INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of the
Partner Hero 401(k) Plan
Boise, Idaho

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Partner Hero 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Partner Hero 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Partner Hero 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Partner Hero 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Partner Hero 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Partner Hero 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2025 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on Compiled 2024 Financial Statement

We performed a compilation engagement with respect to the 2024 financial statement. We did not audit or review the 2024 financial statement and, accordingly, express no opinion or other form of assurance on it.

NOTE A – DESCRIPTION OF PLAN

The following brief description of the Partner Hero 401(k) Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on January 10, 2017. The Plan is a defined contribution plan under section 401(k) of the Internal Revenue Code (IRC) covering all employees of Partner Hero Inc and its affiliate PartnerHero North America, LLC (collectively referred to as "the Company") who have completed three months of service, are age 18 or older, and are not union employees, nonresident aliens, residents of Puerto Rico, or part-time, temporary, or seasonal employees whose regularly scheduled service is less than 1,000 hours of service per year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute on a pre-tax or post-tax (Roth) basis subject to the limits of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Beginning January 1, 2025, participants who are between the ages of 60 and 63 are eligible to make super catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes a safe harbor matching contribution equal to 100% of participant contributions up to 3% of compensation plus 50% of participant contributions from 3% of compensation up to 5% of compensation each pay period. Participants are eligible to receive safe harbor matching contributions upon meeting the Plan's eligibility requirements. The Company may also make discretionary nonelective contributions to the Plan. To receive an allocation of any discretionary nonelective contributions participants must be employed on the last day of the Plan year. During the year ended December 31, 2025, the Company did not make any discretionary nonelective contributions to the Plan. Participants direct the investment of their safe harbor matching contributions and discretionary nonelective contributions, if any, into various investment options offered by the Plan.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's safe harbor matching contributions, the Company's discretionary nonelective contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested at all times in all accounts.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions or ACH payments.

Benefit Payments

Participants, or their beneficiaries, may receive the vested interest of their Plan account through a distribution of benefits upon retirement, death, termination of employment, or a qualifying withdrawal. In-service distributions may be made to a participant who has not separated from service provided the participant has attained age 59 ½. Hardship withdrawals are permitted by the Plan. Benefit payments may be made in the form of lump sum distributions or installments if the participant is subject to lifetime required minimum distributions. Participants who terminate employment with a vested account balance between $1,000 and $7,000 may receive an automatic rollover of their vested account balance into an individual retirement account. Participants who terminate employment with a vested account balance of less than $1,000 may receive an automatic lump sum distribution of their balance.

Forfeited Accounts

Forfeitures result from non-vested benefit payments remaining in the Plan for all terminated employees or adjustments, if any. There are no forfeitures from non-vested benefit payments due to participants being immediately vested at all times in all accounts. Forfeitures may be used to pay Plan expenses or to reduce Company contributions. The forfeiture balance was $3,053 and $616 as of December 31, 2025 and 2024, respectively. There were no forfeitures used during the year ended December 31, 2025.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the Company's safe harbor matching contributions are recorded in the year in which the employee contributions are withheld from compensation. The Company's discretionary nonelective contributions, if any, are recorded in the year in which the participant's compensation is earned.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant does not make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees for recordkeeping, third-party administration, investment management, and investment advisory are included in administrative expenses and are allocated to participant accounts based on a pro rata formula. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses.

NOTE C – CERTIFIED INFORMATION

The following information in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained or derived from information supplied to the Plan administrator and certified to as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America.

NOTE C – CERTIFIED INFORMATION (CONTINUED)

	December 31, 2025	December 31, 2024
Investments, at fair value	$ 4,165,967	$ 3,360,895
Investment, at contract value	$ 47,665	$ 28,873
Notes receivable from participants	$ 89,355	$ 36,578
For the year ended December 31, 2025		
Net appreciation in fair value of investments	$ 562,305	
Interest and dividend income	$ 100,235	
Interest on notes receivable from participants	$ 3,336	

NOTE D – FAIR VALUE MEASUREMENTS

The *Fair Value Measurements* topic of the Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC)* establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimizes the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual funds: Valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value at December 31, 2025 and 2024:

