INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Kaspar Companies Employee Benefit Plan Trust
Shiner, Texas

Opinion
We have audited the financial statements of Kaspar Companies Employee Benefit Plan Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits – modified cash basis of Kaspar Companies Employee Benefit Plan Trust as of December 31, 2025 and 2024, and the changes in its net assets available for benefits – modified cash basis for the years then ended, in accordance with the modified cash basis of accounting described in Note A.

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting
We draw attention to Note A of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note A, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements - continued
Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

KASPAR COMPANIES EMPLOYEE BENEFIT PLAN TRUST
Notes to Audited Financial Statements
December 31, 2025 and 2024

NOTE A – SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The Kaspar Companies Employee Benefit Plan Trust (Plan) prepares its financial statements on the modified cash basis of accounting, which differs from U. S. generally accepted accounting principles. Under U. S. generally accepted accounting principles, revenue and the related assets are recognized when earned, and expenses are recognized when obligations are incurred. Under the modified cash basis of accounting, additions to the Plan and the related assets are recognized when collected, and deductions from the Plan are recognized when disbursed, or in certain cases, as the Plan Sponsor becomes aware of the claim.

Cash: Cash includes all readily available cash including those accounts with original maturities of three months or less.

Concentrations of Credit Risk: Financial instruments that potentially subject the Plan to concentrations of credit risk consist principally of temporary cash investments. The Plan maintains cash deposits with banks, which, from time-to-time, may exceed federally insured limits.

Subsequent Events: Subsequent events have been evaluated by management through the date of the independent auditor's report, the date the financial statements were available to be issued. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

Use of Estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

NOTE B – PLAN DESCRIPTION

The following description of the Kaspar Companies Employee Benefit Plan Trust provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General: The Plan provides benefits covering substantially all employees of the following: Kaspar Companies, Inc. (the Plan Sponsor), Kaspar Properties, Inc.; Kaspar Texas Traditions, Texas Precious Metals LLC; PM Web Assets LLC; Trailboss Equipment, LLC; Espresso LLC; Kaspar Wire Works, Inc; Ratliff Traditions, LLC; Texas Ammunition LLC; Kaspar Trucking LLC; Kaspar Outdoors, LLC; Kaspar Horse Barn, LLC; Veritas Ark Fund, LLC; Havenly, LLC; Lone Star Haven, LLC; Yall Street Asset Management, LLC; Yall Street Media, LLC; TPMD SWISS, LLC; TPM SWISS, LLC; NEBU USA, LLC; and Welhausen Legacy LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: The Plan agreement provides that the Plan Sponsor and the participants make contributions to the Plan from time to time and in such amounts as to provide benefits under the Plan determined by the application of accepted actuarial methods and assumptions. The method of funding shall be consistent with the Plan objectives.

NOTE B – PLAN DESCRIPTION – continued

Benefits: The Plan provides health benefits (major medical, short-term disability, and death) covering substantially all full-time employees of the Plan Sponsor with one month of service. Benefit obligations in excess of the net assets available for benefits are absorbed by the Plan Sponsor. The Sponsor has in place a specific stop loss policy for any medical claim over $125,000 per policy year in 2025 and 2024. The Plan had recoveries under the stop loss agreement of $300,181 in 2025 and $246,459 in 2024.

Changes in Funding Arrangement: Through February 28, 2025, participant benefit claims were self-insured and paid from the assets of the Kaspar Companies Employee Benefit Plan Trust established under IRC 501(c)(9). Effective March 1, 2025, the Plan converted to fully insured coverage through Blue Cross Blue Shield, and the Plan Sponsor discontinued paying claims through the VEBA trust. Claims incurred during the self-insured period were processed during a run-out period following the conversion and have been fully paid; no further claims are expected to be incurred with respect to the self-insured period. The Plan trust remains in existence and has not been terminated or dissolved; the Plan Sponsor has retained it as a funding vehicle for possible future use.

Termination: Although it has not expressed intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

NOTE C – FEDERAL TAX STATUS

The trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)9, and accordingly, the trust's net income is exempt from income taxes. The Plan Sponsor has not obtained a tax determination letter from the Internal Revenue Service. However, the Plan Sponsor believes that the trust qualifies for tax exemption as designed. The Plan did not complete non-discrimination testing for the years ended December 31, 2025 and 2024; however, the Trustees believe the Plan was in full compliance with such laws and regulations in 2025. Management is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination. The Plan is not subject to the Texas margin tax.

NOTE D – TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan’s administrative expenses are paid either by the Plan or the Plan Sponsor as allowed by the Plan document. Expenses paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits – modified cash basis.

NOTE E – RETIREMENT BENEFIT OBLIGATIONS

The Plan presents its financial statements on the modified cash basis of accounting. Accordingly, claims payable (claims in-house), as well as claims incurred but not reported (IBNR) are not included in the statement of net assets available for benefits – modified cash basis.

NOTE E – RETIREMENT BENEFIT OBLIGATIONS – continued

Because all self-insured claims incurred on or before February 28, 2025 have been reported and paid, and all coverage on and after March 1, 2025 is fully insured with claims being the obligation of the insurance carrier, the Plan reports no obligation for claims incurred but not reported as of December 31, 2025.

The following table presents the components of the Plan's benefit obligations, and the related changes in benefit obligations, as of and for the year ended December 31:

	2025	2024
