# INDEPENDENT AUDITORS' REPORT

Hospitality Industry Health Insurance Trust

## Report on the Audit of the Financial Statements

### *Opinion*

We have audited the financial statements of Hospitality Industry Health Insurance Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of Hospitality Industry Health Insurance Trust as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hospitality Industry Health Insurance Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hospitality Industry Health Insurance Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hospitality Industry Health Insurance Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hospitality Industry Health Insurance Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTE 1 DESCRIPTION OF PLAN

The following description of Hospitality Industry Health Insurance Trust (the Plan or Trust) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### General

The Plan was established on December 1, 1994, to provide health and other benefits to eligible employees and their covered dependents. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. This Trust is considered a "group insurance arrangement" as defined by the regulations promulgated under ERISA. ERISA regulations define a "group insurance arrangement" as an arrangement providing benefits to the employees of two or more unaffiliated employers, fully insuring one or more welfare plans of each participating employer, and using a trust as the holder of the insurance contracts and conduit for payment of premiums to the insurance company(ies).

### Eligibility

An employer is entitled to participate in the Trust once the employer has completed and filed a master application adopting the Trust agreement, has been accepted for participation by the insurers, and has made all contributions required by the Trust.

To be eligible for benefits, participants must be employed by a participating employer and must meet eligibility requirements set by their employer.

Eligibility for coverage under the Plan will terminate at the earliest of any one of the following: (1) the end of the calendar month in which the employee ceases to be actively employed by a participating employer, (2) on the last day of the calendar month in which an employer ceases to participate in the Plan, or (3) on the date the Plan itself terminates.

Continuation of health care benefits to participants who would otherwise lose those benefits due to certain events, as mandated by the Consolidated Omnibus Budget Reconciliation Act (COBRA), normally applies to all employers employing 20 or more employees during a calendar year. It is each participating employer's responsibility to determine whether they need to comply with COBRA.

### Contributions

Each participating employer agrees to promptly remit contributions to the Trust to adequately cover the payment of insurance premiums for its participants and beneficiaries, and its share of any reasonable and necessary obligations and expenses of the Trust incurred during its participation. The Board of Trustees may bring action to collect contributions if coverage has been provided or if benefits have been paid and no contributions or an incorrect amount of contributions has been paid. Employer and self-pay participant contributions are received and held by the Trust pending payment of approved insurance premiums. Such contributions are determined pursuant to rules adopted by the Board of Trustees.

## NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

### Contributions (Continued)

Accounting principles generally accepted in the United States of America require separate disclosure of employer and employee contributions. Each employer determines the cost allocation between employee and employer to provide benefits. Based on how the Plan is administered, it is not feasible to segregate between the source of the contributions and, consequently, that information is not disclosed in the accompanying financial statements.

### Benefits

The Plan provides medical, hospital, surgical, prescription drug, dental, vision, and life benefits to eligible members and to their beneficiaries and dependents. The Plan fully insures these benefits. Premiums are paid by the Plan.

### Administration

The Plan is administered by a Board of Trustees that is assisted by a contract administration organization and various professional service providers. Administrative expenses are borne by the Plan.

## NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

### Cash

Cash consists of monies held in demand-deposit checking and savings accounts.

### Contributions Receivable

Contributions due and not paid prior to year-end are recorded as contributions receivable. Delinquent contributions are recorded when collected. Amounts recorded as of December 31, 2025 and 2024, were considered fully collectible and, accordingly, no allowance for doubtful accounts was presented. The estimate for expected credit losses considers historical loss experience, current economic conditions, and forward-looking information, including factors such as payment history, employer financial condition, and labor trends. As of December 31, 2025 and 2024, the allowance for credit losses was insignificant.

## NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Investments Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on an accrual basis.

### Unearned Contributions

Unearned contributions represent contributions received prior to year-end that relate to the subsequent month coverage.

### Benefit Obligations

Premiums payable is estimated based on participant eligibility earned as a result of work performed by participants through December 31 and paid by the Trust subsequent to year-end. The Trust has no obligation to provide benefits to retirees; therefore, post-retirement benefit obligations are not recorded on the financial statements.

