Independent Auditors' Report

To the Administrators
DTSV, Inc. Health & Welfare Plan
San Jose, California

Opinion

We have audited the accompanying financial statements of DTSV, Inc. Health & Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and accumulated plan benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in its accumulated plan benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Correction of an Error

As discussed in note 6 to the financial statements, the financial statements for the year ended December 31, 2024 have been restated to correct errors identified during the year ended December 31, 2025. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued. Management is responsible for

maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

DTSV, Inc. Health & Welfare Plan
Notes to Financial Statements

Note 1 – Description of Plan

The following description of the DTSV, Inc. Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General
The Plan and Trust were established on January 1, 2020, to provide health and other benefits to eligible employees of DTSV, Inc. (the Company) effective March 1, 2020. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility and Vesting
Employees hired subsequent to March 1, 2020, and on the first of the month are eligible to participate in the Plan on the first day of the month following one month of continuous employment. Any employees hired subsequent to March 1, 2020, and on a date other than the first of the month will be covered on the first of the second following month of continuous employment.

All the eligible employees employed during the contract negotiation through March 1, 2020, were immediately eligible to receive benefits upon the transfer of the contract to the Company and were not required to meet the eligibility requirements.

Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Plan management makes contributions to the Plan on their behalf. The participants' coverage will end at midnight on the last day of the month in which eligibility ceases. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions
For employees covered under the Service Contract Labor Standards and applicable Collective Bargaining Agreements, the Plan Sponsor contributes a maximum amount per employee based on the applicable prevailing wage Health & Welfare rate, subject to a maximum of 40 hours per week. During the 2025 plan year, the applicable Health & Welfare rate was generally $6.27 per hour prior to May 2, 2025, and $6.47 per hour effective May 2, 2025, although the applicable rate is based on the anniversary dates of the underlying contracts, which vary by location. Participants pay any cost of benefits exceeding the maximum employer contribution. For all other employees, the Plan Sponsor contributes a percentage of the total cost of insurance premiums, with employees contributing the remaining cost through payroll deductions.

Benefits
The Plan also provides dental, vision, legal accidental death and dismemberment, supplemental accident and hospital indemnity, critical illness and life benefits for eligible participants and their beneficiaries. The Plan provides these benefits through various annual contracts with insurance companies. The Plan provides medical and prescription drug coverage through annual contracts with insurance companies. Premiums for these insured benefits are paid to the insurance company directly from the assets of the Plan.

Prepaid Contributions
The prepaid contributions liability represents the initial deposit paid by the Plan Sponsor and subsequent funding that exceeded its contracted obligation to the Plan. This liability will be used in subsequent years as a "premium holiday" based on available funds to pay benefits as they come due. The Plan Sponsor is ultimately liable to fund any deficiency in the Plan's obligations.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting
The Plan's financial statements are presented on the accrual basis of accounting in accordance with generally accepted accounting principles.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Concentrations of Credit Risk
The Plan maintains its demand deposits in commercial bank accounts which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts. Plan management does not believe the Plan is exposed to any significant credit risk on cash.

Contributions Receivable
Employer contributions due but not paid at year and period end are recorded as contributions receivable. There was no allowance for uncollectible accounts as of December 31, 2025 and 2024.

Payment of Benefits
Premiums paid by the Plan are recorded as premium payments in the accompanying statement of changes in benefit obligations and net assets available for benefits. Benefits are recorded when paid. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statement of changes in benefit obligations and net assets available for benefits.

Insurance Premiums Payable
Insurance premiums payable are based upon the actual premiums due for December 31, 2025 and 2024, but not paid by the Plan year-end.

Administrative Expenses
All administrative expenses may be paid out of the Plan unless paid by the Company. During the year ended December 31, 2025, the Plan paid for substantially all administrative expenses, which consisted of administration fees, trustee fees, and other miscellaneous expenses.

Income Taxes
The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes. The Plan is required to pay federal and state taxes on unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the Internal Revenue Code. The Plan does not have any net taxable income for the year ended December 31, 2025, therefore, no tax liability is reflected in these financial statements.

Subsequent Events
Management of the Plan has evaluated subsequent events through September 11, 2026, which is also the date the financial statements were available to be issued. No subsequent events were noted during this evaluation that require recognition or disclosure in these financial statements.

Note 3 – Plan Termination

The Plan shall remain in existence from year-to-year unless written termination notice is given by Plan management or the Plan administrator to the other at least 60 days prior to the anniversary date of effective coverage under the Plan.

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or on account of the participants. No assets of the Plan may revert to the

Company or be used for purposes other than for the exclusive benefit of the Plan's participants, or the payment of reasonable administrative expenses of the Plan.

Note 4 – Income Tax Status

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 Schedule H:

	2025
Change in net assets available for benefits per financial statements	$ 507
Change in prepaid contributions due to audit adjustments	-
Change in net assets available for benefits per form 5500	$ 507

Note 6 – Correction of an Error

During the year ended December 31, 2025, management identified errors in the financial statements for the year ended December 31, 2024. Audit fees totaling $15,000 were recorded twice in the prior period, resulting in an overstatement of administrative expenses and accounts payable and accrued expenses. A refund which was received in the prior period was recorded incorrectly, resulting in an overstatement of prepaid contributions and understatement of revenue.

The financial statements for the year ended December 31, 2024, have been restated to correct this error. The effect of the restatement on the previously reported balances is as follows:

	As previously reported	Adjustment	After adjustment
Accounts payable and accrued expenses	$ 15,000	$ (15,000)	$ -
Prepaid contributions	$ 825,782	$ (274,195)	$ 551,587
Net assets available for benefits	$ (270,156)	$ 289,195	$ 19,039
