INDEPENDENT AUDITOR'S REPORT

October 15, 2026

To the Trustees
403(b) Thrift Plan for Employees of
Community Hospice & Health Services
Modesto, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of 403(b) Thrift Plan for Employees of Community Hospice & Health Services (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions, Empower Trust Company, LLC and Ascensus Trust Company and Newport Trust Company, LLC, the current trustees, and Mutual of America Life Insurance Company, the former trustee, as of and for the year ended December 31, 2025, and Empower Trust Company, LLC and Mutual of America Life Insurance Company, the former trustee, as of December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit

opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets Held at End of Year as of or for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other

records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

NOTES TO FINANCIAL STATEMENTS

Note 1 Description of the Plan

The following description of the 403(b) Thrift Plan for Employees of Community Hospice & Health Services (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General The Plan is a participant directed defined contribution plan covering all employees of Community Hospice & Health Services (Community Hospice Inc., Community Hospice Foundation, and CHI Management, Inc.,) (the Sponsors). Effective January 1, 2009, IRS regulations required the Plan Sponsor to adopt a written Plan document. Per the Plan document, an employee is eligible to contribute salary deferrals immediately and eligible to participate in employer contributions on the first day of the payroll period that coincides with or immediately follows the date the employee completes six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

Effective October 2025, the Plan changed trustees from Mutual of America Life Insurance Company to Ascensus Trust Company and Newport Trust Company, LLC. With this change in trustee, the Plan was restated effective October 1, 2025.

Contributions Eligible employees of the Sponsors may elect to contribute up to the applicable limits allowed under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Sponsors may elect to make matching contributions and additional discretionary contributions that are not to exceed limits as defined by Internal Revenue Code.

Participant Accounts Each active participant's account is credited with the participant's contribution and allocation of (a) the Sponsors' contribution, (b) plan earnings, and charged with an allocation of administrative expenses and (c) any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.60% to 7.25%. Loan terms, unless for the purchase of a principal residence, are not to exceed five years. Principal and interest are paid ratably through payroll deductions. Delinquent loans are treated as distributions based upon the terms of the plan document.

Group Annuity Loans Mutual of America Life Insurance Company accounts for notes receivable from participants as group annuity loans. For a group annuity loan, the amount borrowed plus a loan reserve (20% of the loan amount) is secured against the interest accumulation account held with Mutual of America Life Insurance Company. The funds are not deducted from the participant's account balance, instead loan proceeds come from Mutual of America Life Insurance Company's general assets. Principal repayments are applied to reduce the amount secured by assets held in the interest accumulation account, and a portion of the interest paid by the participant is retained by Mutual of America Life Insurance Company as compensation. The interest rate is variable and subject to change at the beginning of each quarter. As of December 31, 2024, Mutual of America Life Insurance Company has loaned $271,164 to participants. These amounts are reflected in the cash equivalent,

Note 1 Description of the Plan (Continued)

Group Annuity Loans (Continued) interest accumulation account on the statements of net assets available for benefits. The loans bear interest at 4.60% to 5.85%.

Payment of Benefits On termination of service, death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of his or her account or rollover to another qualified plan. A participant may elect an in-service withdrawal or hardship distribution prior to his or her separation from service in accordance with the hardship distribution policy.

Investment Options Upon enrollment in the Plan, a participant may direct contributions into numerous investment choices offered by Ascensus Trust Company and Newport Trust Company, LLC. Participants may change their investment options through written request through the Sponsors or via the internet.

Administrative Expenses Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsors. Expenses that are paid by the Sponsors are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in net appreciation in fair value of investments.

Vesting Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service. A participant is also 100% vested at date of death, disability, or attaining the Plan's normal retirement age.

Forfeitures The Plan allocates participant forfeitures, if any, to reduce employer matching contributions or pay for Plan expenses for the Plan year in which the forfeiture occurs. At December 31, 2025 and 2024, the Plan had $16,281 and $12,929 of forfeitures, respectively. There were no forfeitures used during the year ended December 31, 2025.

Secure 2.0 Act On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as Secure 2.0. These provisions continue the themes and reforms that began with the 2019 Secure Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 and forward. Since the provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect.

Note 2 Summary of Accounting Policies

Basis of Accounting The financial statements are prepared on the accrual basis of accounting.

Investment Valuations and Income Recognition Investments in Ascensus Trust Company and Newport Trust Company, LLC and Empower Trust Company, LLC were made in accordance with a group annuity contract, which represents participation units in the insurance company's pooled separate accounts and mutual funds.

Note 2 Summary of Accounting Policies (Continued)

Investment Valuations and Income Recognition (Continued) Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Sponsors determine the Plan's valuation policies utilizing information provided by the investment advisers, custodians, or trustees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

Payment of Benefits The Plan records benefits when paid. Total vested benefits due to terminated participants but not paid was $4,770,574 as of December 31, 2025.

Accounting for Uncertainty in Income Taxes Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

Subsequent Events In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 15, 2026, the date the financial statements were available to be issued.

Note 3 Information Prepared and Certified by the Trustees

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by the trustees and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustees that information provided to the Plan Administrator by the trustees related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets at December 31:

Note 3 Information Prepared and Certified by the Trustees (Continued)

	2025	2024
Pooled separate accounts	$ 652,559	$18,076,415
Mutual funds	17,617,191	-
Money market fund	2,839,643	-
General account, fixed income fund	307,558	307,223
Cash equivalent, interest accumulation account	-	3,053,640
Notes receivable from participants	174,420	-

The trustees also certified to the completeness and accuracy of $2,025,612 of net appreciation in fair value, $424,732 of dividend and interest income on investments, and $2,004 of interest income associated with notes receivable from participants for the year ended December 31, 2025.

Note 4 Transactions with Parties-In-Interest

Ascensus Trust Company and Newport Trust Company, LLC and Empower Trust Company, LLC, the Plan's current trustees, Mutual of America Life Insurance Company, the former trustee, and Atherton & Associates, LLP, the Plan's auditor, qualify as parties-in-interest according to Section 3(14) of ERISA.

Note 5 Income Tax Status

The Plan adopted a pre-approved volume submitter 403(b) plan and has received an opinion letter from the Internal Revenue Service dated January 1, 2018, as to the Plan's qualified status. The pre-approved volume submitter 403(b) plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Note 6 Plan Termination

Although it has not expressed any intent to do so, the Sponsors have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7 Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account and balances and the amounts reported in the statements of net assets available for benefits.

Note 8 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2025 and 2024. Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts: Primarily valued daily at net asset value per share, which is equal to the total value of all the securities in each fund's portfolio less any liabilities.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Determined using a market approach and is based upon unadjusted quoted prices for identical assets in active markets.

General account, fixed income fund: Primarily valued daily at the liquidation value based on actuarial formulas as defined under the terms of the contract.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

Note 8 Fair Value Measurements (Continued)

Note 9 Nonexempt Transactions

During the year ended December 31, 2025, the Plan Sponsor inadvertently failed to deposit $549 of participant deferrals within the required time frame as stated by the United States Department of Labor regulations. The Plan Sponsor has not reimbursed the Plan for lost earnings but intends to reimburse the Plan for lost earnings for Plan year 2025 during Plan year 2026. During the year ended December 31, 2024, the Plan Sponsor inadvertently failed to deposit $507 of participant deferrals within the required time frame as stated by the United States Department of Labor regulations. The Plan Sponsor reimbursed the Plan for lost earnings for Plan year 2024 during Plan year 2025.
