INDEPENDENT AUDITORS' REPORT

To the Trustees
of the Central Valley Meat Co. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Central Valley Meat Co. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CENTRAL VALLEY MEAT CO. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Central Valley Meat Co. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of Central Valley Meat Company, Inc., Central Valley Meat Holding Company, Triple C Trucking, Inc., Harris Ranch Beef Company, Harris Feeding Company, and CLW Foods, LLC (together hereafter referred to as the Employer) who have completed one year of service with at least 1,000 hours worked and are age 18 or older. The Plan offered a one-time waiver of the eligibility requirements for the Harris Ranch Beef Company and Harris Feeding Company employees effective July 1, 2019. The Plan was established effective January 1, 2017 as a participant-directed plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's trustees are responsible for the oversight of the Plan and the appropriateness of the Plan's investment offerings. The Plan participants are responsible for monitoring the performance of investments in which they choose to allocate Plan contributions.

Contributions: Each year, participants may contribute up to the maximum amount allowable under Internal Revenue Service limits, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, classified as rollover contributions. The Employer contributes a matching contribution of 50% of the first 6% of the participant's salary reduction contributions for the Plan year. The Employer may also contribute an amount designated as a discretionary contribution. Contributions are subject to certain limitations. Participants direct the investment of all contributions into various investment options offered by the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions, the Employer's contributions, an allocation of Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

An individual account is maintained for each participant, which includes the following components:

1. Employee contributions
2. Employer contributions
3. The participant's pro rata share of net investment income
4. Deductions for benefits paid to participants

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is fully vested after six years of credited service. Vesting service includes all years of service completed after January 1, 2017.

Notes Receivable from Participants: The Plan does not permit loans to participants. Loan rollovers from a qualified plan by Plan participants are allowed. The loans are secured by the balance in the participant's account and bear interest at 7.5% at December 31, 2025 and 2024 for the term of the loan, not to exceed 5 years. At December 31, 2025 and 2024, notes receivable from participants totaled $0 and $0, respectively. Principal and interest is paid ratably through payroll deductions. The last remaining notes receivable from participants were paid in full during the year ended December 31, 2024.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Payment of Benefits: On termination of service due to death, disability, or retirement at the normal retirement age of 65, or the participant's fifth anniversary of the first day of the Plan year participation, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments over a period of not more than his or her assumed life-expectancy (or the assumed life expectancy of his or her beneficiary), with respect to lifetime minimum required distributions. However, if the participant's vested balance does not exceed $5,000 at the time of termination of service due to death, disability, or retirement, the participant's vested balance can only be distributed to him or her in a single lump-sum payment.

A participant whose service is terminated for reasons other than death, disability or retirement and has a vested account balance in excess of $5,000 may elect to have his or her vested account balance distributed to him or her as soon as administratively feasible in only a lump-sum payment. However, if the value of his or her vested account balance does not exceed $5,000, then a distribution will be made to the participant regardless of whether he or she consents to receive it.

If a mandatory payment is being made to a participant because his or her vested interest in the Plan exceeds $200 but is less than $5,000, then the Plan will roll over the distribution to an IRA if the participant does not make an affirmative election to either receive a rollover or distribution. The Plan administrator will notify the employee if the automatic rollover provisions apply to the distribution. After receiving this notice, the employee will have an opportunity to decide whether they wish to receive an automatic payment directly in cash or have it rolled into an eligible retirement plan or IRA. The automatic rollover will be invested in an investment product designed to preserve principal and provide a reasonable rate of return and liquidity, whether or not such return is guaranteed, consistent with liquidity.

In-service distributions and hardship withdrawals other than distributions from rollover accounts are not allowed according to Plan provisions.

Forfeited Accounts: At December 31, 2025 and 2024, forfeited nonvested accounts totaled $145,736 and $92,624, respectively. Forfeited non-vested accounts can be used to pay administrative expenses or reduce future employer contributions. For the year ended December 31, 2025 and 2024, $145,736 and $92,624, respectively, were used to reduce plan expenses and the employer matching contribution.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded as income to the Plan. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. During the years ended December 31, 2025 and 2024, notes receivable totaling $0 and $0, respectively, were in default and reclassified as distributions. In accordance with FASB ASU No. 2016-13, *Financial Instruments – Credit Loss*, financial assets measured at amortized cost basis are to be presented at the net amount expected to be collected. The notes receivable from participants were measured for all expected credit losses based on historical experience, current conditions, and reasonable and supportable forecasts about collectability. No allowance for credit losses was recorded as of December 31, 2025 and 2024.

