailing interest rates by a person in the business of lending money for loans which would be made under similar circumstances (which is considered to be prime + 1% for 2025 and 2024). The interest rate is fixed for the duration of the loan. Additionally, all loans are secured by the participant's vested interest in the Plan. Loans to participants must be repaid within 5 years or 15 years if the loan qualifies as a home loan, as defined by the Plan. Interest rates on outstanding participant loans range from 4.25% to 9.50% at December 31, 2025 and 2024.

Note 1. DESCRIPTION OF THE PLAN (continued)

Payment of Benefits

Upon termination of service, normal retirement, disability or death, the participant will receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may also be eligible to request a distribution from their salary deferral account balance in the event of undue financial hardship subject to certain conditions and limitations as defined in the Plan.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their account balance.

Note 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared based upon the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

Investments

All of the Plan's investments are unsecured and held by a trustee-administered trust fund. Shares of registered investment companies and investments in a pooled separate account are stated at aggregate fair value based on the information contained in the annual report of the trustee, which represents the net asset value of shares held by the Plan at year end.

Note 2. SUMMARY OF ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Administrative Expenses

Certain administrative expenses of the Plan were paid by the Company for the years ended December 31, 2025 and 2024.

Note 3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. Generally accepted accounting principles establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements

Fair values are based on publicly quoted prices in active markets for identical assets. The fair value of investments in registered investment companies is based on the publicly quoted net asset value of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

Fair values are based on observable inputs other than publicly quoted prices in active markets for identical assets that reflect assumptions market participants would use to price the asset based on market data obtained from sources independent of the Plan. The fair value of investments in the Plan's pooled separate accounts is based on the fair value of the underlying investments, provided by New York Life Insurance Company.

Note 3. FAIR VALUE MEASUREMENTS (continued)

Level 3 Fair Value Measurements

Fair values are based on unobservable inputs used for valuing the asset.

Fair Value Measurements as of December 31, 2025 using:

	Fair Value	Level 1	Level 2	Level 3
Investments in shares of registered investment companies	$68,258,685	$68,258,685	$ -	$ -
Investments in shares of a pooled separate account	1,805,482	-	1,805,482	-
Total	$70,064,167	$68,258,685	$1,805,482	$ -

Fair Value Measurements as of December 31, 2024 using:

	Fair Value	Level 1	Level 2	Level 3
Investments in shares of registered investment companies	$55,601,540	$55,601,540	$ -	$ -
Investments in shares of a pooled separate account	1,755,488	-	1,755,488	-
Total	$57,357,028	$55,601,540	$1,755,488	$ -

Note 4. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 to the 2025 Form 5500:

Company contributions receivable at the end of the year	(3,684,551)
Excess contributions payable at the end of the year	63,602
Net assets available for benefits per the Form 5500	$ 58,228,634

Note 4. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued)

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2025 and 2024:

	2025	2024
Net increase per the financial statements	$ 12,719,408	$ 9,767,468
Excess contributions payable at the beginning of the year	(63,602)	(74,233)
Excess contributions payable at the end of the year	27,503	63,602
Participant contributions receivable at the beginning of the year	-	56,984
Company contributions receivable at the beginning of the year	3,684,551	3,531,764
Company contributions receivable at the end of the year	(3,564,557)	(3,684,551)
Net increase per the Form 5500	$ 12,803,303	$ 9,661,034

Note 5. PARTY-IN-INTEREST

Certain expenses of the Plan are paid by the Company. The Company is the sponsor of the Plan and, therefore, these transactions qualify as party-in-interest. The most significant of these costs paid by the Company are the salaries for the employees responsible for plan administration and fees paid to a third party administrator.

Fidelity Management Trust Company, as trustee and investment manager for the Plan's assets, disburses benefit payments, and executes all investment transactions. As a result, all investment transactions involving investments sponsored by Fidelity Management Trust Company qualify as party-in-interest transactions.

Note 6. INFORMATION PREPARED AND CERTIFIED BY QUALIFIED INSTITUTION

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company for the years ended December 31, 2025 and 2024.

	2025	2024
Shares of registered investment companies	$ 68,258,685	$ 55,601,540
Shares of a pooled separate account	1,805,482	1,755,488
Notes receivable from participants	967,770	871,606
Net realized and unrealized gain in fair value of investments in shares of registered investment companies	7,557,443	4,498,978
Net realized and unrealized gain in fair value of investments in shares of a pooled separate account	63,797	61,446
Reinvested dividends	2,545,304	1,878,798
Interest income on notes receivable from participants	82,102	68,843

Note 7. EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants totaling $27,503 for contributions made to the Plan during 2025 in excess of amounts allowed by the IRC have been recorded as a liability at December 31, 2025, with a corresponding reduction to 2025 participant contributions. The Plan distributed the 2025 excess contributions to the applicable participants during 2026.

