To the Plan Administrator and Trustees of
The Retirement Plan of Saratoga Hospital
211 Church Street
Saratoga Springs, NY 12866

We have audited the financial statements of the Retirement Plan of Saratoga Hospital, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2025, and we will issue our report thereon dated October 9, 2026. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by State Street Bank and Trust Company, Empower Life & Annuity Insurance Company of New York, and Empower Trust Company, LLC, the custodians, which qualify as a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 12, 2026. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2025. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

> Management's estimate of the fair value of investments. The Plan's investments are stated at fair value with the exception of the fully benefit responsive contract which is at contract value. We obtained a certification from State Street Bank and Trust Company, Empower Life & Annuity Insurance Company of New York, and Empower Trust Company, LLC, the custodians of the Plan, stating investment values at year end were complete and accurate in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

> The disclosure of the Plan description in Note 1 to the financial statements because of the significance of the overall Plan features.
>
> The disclosure of the fair value of investments in Note 4 and 5 to the financial statements because of the materiality of investments compared to the financial statements taken as a whole and State Street Bank and Trust Company, Empower Life & Annuity Insurance Company of New York, and Empower Trust Company, LLC's certifications.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. No such misstatements were noted.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

Participant Auto-Enrollment Following Rehire

During our eligibility testing, we identified participants who were not timely auto-enrolled following rehire because the necessary information was not timely provided to the recordkeeper, resulting in missed contributions. We recommend that management strengthen procedures for identifying rehired employees, transmitting eligibility information, confirming enrollment, and correcting any missed contributions.

Untimely Remittance of Participant Contributions

During our testing, we identified three off-cycle payroll adjustments for which participant deferrals were remitted late, potentially resulting in lost earnings to participants. We recommend that management enhance procedures for monitoring manual and off-cycle payrolls to ensure deferrals are remitted timely and any lost earnings are promptly calculated and funded.

Manual and Off-Cycle Payroll Processing

During our audit, we identified instances in which Plan-related adjustments resulting from manual and off-cycle payroll runs were not accurately or timely reflected in the Plan trust. Certain amounts that should have been contributed to the Plan were not remitted timely, while other amounts that should have been removed from the Plan remained in the trust. Although the total errors identified were immaterial to the financial statements, these matters indicate that additional review procedures over manual and off-cycle payroll activity would help ensure that related Plan transactions are properly processed.

We recommend that management implement procedures to review manual and off-cycle payroll activity for Plan-related adjustments and verify that any resulting contributions, refunds, or corrections are accurately and timely reflected in participant accounts and the Plan trust.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 9, 2026.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship, and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan Administrator, Board of Trustees and management of the Retirement Plan of Saratoga Hospital and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

UHY LLP
