Independent Auditor's Report

Administrative Committee
Curtis C. Gunn, Inc. Welfare Benefit Plan
San Antonio, Texas

Opinion

We have audited the financial statements of Curtis C. Gunn, Inc. Welfare Benefit Plan (the "Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* ("ERISA"), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan (modified cash basis) as of December 31, 2025 and 2024, and the changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025, in accordance with the basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances.

Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current Plan instrument, including all Plan Amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Description of Plan

The following description of Curtis C. Gunn, Inc. Welfare Benefit Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established to provide various medical, dental, vision, prescription drug, cancer, medical reimbursement, short and long-term disability, and life insurance under Internal Revenue Code Section 125 ("Cafeteria Plan") to the employees of Curtis C. Gunn, Inc. and its affiliates (the "Employer"). Eligible employees may become participants after 60 days of continuous full-time service. An employee must work a minimum of 30 hours per week to meet the full-time requirement. The Plan is subject to the provision of the *Employee Retirement Income Security Act of 1974* ("ERISA"). The Plan maintains stop-loss insurance to limit the losses on any one individual to $110,000 annually and unlimited annual maximum benefit.

Benefits

The Plan provides health benefits (medical, prescription drugs, hospital, critical illness, vision, cancer, and dental), disability benefits, and death benefits to full-time employees of the Employer and to their beneficiaries and covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

Self-Insured Benefits

Medical and prescription drug claims of active participants and their covered dependents are processed by a third-party administrator, Imagine360, LLC. The claims processor pays claims directly to or on behalf of participants from the trust’s cash account. Despite the Plan’s utilization of a third-party claims processor, the responsibility for payments to providers is retained by the Plan.

The Plan maintains stop-loss insurance to limit its exposure for self-insured benefits on any one individual participant to $110,000 with an unlimited annual maximum benefit.

Insured Benefits

All benefits other than medical and prescription drug claims are fully insured. The Employer purchases annual insurance contracts for these insured benefits. Premiums for insured benefits are paid from the trust’s cash account.

Contributions

The Plan agreement provides that the Employer and participants make monthly contributions of a specified amount to the Plan. The contribution rates are determined annually. An employee may contribute specified amounts, determined annually, to extend coverage to eligible dependents of the employee.

From time to time, the Plan may request additional Employer contributions based upon claims experience and other expenses. During 2025, there were no additional Employer contributions received by the Plan to cover claims and expenses.

Note 2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the modified cash basis of accounting, which differs from accounting principles generally accepted in the United States of America ("GAAP"). On the modified cash basis, certain revenues (primarily Employer and participant contributions) are recognized when received rather than when earned, and certain expenses (primarily medical claims, premiums and fees) are recognized when paid rather than when the obligation is incurred. Accordingly, these financial statements are not intended to be presented in accordance with GAAP.

Use of Estimates

The preparation of financial statements requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimated amounts.

Stop Loss

Premiums for stop loss insurance are included in premium payments whereas stop loss refunds totaling $730,463 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits (modified cash basis).

Plan Benefits

Benefits are recorded when paid.

Claims Incurred but not Reported

Plan obligations as of December 31, 2025 and 2024, for medical claims incurred but not reported at that date are estimated by the Plan's management based on payments made subsequent to year-end per claims data provided by the Plan's third-party administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Subsequent Events

The Plan evaluated the effect subsequent events would have on the financial statements through October 14, 2026, which is the date the financial statements were available to be issued.

Note 3. Tax Status

The trust funding certain benefits of the Plan received an exemption letter from the IRS dated December 1, 1994, stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code ("IRC"). However, as a result of the Plan's funding policy, from time to time, the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 for unrelated business taxable income.

In addition, the Plan and trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4. Plan Termination

Although it has not expressed any intention to do so, the Employer has the right under the Plan to amend and terminate the Plan subject to the provisions set forth in ERISA. In the event of termination, the Employer will contribute the necessary amounts to fund all claims incurred prior to the date of termination.

Note 5. Concentration of Credit Risk

The Plan maintains bank deposits, the balances of which usually exceed federally insured amounts.

Note 6. Risk and Uncertainties

The Plan's benefit obligations are reported based on certain assumptions pertaining to claims reporting lag times and payment history, both of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 7. Plan Benefit Obligations

The following tables present the components of the Plan's benefit obligations and the related changes in the Plan's benefit obligations.

	2025	2024
Plan benefit obligations currently payable		
Claims payable and claims incurred but not reported	$ 395,147	$ 361,914

Changes in benefit obligations for amounts currently payable for the year ended December 31, 2025 are as follows:

Benefit obligations, beginning of year	$ 361,914
Claims reported and approved for payment and claims incurred but not reported	3,996,567
Claims paid	(3,963,334)
Benefit obligations, end of year	$ 395,147

Note 8. Party-in-Interest Transactions

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party administrators. During 2025, the Plan paid Gunn GP, LLC, an affiliate of the Plan Administrator, $61,200 in management fees and $2,400 in shared technology expenses. These expenses are reported on the statement of changes in net assets available for benefits (modified cash basis) as administrative expenses. These transactions are considered exempt party-in-interest transactions under ERISA.
