INDEPENDENT AUDITORS' REPORT

To the Administrator and Participants of the
Mental Health Association of Essex and Morris, Inc.'s 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mental Health Association of Essex and Morris, Inc.'s 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)" audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mental Health Association of Essex and Morris, Inc.'s 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mental Health Association of Essex and Morris, Inc.'s 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mental Health Association of Essex and Morris, Inc.'s 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mental Health Association of Essex and Morris, Inc.'s 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mental Health Association of Essex and Morris, Inc.'s 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held At End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MENTAL HEALTH ASSOCIATION OF ESSEX AND MORRIS, INC.'S 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF THE PLAN

The following description of the Mental Health Association of Essex and Morris, Inc.'s 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General – The Plan is a participant directed defined contribution plan which was established January 1, 1999. The Plan is sponsored by Mental Health Association of Essex and Morris, Inc. (the "Organization"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Alerus Financial, N.A. (the "Custodian" or "Alerus") is the Plan's custodian and certain employees of the Organization serve as the Plan trustees. The Plan trustees are responsible for oversight of the Plan, including the appropriations of the Plan's investment offerings and monitoring investment performance. Charles Schwab Bank is a sub-custodian to Alerus and holds the Plan's assets. The Organization believes that the provisions under the Plan agreement are in compliance with the applicable requirements of the Internal Revenue Code ("IRC").

Eligibility – Any employee of the Organization is immediately eligible to participate in employee deferrals. Any employee who has completed one year of service shall be eligible to participate in the employer contributions to the Plan. Entrance to the Plan is the first day of each quarter during the Plan year following completion of the eligibility requirements.

Contributions – Each year, participants may contribute up to the maximum percentage of pre-tax annual compensation, after-tax contributions, and Roth 401(k) contributions, allowable under the IRC. From time to time the pretax contributions of certain employees, designated as highly compensated employees under IRC rules, may be limited so that the Plan may satisfy various nondiscrimination tests required under applicable Federal regulations. Also, in accordance with Internal Revenue Service ("IRS") guidelines, participants could not make contributions exceeding $23,500 during 2025. Certain eligible participants (age 50 and over) are permitted to contribute an additional $7,500 as catch-up contributions, resulting in a total pre-tax contribution of $31,000 for 2025. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes a safe harbor matching contribution equal to 100% of the employee salary deferrals, not to exceed 3% of their compensation plus 50% of their salary deferrals between 3% and 5% of their compensation. The maximum safe harbor contribution is 4%. The discretionary employer contributions are subject to limits as prescribed in the IRC. This safe harbor matching contribution is 100% vested.

The Organization may make discretionary additional matching contributions in an amount determined by the board of directors. The discretionary additional matching contributions shall be allocated to each eligible participant pursuant to the Plan agreement and totaled $600,470 for the year ended December 31, 2025.

Rollovers – Rollover contributions are permitted into the Plan in accordance with IRS regulations and Plan provisions.

1. DESCRIPTION OF THE PLAN (continued)

Participant Accounts – A separate account is maintained for each participant. Each participant's account is credited with his or her contribution, the Organization's matching contribution and discretionary contribution and an allocation of Plan earnings or losses which include any expenses charged to the Plan. Allocations of earnings or losses are based upon the investment performance of the individual funds in which each participant's account balance is invested. Allocations of expenses are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – The safe harbor matching contribution is 100% vested. Vesting in employer discretionary additional matching contributions and related earnings or losses are based on years of continuous service as follows:

Less than 2 years of service	--%
After 2 years of service	33
After 3 years of service	66
After 4 years of service	100

A participant will be 100% vested in the Organization's contributions if he or she attains age 65, incurs a total and permanent disability or dies while employed by the Organization.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Loans are secured by the balance in the participant's account. The interest rate on outstanding loan principal amounts is set at 1.00% above the prime rate as published by the Wall Street Journal, as defined by the Plan document. Principal and interest are paid ratably through payroll deductions. Upon termination of employment, the participant may either repay any outstanding balance in full or incur a tax liability on the unpaid balance. The loan period may be extended if the loan is for the purchase of a principal residence. At December 31, 2025 notes receivable mature at various dates through August 2030 and have interest rates ranging from 4.25% to 9.50%.

Benefit Payments – Under the Plan, normal retirement age is 65. On termination of service due to death, disability or retirement, a participant shall be considered 100% vested and may receive a lump-sum amount equal to the value of the participant's vested account balance. If the balance of the vested benefit exceeds $5,000, the participant must consent to the distribution before it is made. If the balance of the vested benefit does not exceed $5,000, the lump-sum distribution will be made as soon as practicable following the event. Prior to age 65, in-service withdrawals from the Plan are allowed for unusual hardship or upon attaining the age of 59 1/2.

In the event a participant's employment is terminated, the participant's accumulated vested benefits will be distributed to the participant in accordance with the provisions of the Plan.