Corrective Distributions Payable: Corrective distributions payable to participants are measured as their excess contribution plus any earnings thereon. Corrective distributions payable at December 31, 2025 and 2024 were $98,925 and $76,411, respectively.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan sponsor. Expenses that are paid by the Plan sponsor are excluded from these financial statements. Certain fees related to the administration of the Plan are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. There were no such expenses paid for by the Plan sponsor during the years ended December 31, 2025 and 2024.

Subsequent Events: In compliance with accounting standards, management has evaluated events that have occurred after year-end to determine if these events are required to be disclosed in the financial statements. Management has determined that no events require disclosure in accordance with accounting standards. These subsequent events have been evaluated through October 15, 2026, the date which the financials were available to be issued.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, John Hancock Life Insurance Company, the custodian of the Plan, has certified as being complete and accurate the investments on the Statements of Net Assets Available for Benefits, the investment activity reflected in the Statements of Changes in Net Assets Available for Benefits, and the investment information included in the supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), to the financial statements as of and for the years ended December 31, 2025 and 2024. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any additional auditing procedures with respect to the information certified as complete and accurate by the Plan's custodian.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (continued)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian:

	2025	2024
Cash	$ 145,736	$ 92,624
Investments at fair value	23,986,539	19,917,656
Investment income (loss):		
Net appreciation (depreciation) in fair value of investments	$ 3,443,649	$ 2,417,392
Other income	6,414	464
Interest on notes receivable from participants	-	39

NOTE 4 – INVESTMENTS

The Plan provides that contributions to the Plan will be invested in certain individual programs offered by John Hancock Life Insurance Company and as directed by each participant. Participants may change their investment options as desired.

NOTE 5 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 5 – FAIR VALUE MEASUREMENTS (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024 and there have been no transfers between levels during the years ended December 31, 2025 and 2024.

- *Cash and cash equivalents:* The carrying amounts reported in the Statements of Net Assets Available for Benefits for cash and cash equivalents approximate those assets' fair values.

- *Mutual funds:* Valued at the net asset value (NAV) of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables list assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025

	Level 1	Level 2	Level 3	Total
Cash	$ 145,736	$ -	$ -	$ 145,736
Mutual funds	23,986,539	-	-	23,986,539
Total assets at fair value	$ 24,132,275	$ -	$ -	$ 24,132,275

Assets at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Cash	$ 92,624	$ -	$ -	$ 92,624
Mutual funds	19,917,656	-	-	19,917,656
Total assets at fair value	$ 20,010,280	$ -	$ -	$ 20,010,280

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employers of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such employer or employee association, or relatives of such persons.

The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (continued)

The trustee of the Plan, who is also an owner of the Plan sponsor and a relative employed by the Plan sponsor, are participants in the Plan and, therefore, qualify as parties-in-interest. The Plan's sponsor provided certain administrative services at no cost to the Plan. These transactions are considered to be exempt party-in-interest transactions.

The Third-Party Administrator of the Plan, the investment advisor to the Plan, and the Trust holding plan assets provide various services to the Plan and receive compensation and other fees for these services and, therefore, qualify as parties-in-interest. For the years ended December 31, 2025 and 2024, total fees and commissions paid to these parties-in-interest totaled $222,885 and $179,589, respectively.

There were no transactions with any parties-in-interest that would be considered prohibited transactions by DOL regulations.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent vested in their employer contributions. Participant accounts will be distributed as soon as administratively practicable after the Plan is terminated.

NOTE 8 – TAX STATUS

The Internal Revenue Service has provided a favorable determination in a letter dated March 31, 2014, that the form of the plan provided by the volume submitter is designed in accordance with applicable sections of the Internal Revenue Code (IRC). This plan format was subsequently adopted by the Plan and related trust upon its establishment on January 1, 2017. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the Statements of Net Assets Available for Benefits.