Amounts payable to participants totaling $63,602 for contributions made to the Plan during 2024 in excess of amounts allowed by the IRC have been recorded as a liability at December 31, 2024, with a corresponding reduction to 2024 participant contributions. The Plan distributed the 2024 excess contributions to the applicable participants during 2025.

Note 8. FEDERAL INCOME TAX STATUS

The Plan is operated under the terms of a standardized prototype plan. The prototype plan received a determination letter from the Internal Revenue Service dated June 30, 2020, indicating that the plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The prototype plan has been amended since receipt of the determination letter. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for an uncertain position if it is not more likely than not that the position would be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

Note 9. SUBSEQUENT EVENTS

Subsequent events were evaluated for accrual and disclosure through October 14, 2026, which is the date the 2025 financial statements were available to be issued.

H.G. Fenton Company 401(k) Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of H.G. Fenton Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of H.G. Fenton Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT
(continued)

Opinion (continued)

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of H.G. Fenton Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H.G. Fenton Company 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of H.G. Fenton Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H.G. Fenton Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedule Required by ERISA (continued)

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. DESCRIPTION OF THE PLAN

The following description of the H.G. Fenton Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering substantially all employees of H.G. Fenton Company (the Company). The Plan has a provision wherein employees are automatically enrolled in the Plan as soon as administratively feasible upon hire at a 3% withholding rate unless they notify the Plan of their intention not to participate or elect a different percentage. For participants who are automatically enrolled, and do not proactively removed themselves from the Plan's Auto Increase Program, the Plan provides for an increase in the automatic deferral amount by 1% for each year of participation until the rate reaches 6%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute a portion of annual compensation, up to limits specified in the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (Rollover Contributions). The Company will match 50% of each participant's contribution up to 6% of the participant's compensation. The Company may also make discretionary profit sharing contributions which are allocated based on participants' eligible compensation.

Participant Accounts

Each participant's account is credited with the participant's contributions, an allocation of any contributions by the Company, and earnings or losses those contributions may accumulate. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct his or her contributions to various registered investment companies or a money market account provided by Fidelity Management Trust Company. Participants may change their investment options at any time.

Note 1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately 100% vested in their contributions and related actual earnings. Vesting in the Company's contribution portion of participant accounts and related actual earnings is based on years of continuous service. Generally, a participant is 25% vested after 2 years, 50% vested after 3 years, 75% vested after 4 years and 100% vested after 5 years of service. A period of service is determined based on whole years of service. Only whole years of service with the Company will be counted in computing the years of service for vesting purposes.

Forfeitures

Forfeitures of non-vested Company contributions are used to reduce the Company's contributions or for other miscellaneous fees under the Plan. The total forfeitures in 2025 and 2024 were $373,331 and $280,875, respectively. Forfeitures of $191,577 and $211,617 were used to reduce Company contributions in 2025 and 2024, respectively. Forfeitures of $113,779 and $99,634 were used to pay certain Plan expenses in 2025 and 2024, respectively. The forfeiture account had a balance of $191,606 and $119,723 at December 31, 2025 and 2024, respectively.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as a distribution based upon the terms of the plan document. Participants may borrow a maximum of the lesser of 50% of their vested account balance or $50,000 reduced by the highest outstanding loan in the participant's account during the prior twelve month period. Notes receivable from participants bear a reasonable rate of interest determined by the plan administrator based on prevailing interest rates by a person in the business of lending money for loans which would be made under similar circumstances (which is considered to be prime + 1% for 2025 and 2024). The interest rate is fixed for the duration of the loan. Additionally, all loans are secured by the participant's vested interest in the Plan. Loans to participants must be repaid within 5 years or 15 years if the loan qualifies as a home loan, as defined by the Plan. Interest rates on outstanding participant loans range from 4.25% to 9.50% at December 31, 2025 and 2024.

Note 1. DESCRIPTION OF THE PLAN (continued)

Payment of Benefits

Upon termination of service, normal retirement, disability or death, the participant will receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may also be eligible to request a distribution from their salary deferral account balance in the event of undue financial hardship subject to certain conditions and limitations as defined in the Plan.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their account balance.

