INDEPENDENT AUDITORS' REPORT

Plan Management
Bass Underwriters, Inc. 401(k) P.S. Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Bass Underwriters, Inc. 401(k) P.S. Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bass Underwriters, Inc. 401(k) P.S. Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bass Underwriters, Inc. 401(k) P.S. Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Bass Underwriters, Inc. 401(k) P.S. Plan (the "Plan"), effective January 1, 2002, provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Bass Underwriters, Inc., Broward Insurance Consulting, LLC, Bass Underwriters of Florida, Bulldog Premium Finance, LLC, Insurance Technologies, Inc. and Gridiron Insurance Underwriters, Inc. (collectively the "Sponsor") who have three months of service except for collectively bargained employees, non-resident aliens and employees who became employees as the result of a merger or acquisition, as defined in the Plan documents. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the maximum percentage allowable, not to exceed the limits of code sections 401(k), 402(g), 404 and 415, as defined in the Plan document. Participants direct their account balance into various investments offered by the Plan and may also contribute amounts representing distributions from other qualified defined benefit or contribution plan rollovers. The Company matches 100% of the first 3% and 50% of the next 2% of eligible participant's contributions commencing after one year of eligible service and may also contribute additional discretionary profit sharing contributions. For the year ended December 31, 2025, employer contributions were $1,770,181.

Participant accounts and vesting

The Plan is a safe harbor 401(k) plan, which among other things provides that certain committed contributions are fully vested when made. The sponsor may elect to make additional discretionary non elective and matching contributions each year which vest at a rate of 20% after two years of credited service and become 100% vested after six years of credited service.

In accordance with the Plan's auto enrollment provisions, 3% of new participant's salaries are automatically contributed to the Plan each pay period unless they choose otherwise. Each participant's account is credited with the participant's contribution, the sponsor's contribution, and plan earnings. Plan earnings are credited to the participants' accounts based on the performance of the investments selected by each participant. Participants are immediately vested in their voluntary and safe harbor sponsor contributions plus actual earnings thereon.

All non-vested benefits are forfeited by participants should they terminate employment prior to becoming vested. Such forfeitures are used by the Sponsor to offset administrative expenses or reduce future matching contributions to the Plan.

For the years ended December 31, 2025 and 2024, forfeited non-vested accounts totaled $0.

Cash in transit

Cash in transit are amounts received by the custodian but not yet allocated to participant accounts and amounted to $484 and $7,734 at December 31, 2025 and 2024, respectively.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Participants can only have one outstanding loan. The loans are secured by the balance in the participant's account and bear interest at the prevailing bank market interest rate at the time of the loan as determined by the plan administrator. Principal and interest is paid ratably through regular payroll deductions. At December 31, 2025 and 2024, loans collateralized by participant accounts amounted to $611,733 and $447,529, respectively, and bear interest at 4.25% to 9.50% annually. The interest rates charged are commensurate with local prevailing rates as determined periodically by the Plan administrator. Interest income of $40,034 was recognized on these loans during 2025.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Payment of benefits

Participants' vested account balances are payable upon termination, retirement, disability, death, and approved hardship either (1) in a lump-sum amount equal to the value of the account balance, (2) in installment payments over a period of not more than the assumed life expectancy of the participant and beneficiary, if any, (3) by an account balance transfer to an individual retirement account or other qualified plan, or (4) any combination of the foregoing.

Investment and administrative expenses

Fees paid by the Plan during the year ended December 31, 2025 consisted of administration fees and third party administrator fees which amounted to $241,531. All other expenses related to the Plan were paid by the Company.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

Basis of accounting

The Plan’s financial statements are prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Note 3 further details fair value measurements of the Plan. Assets of the Plan are reflected in the accompanying statements at fair value.

In accordance with the policy of stating investments at market value, the Plan presents in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of benefits

Benefits are recorded when paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent events

The Plan has evaluated subsequent events through October 15, 2026, the date when the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of level 3 inputs for the periods presented.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value:

	Fair Value	Fair Value Measurements Using Quoted Prices in Active Markets for Identical Assets Level 1
December 31, 2025		
Fixed income funds	$ 1,114,900	$ 1,114,900
Domestic equity funds	15,677,828	15,677,828
International equity funds	1,151,225	1,151,225
Balanced funds	36,798,822	36,798,822
Managed accounts	4,267,315	4,267,315
Total assets at fair value	$ 59,010,090	$ 59,010,090
December 31, 2024		
Fixed income funds	$ 910,130	$ 910,130
Domestic equity funds	11,647,661	11,647,661
International equity funds	914,470	914,470
Balanced funds	29,411,268	29,411,268
Managed accounts	3,610,476	3,610,476
Total assets at fair value	$ 46,494,005	$ 46,494,005

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2025, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 – STABLE VALUE FUND

The Morley Stable Value Fund Class 25 (the "Fund"), primarily consists of a diversified portfolio of Stable Value Investment Contracts (Investment Contracts) issued by life insurance companies, banks and other financial institutions, the performance of which may be predicated on underlying fixed income investments which consists primarily of U.S. government, credit, asset backed and mortgage backed securities. Funds with underlying securities of guaranteed investment contracts (GIC's) which have a guaranteed rate of return should be stated at contract value instead of fair value. Since only 1% of the Fund's underlying securities include GIC's, the Fund is stated at fair value. Participant initiated withdrawals are permitted from the Fund.

At December 31, 2025 and 2024, the fair value of the Fund was $262,305 and $306,071, respectively.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company can discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination, each participating employee shall become 100% vested in the Plan, and the assets shall be allocated among participating employees and beneficiaries in proportion to the employees' respective account balances.

NOTE 6 – TAX STATUS

The Company has established, and intends to maintain, the Plan as a qualified plan under IRC Section 401 which provides for exemptions from federal income taxation. The Plan obtained its latest determination letter on May 14, 2010, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter; however, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan's administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company and AssetMark Trust Company (managed accounts), the trustees of the Plan, have certified the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024 and the related investment activity reflected and interest income on notes receivable from participants in the statement of changes in net assets available for benefits for the year ended December 31, 2025 and the information reflected on the supplementary schedule of assets (held at end of year) as of December 31, 2025. This information has not been audited by the Plan's independent auditors.

NOTE 8 – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by AssetMark, the trustee. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment advisory and investment management services totaled $117,196 for the year ended December 31, 2025. All these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – FIDELITY BONDING

The Company maintains a fidelity bond of $1,000,000 for Plan fiduciaries and individuals who handle the funds of the Plan, pursuant to the requirements of ERISA.
