INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees
Law Offices of Steven J. Malman Profit Sharing Plan
Chicago, IL 60606

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit – 2025 Financial Statements
We have performed an audit of the accompanying financial statements of Law Offices of Steven J. Malman Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Law Offices of Steven J. Malman Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the Financial Statements
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America described in Note 2.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Law Offices of Steven J. Malman Profit Sharing Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Law Offices of Steven J. Malman Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103 (a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Law Offices of Steven J. Malman Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Law Offices of Steven J. Malman Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year as of December 31, 2025 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Compiled 2024 Statement of Net Assets Available for Benefits

Plan management is responsible for the accompanying statement of net assets available for benefits of Law Offices of Steven J. Malman Profit Sharing Plan as of December 31, 2024. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2024 statement of net assets available for benefits nor were we required to perform procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the statement of net assets available for benefits.

Note 1 DESCRIPTION OF PLAN

The following description of the Law Offices of Steven J. Malman Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Law Offices of Steven J. Malman & Associates, P.C. (the "Plan Sponsor"), who have attained the age of twenty-one and have completed one year of eligibility service. This includes completing at least 1,000 hours of service within a consecutive 12-month period beginning with the first day of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Administration

The Plan is administered by a third-party administrator and recordkeeper, PCS Retirement, LLC. AdvisorTrust, Inc. is responsible for the custody of the assets and Lifeworks Advisor, LLC manages the Plan's assets.

Contributions

Participant Contributions

Eligible employees may contribute up to 100% of pre-tax or post-tax annual compensation with a limit of $23,500 and $23,000 in 2025 and 2024, as defined in the Plan. Contributions must be made through payroll deductions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (i.e., rollover contributions). Participants who have attained age 50 before the end of the plan year are eligible to make tax-deferred catch-up contributions. Roth contributions are also allowed.

Safe Harbor Contributions

The Plan Sponsor will make a Safe Harbor contribution to each participant in an amount not less than 3% of their compensation for the year. In order to receive a safe harbor contribution, you must meet the eligibility requirements. These contributions are calculated on a plan year basis and funded in arrears following the conclusion of the plan year. At December 31, 2025, the calculated amount for the plan was $439,933. This amount is recorded as an Employer Contribution Receivable and was subsequently funded by the Sponsor in September and October 2026.

Company Contributions

The Plan Sponsor also may make discretionary profit-sharing contributions. In order to receive a company contribution, you must meet the eligibility requirements along with being employed by the company on the last day of the Plan year. These contributions are calculated on a plan year basis and funded in arrears following the conclusion of the plan year. Management has elected to not make a discretionary contribution for the 2025 plan year.

Note 1 DESCRIPTION OF PLAN (continued)

Participant Accounts
Each participant's account is funded with the participant's contributions and allocations of the Plan Sponsor's contributions, if any, and allocations of Plan earnings or losses. Allocations are based on participant account balances or compensation, as defined by the Plan. Participants are entitled to the vested portion of their account.

Vesting
Participants are immediately vested in their contributions along with the Plan Sponsor's Safe Harbor contributions, and any related earnings. Participants begin vesting their portion of the Plan Sponsor's profit sharing after one year of service. The vesting percentage is as follows: i) less than one year, 0% vested, (ii) one year but less than two years, 20% vested, (iii) two years but less than three years, 40% vested, (iv) three years but less than four years, 60% vested, (v) four years but less than five years, 80% vested and (vi) five or more years, 100% vested.

Notes Receivable from Participants
Participants may borrow from their accounts a minimum of $1,000 and a maximum of the lesser of $50,000 or 50% of their vested account balance. There may be only one loan outstanding at any given time. The loan may be used for a maximum of five years. A loan made for the purchase of a primary residence may have a maximum term of thirty years. The loan is secured by at least fifty percent of the balance in the participant's account and bear interest at the prime rate, fixed at the time of the loan, as defined. Principal and interest are repaid through payroll deductions.

Investment Options
Plan investments are participant directed. Upon enrollment in the Plan, a participant may direct contributions in any of the then available investment fund options. Participants may change or transfer their investment options at any time via a secure internet website.

Payment of Benefits
Vested account balances are payable upon retirement, death or disability, or termination of employment. In-service distributions are also permitted after meeting certain requirements in accordance with Plan provisions. Distributions are made in a lump sum payment. If an employee terminates employment, the Plan can make distributions of vested participant accounts that are $5,000 or less.

Forfeitures
Forfeited balances of terminated participants' non-vested accounts are used to offset plan expenses or may be used to reduce the employer contribution. Forfeited amounts in 2025 and 2024 totaled $27,419 and $1,613.

Note 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation
The Plan's financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Certain prior year amounts in the financial statements and notes thereto have been reclassified to conform to the current year's presentation.

Management Estimates
The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value (see Note 3). Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's realized and unrealized gains and losses on investments bought and sold and held at year-end.

Benefit Payments and Distributions
Benefits and distributions are recorded when paid.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus accrued interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Delinquent notes receivable from participants are recorded as distributions on the basis of the terms of the Plan agreement.

Operating Expenses
Certain expenses incurred maintaining the Plan are paid directly by the Plan Sponsor and excluded from these financial statements. Investment-related expenses are included in net investment gain/(loss) of investments. Certain participant services and recordkeeping fees are charged to the participants' account.

Note 3 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by unobservable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques must maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 3 FAIR VALUE MEASUREMENTS (continued)

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025, and 2024:

December 31, 2025	Level 1	Level 2	Level 3	Total
Mutual funds	$ 10,063,339	$ -	$ -	$ 10,063,339

December 31, 2024	Level 1	Level 2	Level 3	Total
Mutual funds	$ 7,487,420	$ -	$ -	$ 7,487,420

For the years ended December 31, 2025 and 2024, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

Note 4 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Notes receivable from participants qualify as party-in-interest transactions. Fees paid by the Plan for loan administration services totaled $375 and $125 for the years ended December 31, 2025 and 2024, respectively.

Note 5 PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsor has the right to amend or terminate the Plan subject to the provisions of ERISA. If the plan is terminated, participants will be entitled to the full amount in their account as of the date of termination, regardless of the percent vested at the time of termination. See Note 10.

Note 6 TAX STATUS

The Plan adopted a Volume Submitter Plan sponsored by CCH Incorporated, DBA FTWilliam.com dated December 31, 2018. The Plan is qualified under Code Section 401(a) of the Internal Revenue Code. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Tax returns are generally open for a three-year period after being filed. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8 ERISA SECTION 103(a)(3)(C) AUDIT

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the following information was certified as complete and accurate by the Custodian, AdvisorTrust, Inc. for the years ended December 31, 2025 and 2024:

- Investment assets
- Investment income and activity
- Schedule of assets held for investment purposes
- Notes receivable from participants and related interest income

Note 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 10,522,442	$ 8,195,576
Employer contributions receivable	(439,933)	(700,607)
Net assets available for benefits per Form 5500	$ 10,082,509	$ 7,494,969

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2025 to Form 5500:

Net increase in Net Assets Available for Benefits - FS	$ 2,326,866
Corrective contributions accrued in current period	(439,933)
Corrective contributions made for prior year	700,607
Net increase (decrease) per Form 5500	$ 2,587,540

Note 10 SUBSEQUENT EVENTS

Plan management has evaluated events and transactions through October 14, 2026, the date the financial statements were available to be issued.

In May 2026, the Plan Sponsor was sold to a third party. The Plan will terminate in late 2026 and the assets will be transferred into Orion Service Company, LLC 401K Plan. The Plan assets will be held by John Hancock.
