Independent Auditor's Report

October 15, 2026

To the Trustees and Management
CVDC 401(k) Plan

Opinion

We have audited the accompanying financial statements of CVDC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of CVDC 401(k) Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CVDC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CVDC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

168 Business Park Dr., Suite 202, Virginia Beach, Va. 23462 (757) 473-3777

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CVDC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CVDC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and

Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CVDC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the CVDC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Central Virginia Dental Care, PLC (the Company) who are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to the maximum amount allowed by law of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make additional "catch-up" contributions. Participants may also contribute amounts distributed from other qualified plans. The Company makes a "safe harbor" contribution of 3% of compensation to all eligible employees, and may contribute additional amounts at its discretion. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain statutory limitations.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after 6 years of credited service; however, participants who transferred account balances into the Plan from other plans or who were employed by the Company at January 1, 2017, are immediately 100% vested in all prior and future contributions.

Notes receivable from participants

Participants may borrow from their accounts up to a maximum of $50,000. The notes are secured by the balance in the participant's account and bear interest at rates commensurate with prevailing rates, as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions over periods not to exceed five years unless the loan is for the purchase of a principal residence, in which case the period may not exceed ten years.

Payment of benefits

On termination of service, a participant or designated beneficiary may receive the value of the vested interest in the participant's account as a lump sum payment. In-service distributions are permitted, subject to certain age and vesting limitations as defined in the Plan.

NOTE 1 – DESCRIPTION OF PLAN (CONCLUDED)

Forfeitures

Forfeitures of non-vested account balances of terminated employees are used to reduce employer contributions or to pay administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may vary from those estimates.

Investment valuation and income recognition

Investments are reported at fair value in accordance with a framework established by GAAP that provides a hierarchy prioritizing the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). Mutual funds are valued at the daily closing price as reported by each fund, which represents the fund's net asset value and the price at which trades are made, and is Level 1 of the hierarchy. Exchange traded funds are valued at the closing price reported on the active market in which each security is traded, which is also Level 1 of the hierarchy.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Contributions receivable

Contributions receivable are reported at their face amount and do not bear interest. The Plan administrator believes the reported balances are fully collectible and has therefore provided no allowance for credit losses.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Notes receivable in default are deemed to be distributions based on the terms of the Plan. The Plan administrator believes the reported balances are fully collectible and has therefore provided no allowance for credit losses.

Benefit payments

Benefits are recorded when paid.

Administrative expenses

The Company absorbs substantially all administrative expenses of the Plan.

NOTE 3 – FORFEITED ACCOUNTS

Forfeited non-vested accounts were $6,270 and $5,713 at December 31, 2025 and 2024, respectively. Forfeitures of $42,817 were used to reduce employer contributions in the year ended December 31, 2025.

NOTE 4 – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the sponsor of the prototype plan adopted by the Company in a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and that the related trust is tax-exempt.

The Plan administrator has evaluated the Plan's income tax positions and has determined that they are "more likely than not" to be sustained upon examination by the IRS. Accordingly, no tax liability is reported in these financial statements. The Plan's federal information returns for the years 2022 through 2025 remain subject to examination by the IRS.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 – DATE OF MANAGEMENT'S REVIEW

The Plan administrator has evaluated subsequent events through October 15, 2026, the date on which the financial statements were available to be issued.