Note 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared based upon the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

Investments

All of the Plan's investments are unsecured and held by a trustee-administered trust fund. Shares of registered investment companies and investments in a pooled separate account are stated at aggregate fair value based on the information contained in the annual report of the trustee, which represents the net asset value of shares held by the Plan at year end.

Note 2. SUMMARY OF ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Administrative Expenses

Certain administrative expenses of the Plan were paid by the Company for the years ended December 31, 2025 and 2024.

Note 3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. Generally accepted accounting principles establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements

Fair values are based on publicly quoted prices in active markets for identical assets. The fair value of investments in registered investment companies is based on the publicly quoted net asset value of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

Fair values are based on observable inputs other than publicly quoted prices in active markets for identical assets that reflect assumptions market participants would use to price the asset based on market data obtained from sources independent of the Plan. The fair value of investments in the Plan's pooled separate accounts is based on the fair value of the underlying investments, provided by New York Life Insurance Company.

Note 3. FAIR VALUE MEASUREMENTS (continued)

Level 3 Fair Value Measurements

Fair values are based on unobservable inputs used for valuing the asset.

Fair Value Measurements as of December 31, 2025 using:

	Fair Value	Level 1	Level 2	Level 3
Investments in shares of registered investment companies	$68,258,685	$68,258,685	$ -	$ -
Investments in shares of a pooled separate account	1,805,482	-	1,805,482	-
Total	$70,064,167	$68,258,685	$1,805,482	$ -

Fair Value Measurements as of December 31, 2024 using:

	Fair Value	Level 1	Level 2	Level 3
Investments in shares of registered investment companies	$55,601,540	$55,601,540	$ -	$ -
Investments in shares of a pooled separate account	1,755,488	-	1,755,488	-
Total	$57,357,028	$55,601,540	$1,755,488	$ -

Note 4. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued)

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2025 and 2024:

	2025	2024
Net increase per the financial statements	$ 12,719,408	$ 9,767,468
Excess contributions payable at the beginning of the year	(63,602)	(74,233)
Excess contributions payable at the end of the year	27,503	63,602
Participant contributions receivable at the beginning of the year	-	56,984
Company contributions receivable at the beginning of the year	3,684,551	3,531,764
Company contributions receivable at the end of the year	(3,564,557)	(3,684,551)
Net increase per the Form 5500	$ 12,803,303	$ 9,661,034

Note 5. PARTY-IN-INTEREST

Certain expenses of the Plan are paid by the Company. The Company is the sponsor of the Plan and, therefore, these transactions qualify as party-in-interest. The most significant of these costs paid by the Company are the salaries for the employees responsible for plan administration and fees paid to a third party administrator.

Fidelity Management Trust Company, as trustee and investment manager for the Plan's assets, disburses benefit payments, and executes all investment transactions. As a result, all investment transactions involving investments sponsored by Fidelity Management Trust Company qualify as party-in-interest transactions.

Note 6. INFORMATION PREPARED AND CERTIFIED BY QUALIFIED INSTITUTION

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company for the years ended December 31, 2025 and 2024.

	2025	2024
Shares of registered investment companies	$ 68,258,685	$ 55,601,540
Shares of a pooled separate account	1,805,482	1,755,488
Notes receivable from participants	967,770	871,606
Net realized and unrealized gain in fair value of investments in shares of registered investment companies	7,557,443	4,498,978
Net realized and unrealized gain in fair value of investments in shares of a pooled separate account	63,797	61,446
Reinvested dividends	2,545,304	1,878,798
Interest income on notes receivable from participants	82,102	68,843

Note 7. EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants totaling $27,503 for contributions made to the Plan during 2025 in excess of amounts allowed by the IRC have been recorded as a liability at December 31, 2025, with a corresponding reduction to 2025 participant contributions. The Plan distributed the 2025 excess contributions to the applicable participants during 2026.

Amounts payable to participants totaling $63,602 for contributions made to the Plan during 2024 in excess of amounts allowed by the IRC have been recorded as a liability at December 31, 2024, with a corresponding reduction to 2024 participant contributions. The Plan distributed the 2024 excess contributions to the applicable participants during 2025.

Note 8. FEDERAL INCOME TAX STATUS

The Plan is operated under the terms of a standardized prototype plan. The prototype plan received a determination letter from the Internal Revenue Service dated June 30, 2020, indicating that the plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The prototype plan has been amended since receipt of the determination letter. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for an uncertain position if it is not more likely than not that the position would be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

Note 9. SUBSEQUENT EVENTS

Subsequent events were evaluated for accrual and disclosure through October 14, 2026, which is the date the 2025 financial statements were available to be issued.