### Advertising

The Plan's policy is to expense advertising costs when incurred. Advertising costs were $108,825 for the year ended December 31, 2025.

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

### Premiums

Premiums are recorded when paid.

### Administrative Expenses

All expenses of maintaining the Plan are paid by the Plan.

### Concentration of Credit Risk

The Plan's cash balances are held at one financial institution. Accounts at this institution are insured by a government agency up to $250,000. At times, the balances in the account may exceed the insured limit.

### Subsequent Events

The Plan has evaluated subsequent events through October 8, 2026, the date the financial statements were available to be issued.

## NOTE 3 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2025 and 2024.

*Interest-Bearing Cash:* Valued at the daily closing price as reported by the fund. The mutual fund held by the Plan is an open-end mutual fund that is registered with the Securities and Exchange Commission. The fund is required to publish its daily net asset value (NAV) and to transact at that price. The mutual fund held by the Plan is deemed to be actively traded.

## NOTE 3 FAIR VALUE OF INVESTMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

| | 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Interest-Bearing Cash | $ 1,814,531 | $ - | $ - | $ 1,814,531 |
| Total Assets at Fair Value | $ 1,814,531 | $ - | $ - | $ 1,814,531 |

| | 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Interest-Bearing Cash | $ 1,648,224 | $ - | $ - | $ 1,648,224 |
| Total Assets at Fair Value | $ 1,648,224 | $ - | $ - | $ 1,648,224 |

## NOTE 4 TAX STATUS

The Trust was established to qualify as a tax-exempt organization under Section 501(c)(9) of the Internal Revenue Code; however, the Trust did not obtain a favorable tax determination letter from the Internal Revenue Service (IRS) and, accordingly, is taxed as a complex trust. The Trust did not owe income tax for the year ended December 31, 2025.

Accounting principles generally accepted in the United States of America require management to evaluate the tax positions taken by the Trust and to recognize a tax liability if the Trust has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Trust and has concluded that, as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

The Trust is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Trust believes it is no longer subject to income tax examinations for the fiscal years prior to 2022.

## NOTE 5 PLAN TERMINATION

The Trust may be terminated by the Board of Trustees at any time. Upon the termination of the Trust, the Board of Trustees will wind up the affairs of the Trust and make appropriate arrangements for the distribution of any remaining assets. In the event the termination occurs as a result of a merger, any assets remaining in the Trust, after payment of expenses, shall be used for the continuance of the benefits until such assets have been exhausted, unless some other disposition is required by law. If assets remain in the Trust following termination of the Trust and following the payment of all benefits, expenses, and the discharge of all other liabilities, the assets may be returned to the contributing employers or former participants according to an equitable method of distribution, as determined by the Board of Trustees.

## NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

The Washington Hospitality Association is a participating employer and service provider to the Trust. During the year ended December 31, 2025, employer contributions from the Washington Hospitality Association totaled $646,068. As of December 31, 2025 and 2024, amounts due from the Washington Hospitality Association totaled $0. During the year ended December 31, 2025, the Trust paid the Washington Hospitality Association $171,352. As of December 31, 2025 and 2024, amounts due to the Washington Hospitality Association totaled $44,914 and $40,457, respectively.

## NOTE 7 FUNDING POLICY

The Trust is financed by employer and participant contributions and from participants electing COBRA coverage. The monthly contribution rate, including the rate for COBRA coverage, is determined by the coverage type selected by the employer in their Participation Agreement.

Accounting principles generally accepted in the United States of America require separate disclosure of employer and employee contributions. Each employer determines the cost allocation between employee and employer to provide benefits. Based on how the Plan is administered, it is not feasible to segregate between the source of the contributions and, consequently, that information is not disclosed in the accompanying financial statements.

## NOTE 8 RISKS AND UNCERTAINTIES

The Plan provides for investment in a variety of investment securities. In general, investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The liability for premiums payable at December 31, 2025 and 2024 was estimated using actual payments to insurance carriers subsequent to year-end. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in this estimate and assumptions in the near term would be material to the financial statements.

## NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