December 31, 2025	Level 1	Total
Mutual funds	$ 4,165,967	$ 4,165,967
Investments, at fair value	$ 4,165,967	$ 4,165,967

December 31, 2024	Level 1	Total
Mutual funds	$ 3,360,895	$ 3,360,895
Investments, at fair value	$ 3,360,895	$ 3,360,895

NOTE E – GUARANTEED INVESTMENT CONTRACT – EI FIXED ACCOUNT

The Plan entered a fully benefit-responsive investment contract with Empower Annuity Insurance Company of America (formerly known as Great-West Life and Annuity Insurance Company) through a group annuity contract. Empower Annuity Insurance Company of America maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and a specified interest rate that the issuer guarantees to the Plan.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measurement attributable to fully benefit-responsive investment contracts because it is the amount received by participants if they were to initiate permitted transactions under the Plan. Contract value, as reported to the Plan by Empower Annuity Insurance Company of America, represents contributions made under the account, plus earnings, less charges under the account for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract value as of December 31, 2025 and 2024 was $47,665 and $28,873, respectively. There are no reserves against contract value for credit risk of the issuer or otherwise. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reviewed on a quarterly basis for resetting. The average yield earned by the Plan for the benefit-responsive fund can be derived from averaging the quarterly gross interest rates for the fund over the year. The average yield earned was 1.45% for the year ended December 31, 2025. The actual average yield earned by the Plan for the benefit-responsive fund can be derived by averaging the Plan's quarterly interest rates. The actual average yield for the Plan was 1.45% for the year ended December 31, 2025.

NOTE E – GUARANTEED INVESTMENT CONTRACT – EI FIXED ACCOUNT (CONTINUED)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan document (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, spinoffs and divestitures), or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) breach of material obligation under the contract, (3) material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE F – TAX STATUS

The Company has adopted a non-standardized pre-approved profit sharing plan document which obtained its latest opinion letter on November 14, 2022, in which the IRS stated that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan as of December 31, 2025 and 2024, and is not aware of any uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market rate, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor (DOL) regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others.

Empower Retirement, LLC and its affiliates Empower Trust Company, LLC, Empower Annuity Insurance Company of America, and Empower Advisory Group, LLC (collectively referred to as "Empower") are the recordkeeper, third-party administrator, trustee, and investment manager for the Plan. Fees paid to Empower have been included in administrative expenses. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Gallagher Benefit Services Inc is the investment advisor to the Plan. Fees paid to Gallagher Benefit Services Inc have been included in administrative expenses. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Notes receivable from participants are also considered party-in-interest transactions, which are exempt from the prohibited transaction rules.

NOTE J – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain amounts included on the Schedule H Part I and II on the Annual Return/Report of Employee Benefit Plans (Form 5500) have been grouped differently for purposes of presentation in the financial statements.

There are no reconciling items between the financial statements and the Form 5500 as of December 31, 2025 and 2024 and for the year ended December 31, 2025.

NOTE K – DELINQUENT PARTICIPANT CONTRIBUTIONS

Defined contribution plans are required to remit participant contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. During the year ended December 31, 2022, the Company failed to remit participant contributions totaling $23,111 to the Plan within the time frame required by DOL regulations. The Company is working with its service provider to correct the delinquent participant contributions, which remained uncorrected as of December 31, 2025

NOTE L - SUBSEQUENT EVENTS

Effective January 1, 2026, the CrescendoAI Inc. 401(k) Plan merged into the Partner Hero 401(k) Plan. Effective January 1, 2026, the Plan was amended to change its name to CrescendoAI Inc. 401(k) Plan resulting from the change in the Company's name from Partner Hero Inc to Crescendo AI Inc. As a result of the merger of the CrescendoAI Inc. 401(k) Plan into the Plan, assets totaling $1,232,009 were transferred from Matrix Trust Company to Empower Trust Company, LLC during 2026. The first transfer of assets was processed on January 28, 2026 for $1,231,753. A residual transfer was processed on March 17, 2026 for $256, which fully liquidated the CrescendoAI Inc. 401(k) Plan trust account held with Matrix Trust Company.

NOTE L - SUBSEQUENT EVENTS (CONTINUED)

The Plan has evaluated subsequent events for recognition or disclosure through October 15, 2026, the date the financial statements were available to be issued.