Forfeited Accounts – Forfeited balances of participants' non-vested accounts are used to reduce future employer contributions or pay for Plan expenses. During 2025, $8,995 was utilized from forfeitures to offset employer contributions. The balance in the forfeiture account at December 31, 2025 and 2024 totaled $3,879 and $3,432, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates – The preparation of financial statements in accordance with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Valuation of Investments and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for descriptions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest is recorded when earned. Net appreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included as administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based upon the terms of the Plan agreement.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Organization and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Expenses attributable to the administration or operation of the Plan are allocated based on participant earnings, account balances, or specific participant transactions, as defined. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Payment of Benefits – Benefit payments to participants are recorded when paid.

Reclassifications – Certain amounts in the December 31, 2024 financial statements have been reclassified to conform to the December 31, 2025 financial statement presentation. These reclassifications had no effect on the previously reported results of operations.

3. INFORMATION CERTIFIED BY CUSTODIAN

Plan administration has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

3. INFORMATION CERTIFIED BY CUSTODIAN (continued)

Accordingly, as permitted under such election, the Plan's management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Alerus, except for comparing such information certified by the Custodian with information included in the Plan's financial statements and supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held At End of Year).

	2025	2024
Statement of net assets available for benefits		
Investments:		
Common collective trust	$ 1,562,625	$ 1,181,954
Mutual funds	10,767,868	8,914,099
	$ 12,330,493	$ 10,096,053

- Investment income for the year ended December 31, 2025 as shown in the accompanying statement of changes in net assets available for benefits included dividend and interest income of $308,075.
- The Plan's investments appreciated in value by $1,112,454 for the year ended December 31, 2025.
- All investment-related information in the accompanying supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held At End of Year) as of December 31, 2025.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 - Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

4. FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Common Collective Trust: Valued at the NAV of units of a bank collective trust. NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Mutual Funds: Valued at the daily quoted closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth the Plan investment assets at fair value by level within the fair value hierarchy as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 10,767,868	$ -	$ -	$ 10,767,868
Total assets in fair value hierarchy	10,767,868	-	-	10,767,868
Investments measured at net asset value (a)	-	-	-	1,562,625
Investments, at fair value	$ 10,767,868	$ -	$ -	$ 12,330,493

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table sets forth the Plan investment assets at fair value by level within the fair value hierarchy as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 8,914,099	$ -	$ -	$ 8,914,099
Total assets in fair value hierarchy	8,914,099	-	-	8,914,099
Investments measured at net asset value (a)	-	-	-	1,181,954
Investments, at fair value	$ 8,914,099	$ -	$ -	$ 10,096,053

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENTS (continued)

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024:

	2025	2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Morley Stable Value Fund	$ 1,562,625	$ 1,181,954	N/A	Daily	None
Common collective trusts	$ 1,562,625	$ 1,181,954			

5. FEDERAL INCOME TAX STATUS

The Plan has adopted a prototype non-standardized 401(k) plan, which received a favorable opinion letter from the IRS dated on June 30, 2020, which states that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal or state taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities including a common collective trust and mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the opportunity to diversify investments across multiple participant-directed fund elections including active and passively managed funds covering multiple asset classes. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

6. RISKS AND UNCERTAINTIES (continued)

The following table sets forth the Plan investment assets at fair value that represent a concentration equal to or greater than 10% of the Plan's net assets available for benefits as of December 31, 2025 and 2024:

	2025	2024
U.S. Large Cap Value III	$ 1,786,027	$ 1,370,613
U.S. Targeted Value	*	1,121,516
Morley Stable Value Fund	1,562,625	1,181,954

* Below 10% threshold for the year.

7. SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included the Setting Every Community Up for Retirement Enhancement ("SECURE") Act 2.0. The SECURE Act 2.0 contains over ninety new retirement provisions, with varying effective dates through 2027. Since the SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Applicable provisions outlined in the SECURE Act 2.0 will be adopted if elected and/or required. The Plan administrator did not adopt any of the optional provisions for 2025 and accordingly, there was no material impact to the Plan's 2025 financial statements.

8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Alerus is the custodian and record-keeper for the Plan. Alerus provides certain administrative services to the Plan pursuant to the Adoption Agreement between the Organization and Alerus. Fees paid to Alerus for the year ended December 31, 2025 totaled $7,730. Loans to participants are secured by the balances in the respective participants' accounts. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

9. PLAN TERMINATION

Although the Organization has not expressed any intention to do so, it reserves the right to modify, suspend, amend or terminate the Plan in whole or in part at any time subject to the provisions of ERISA. If the Plan is terminated, the amounts credited to the employer contribution accounts of all participants become fully vested.

10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2026, the date which the financial statements were available to be issued. Based upon this evaluation, the Plan has determined that no subsequent events have occurred which would require disclosure in or adjustment to the financial statements.

11. RECONCILIATION TO FORM 5500

No material differences exist between the financial statements and Form 5500.
