## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Children's Home of Poughkeepsie 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements ("financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matters**

**Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**403(b) Plan**

Notes to Financial Statements
December 31, 2025

## 1. Description of Plan

The following description of The Children's Home of Poughkeepsie 403(b) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### *General*

The Plan is a defined contribution plan covering all eligible employees of The Children's Home (the "Employer") except non-resident aliens and those who participate in another elective deferral or 457 governmental plan sponsored by the Employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

### *Contributions*

Participants may elect to have a percentage or specified dollar amount deducted from their eligible compensation as defined by the Plan document. The amount that is elected to be deducted will be made on a pre-tax or Roth basis. A participant may elect to increase, decrease or suspend deductions according to procedures established by the Employer. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to the statutorily permitted amount. Contributions are subject to certain annual Internal Revenue Code ("IRC") dollar limits.

Participants may also rollover or transfer amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Employer makes a non-elective contribution of 3% of eligible compensation to eligible participants. In addition, the Employer makes a matching contribution, for participants who made contributions, in the amount of 100% of the participant's contributions not to exceed 4% of the participant's eligible compensation. Participants must complete one year of service to be eligible to receive the Employer non-elective contribution or the Employer matching contribution.

### *Participant Accounts*

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

## 1. Description of Plan *(continued)*

### *Vesting*

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer contribution portion of their account is as follows:

| Years of Service | Vesting Percentage |
|---|---|
| 1-2 | 33% |
| 2-3 | 66% |
| 3 or more | 100% |

### *Forfeitures*

If a participant terminates employment and is less than 100% vested, the participant forfeits the non-vested portion of their account balance. Forfeitures are retained in the Plan and are used to reduce future Employer contributions or pay administrative expenses. At December 31, 2025 and 2024, forfeited non-vested accounts totaled $23,436 and $24,544. In 2025, no amounts were used to reduce Employer contributions and forfeitures of $13,006 were used to pay administrative expenses.

### *Notes Receivable from Participants*

Participants may borrow from their accounts up to a maximum amount equal to the lesser of 50% of their vested account balance or $50,000. Participant loans are secured by the balance in the participant's account and bear interest at prime rate plus one percent. Loans must be repaid within five years, unless the loan is used to purchase a participant's principal residence or the participant is on authorized leave for military service for a period which extends the maturity date of the loan beyond five years. Principal and interest is paid ratably through payroll deductions.

### *Payment of Benefits*

Upon termination of service due to death, disability, retirement or other reason, a participant is entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account. The Plan permits participants who have attained age 59½ to receive in-service distributions.

A participant may apply for a hardship withdrawal at any time. This withdrawal must be for an immediate and heavy financial need as determined based on Internal Revenue Service Regulations.

## 2. Summary of Significant Accounting Policies

### *Basis of Accounting and Use of Estimates*

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## 2. Summary of Significant Accounting Policies *(continued)*

### *Fair Value Measurements*

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

### *Investment Valuation and Income Recognition*

All of the Plan's investments are stated at fair value except for the guaranteed investment contract, which is stated at contract value. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The Plan's investment in the insurance company general account is reported at fair value, as determined using information provided by the insurance company. The valuation considers the contractual terms and other relevant inputs, which may include the contract value. Due to the absence of an active market and the use of unobservable valuation inputs, the determination of fair value involves estimation. The Plan's investment in the guaranteed investment contract is reported at contract value, which represents contributions made under the contract, plus interest credited, less participant withdrawals and applicable fees. Contract value is considered the relevant measurement attribute for a fully benefit-responsive investment contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded upon a distributable event.

### *Payment of Benefits*

Benefits are recorded when paid.

### *Expenses*

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from the financial statements. Investment related expenses are included in net appreciation in value of investments.

### *Subsequent Events Evaluation by Management*

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 14, 2026.

## 3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in value of investments, interest and dividend income, and interest on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company ("Mutual of America"), Empower Life & Annuity Insurance Company of America and Empower Trust Company, LLC (collectively "Empower"), qualified institutions.

