SCROGGINS ASSURANCE

INDEPENDENT AUDITORS' REPORT

To the Finance Committee and Management of Mayfield Clinic, Inc. Profit Sharing/401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audit of the accompanying financial statements of Mayfield Clinic, Inc. Profit Sharing/401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from the qualified institution as of December 31, 2025 and for the year then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mayfield Clinic, Inc. Profit Sharing/401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mayfield Clinic, Inc. Profit Sharing/401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mayfield Clinic, Inc. Profit Sharing/401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mayfield Clinic, Inc. Profit Sharing/401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Prior-Period Financial Statements Audited by Predecessor Auditor

The financial statements of Mayfield Clinic, Inc. Profit Sharing/401(k) Plan as of and for the year ended December 31, 2024, were audited by ScrogginsGrear, whose attest practice was subsequently transferred to Scroggins Assurance, LLC. In their report dated October 7, 2025, ScrogginsGrear expressed an ERISA Section 103(a)(3)(C) audit opinion on those financial statements.

The report stated that the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and that the information related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined met the requirements of ERISA Section 103(a)(3)(C).

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to

prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following description of the Mayfield Clinic, Inc. Profit Sharing/401(k) Plan ("Plan") for Mayfield Clinic, Inc. ("Company") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a profit sharing and 401(k) savings plan covering all employees of the Company who are age twenty-one or older and have worked for at least 1,000 hours of service or have been hired to work 1,000 or more hours per year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Finance Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Trustees.

2. Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's contribution, and plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. The discretionary company contributions are allocated to eligible participants based upon participants' compensation. Plan earnings and losses are allocated based on participants' account balances and performance of the investment funds chosen by the participant. Allocations of administrative expenses may be determined on a per participant basis or prorated across all participants' investments based proportionately on each participant's account balance, depending upon the category and nature of the expense. There is also a quarterly administrative credit provided to eligible participants based upon the amount the Plan's recordkeeper receives for administrative services from certain plan investments. The administrative credits provided to eligible participants are shown as other income in the statements of changes in net assets available for benefits. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

3. Contributions

Each year, participants may contribute up to 75% of their annual compensation, as defined in the Plan document, as either pre-tax or after-tax (Roth) contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common/collective trust as investment options for participants. In addition, the Plan allows for personal choice retirement accounts, which allow participants to self-direct their account balances in any investment desired within certain specified limitations. Participants can place investments into participant self-directed accounts in addition to or in place of the various sponsored investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate at 3% of eligible compensation. The Plan allows each active participant

NOTE A - DESCRIPTION OF PLAN (Continued)

3. Contributions (Continued)

having automatic enrollment contributions to be automatically increased annually by 1% of compensation, up to a maximum of 10% of compensation. Contributions are automatically invested in a designated fund until changed by the participant. The Company also makes annual contributions to the Plan at the discretion of its Board of Directors based on compensation, as defined in the Plan document. All participants in the Plan are eligible for the profit sharing contributions.

4. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account is based on years of continuous service. A participant is fully vested after six years of credited service.

5. Forfeited Accounts

In accordance with the plan document, forfeitures are first applied to the restoration of forfeitures, and then, at the discretion of the Company, can be added to or used as employer contributions, or can be used to pay administrative expenses of the Plan. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $196,405 and $114,657, respectively. The Company used $105,146 and $52,646 of the cumulative forfeitures to help fund the employer contributions during 2025 and 2024, respectively.

6. Payment of Benefits

On termination of service due to retirement, disability, or termination of employment, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, substantially equal installments, partial payments as requested, or installments for purposes of the required minimum distribution rules. On termination of service due to death, distribution of death benefits which are subject to the Qualified Joint and Survivor Annuity (QJSA) requirements are distributed as a Qualified Pre-Retirement Survivor Annuity unless waived. Any death benefit not distributed under the QJSA requirements may be paid in a lump sum amount equal to the value of the participant's vested interest in his or her account, or installments for purposes of the required minimum distribution rules. Vested account balances of less than $7,000 can be automatically distributed to participants upon termination. In conditions of financial hardship, a participant may apply to the plan administrator for approval to withdraw that portion of their elective deferrals necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code (IRC).

7. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 8.50%, which are commensurate with local prevailing interest rates as determined by the plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. ***Basis of Accounting***
   The financial statements of the Plan are presented on the accrual basis of accounting.

2. ***Use of Estimates***
   The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

3. ***Notes Receivable from Participants***
   Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

4. ***Investment Valuation and Income Recognition***
   Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Finance Committee determines the Plan's valuation policies. See Note E for discussion of fair value measurements.

   Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. The Plan presents in the statements of changes in net assets available for benefits other income which includes administrative credits and the net investment gain from self-directed investments, which consists of interest, dividends, realized gains and losses, and unrealized appreciation on those investments.

5. ***Payment of Benefits***
   Benefits are recorded when paid.

6. ***Expenses***
   The Company provides certain administrative and accounting services to the Plan at no cost. All costs and expenses of administering the Plan are payable by the Plan if not paid by the Company. Most administrative expenses of the Plan were charged directly to participants' accounts for 2025 and 2024. These administrative expenses are presented as a deduction from the net assets on the statements of changes in net assets available for benefits. Investment related expenses are included in net appreciation in fair value of investments.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, held at December 31, 2025 and 2024, and net appreciation in fair value of investments, other income, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Trust Bank, the Trustee of the Plan.

NOTE D - TAX STATUS

The Company has adopted the Schwab Retirement Plan Services, Inc. Basic Plan Document #13 under Adoption Agreement dated January 1, 2022. The prototype plan sponsor has obtained an opinion letter dated September 21, 2020, in which the Internal Revenue Service (IRS) states that the prototype standardized profit-sharing plan document was in compliance with applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and to recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the Plan's tax positions and concluded there are no uncertain positions requiring recognition of a liability or disclosure. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits in progress for any open tax periods.

NOTE E - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under FASB ASC 820 consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 and 3 inputs would only be used when Level 1 inputs are not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the years presented.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE E - FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Registered investment companies (mutual funds) - The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Registered investment company (money market fund) - The money market fund is valued using the net asset value (NAV) reported by the money market managers, as a practical expedient. The NAV is based on the fair value of the underlying assets in the money market fund, minus its liabilities, and then divided by the number of units outstanding.

The money market fund typically invests in securities determined to experience minimal credit risks backed by the full faith and credit of the U.S. government. The money market fund seeks to maintain a stable NAV of $1.00 per share. Principal risks of the money market fund could cause deterioration in the stable NAV which could result in increased redemption activity further adversely affecting the NAV. The money market fund measured at NAV has not been classified in the fair value hierarchy.

Self-directed brokerage accounts - Investment options for the self-directed brokerage accounts are generally limited to items in actively traded markets with readily determined values. Self-directed brokerage accounts are classified within Level 1 of the valuation hierarchy.

Common/collective trust - The common/collective trust is valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidations will be carried out in an orderly business manner. The common/collective trust funds measured at NAV as a practical expedient have not been classified in the fair value hierarchy.

NOTE E - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

(1) Investments that were measured at net asset value per share as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE E - FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments measured at fair value using the NAV per share practical expedient as of December 31, 2025 and 2024:

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period

Schwab U.S. Treasury Money Fund (Registered Investment Company - Money Market Fund)	$ 2,691,590	None	Daily	N/A

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds and money market funds managed by Charles Schwab Investments. Charles Schwab Trust Bank is the Trustee as defined by the Plan document and, therefore, these transactions qualify as party-in-interest transactions. As described in Note B-6, the Plan made direct payments to the third-party administrators, the audit firm, and investment advisors for various services which amounted to $177,417 and $152,522 for the years ended December 31, 2025 and 2024, respectively. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE I - DATE OF MANAGEMENT'S REVIEW & SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 8, 2026, which is the date on which the financial statements were available to be issued.

No subsequent events were identified that would require an adjustment to or disclosure in the accompanying financial statements.