**4. Investments *(continued)***

***Guaranteed Interest Account***

Participants have the option to invest in a benefit-responsive investment contract with Empower Life & Annuity Insurance Company of America. The Guaranteed Interest Account (the "GIA") is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets of the portion of the Empower Life & Annuity Insurance Company of America general account that is used to determine the GIA's crediting rate compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset at least annually and no more frequently than quarterly for some contracts. Participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their account balance at contract value.

Because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract.

Certain events limit the ability of the Plan to transact at contract value. Such events include: (1) removal of a group of participants from plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the Employer or (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan sponsor's business. Such events may also include (1) removal from the Plan of one or more groups or classifications of participants; (2) partial or complete Plan termination; or (3) Plan disqualification.

***Interest Accumulation Account***

Amounts placed in the Mutual of America Interest Accumulation Account are credited with interest at a rate determined by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company guarantees to credit interest for the life of the contract to amounts in the Interest Accumulation Account of their general account at a rate of at least equal to the greater of: (1) any contractual minimum guarantee provided by the contract; or (2) the minimum rate required by applicable state law or, if no state law minimum rate is applicable to a contract, the minimum guaranteed credited interest rate will be set pursuant to National Association of Insurance Commissioners ("NAIC") standard non-forfeiture law. The NAIC minimum rate is determined in accordance with a formula, and cannot be less than 1.00% or more than 3.00% in any event. Mutual of America Life Insurance Company determines whether the application of the formula will change the minimum guaranteed rate each November, and any change is effective the following January 1 for that calendar year.

The Mutual of America Interest Accumulation Account is not a fully benefit-responsive investment contract and may be subject to withdrawal or transfer restrictions under certain plan or contract provisions.

## 4. Investments *(continued)*

### *Interest Accumulation Account (continued)*

The interest rate under that contract will not go below that amount regardless of the minimum rate that is set for a calendar year. In Mutual of America Life Insurance Company's sole discretion, they may credit a higher rate of interest to a participant's contract in the general account, although they are not obligated to credit interest in excess of the minimum guaranteed rate. Mutual of America Life Insurance Company compounds interest daily on the contract amounts in the general account to produce an effective annual yield that is equal to the stated interest rate.

## 5. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their Employer contributions.

## 6. Tax Status

On November 29, 2024, the Internal Revenue Service ("IRS") issued an opinion letter to the pre-approved document preparer indicating that the Plan, as then designed, qualifies under Section 403(b) of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

## 7. Party-in-Interest Transactions

Certain Plan investments are managed by Empower. Empower is the trustee and a custodian of the Plan, and therefore, these transactions qualify as exempt party-in-interest under ERISA.

Certain Plan investments are managed by Mutual of America. Mutual of America is a custodian of the Plan, and therefore, these transactions qualify as exempt party-in-interest under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain employees of the Employer, who may also be participants in the Plan, perform administrative services for the Plan at no cost to the Plan.

## 7. Party-in-Interest Transactions *(continued)*

The Plan and Empower have entered into a revenue sharing arrangement whereby a portion of the revenue earned by certain funds is passed through to the Plan for payment of permitted Plan expenses. In order for the Plan to receive credits as a result of this arrangement and to use this credit to pay Plan expenses, the Employer created the Plan Expense Account ("PEA") under the Plan. The PEA is a cash account within the Plan, similar in design to forfeiture accounts, and is used to record-keep the re-distribution of plan-generated fund revenue. The PEA balance was $11,082 and $788 at December 31, 2025 and 2024. In 2025, $65,075 was used to pay administrative expenses.

## 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## 9. Form 5500 Reconciliation

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 at December 31:

|---|---|---|
| Net assets available for benefits per the financial statements | $ 16,038,877 | $ 14,518,353 |

| Net Assets Available for Benefits per Form 5500 | $ 15,927,851 | $ 14,384,364 |

The following is a reconciliation of the net change per the financial statements to the Form 5500 for the year ended December 31, 2025:

| | |
|---|---|
| Net Increase per the financial statements | $ 1,520,524 |
