Independent Auditors' Report

To the Participants and Plan Administrator of
Reed Smith LLP Flexible Benefits Program

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Reed Smith LLP Flexible Benefits Program (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net (deficit) assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net (deficit) assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) and Schedule H, Line 4(j) - Schedule of Reportable Transactions as of or for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the Reed Smith LLP Flexible Benefits Program (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan was established by Reed Smith LLP (the Company) effective April 1, 1988, to provide comprehensive health and welfare benefits to eligible employees (and, where applicable, their enrolled eligible dependents). The Plan allows participants to elect from a number of available coverages and benefits provided through separately established welfare programs, so as to create a program to fit their specific needs.

The Plan is a cafeteria plan as described under Section 125 of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Certain plan assets are held in a Voluntary Employees' Beneficiary Association (VEBA) trust.

As of December 31, 2025, the Plan's liabilities exceeded its assets, resulting in a net deficit of $1,547,361. The deficit primarily reflects the timing of funding of the Plan's benefit payments and other expenses. The Company is responsible for funding the Plan as necessary to provide for the payment of benefits and expenses in accordance with the terms of the Plan. Accordingly, the Company intends to make contributions or otherwise provide funding to the Plan, as necessary, to satisfy the Plan's obligations as they become due.

Eligibility

The Plan covers substantially all full time and part time employees employed in the United States of America. Full time employees are eligible the first day of the first full month after being hired while certain part time employees must wait one year before being eligible.

Benefits

The benefits provided by the Plan include health benefits, life insurance, disability insurance, dependent care assistance, health savings accounts, wellness program and business expense reimbursement. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA). The Plan does not provide for any post-retirement benefits.

Contributions

Nonelective Company contributions are made on a voluntary basis and are recorded by the Plan on an accrual basis in order to pay all benefits and expenses of the Plan. The Company intends that all contributions are deductible under the provisions of the IRC. Participants may also elect to accept a reduction in monthly compensation in exchange for an additional Company contribution to the Plan. This additional elective contribution is used for benefits in excess of the basic benefit dollars credited to the participant.

Self-Insured Benefits

The Plan self-insures certain medical and short-term disability benefits. The claims for self-insured benefits (other than short-term disability) are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan's VEBA trust. Despite the Plan's utilization of third-party claims' processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan allows for participants to establish a health savings account (HSA) that is funded from pre-tax participant contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations. The HSA can be used on a tax free basis to pay or reimburse qualified medical expenses. Amounts remaining at the end of the year can generally be carried over to the next year. The Company is not permitted to refund any part of the balance to the employee; the account cannot be used for anything other than reimbursements for qualified medical expenses; and remaining amounts are portable upon termination once the employee leaves the employer. The participant owns the account and is responsible for substantiating distributions from the HSA account.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Stop Loss Coverage

The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured medical benefits (individual claims over a specified dollar amount, as well as its aggregate exposure for all claims).

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities and the benefit obligation at the date of the financial statement, and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Stop Loss

Premiums for stop loss insurance are included in payments of claims in the accompanying Statement of Changes in Net (Deficit) Assets Available for Benefits. Stop loss refunds totaling approximately $2.0 million for 2025 have been offset against payments of claims in the accompanying Statement of Changes in Net (Deficit) Assets Available for Benefits.

Administrative Expenses

All administrative expenses are paid by the Plan and are recorded as deductions in the accompanying Statement of Changes in Net (Deficit) Assets Available for Benefits.

Payment of Benefits

Premiums paid for insurance coverage and benefits paid on behalf of participants are recorded when paid. Claim payments are recorded when paid by the third-party claims processors. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the benefit obligation, as disclosed below.

Benefit Obligation, Including Claims Incurred but not Reported

The Plan's obligation for claims incurred but not reported is estimated based on claims data subsequent to the financial statement date provided by the Plan's third-party claims administrators. The estimate also takes into consideration prior claims experience and the expected time period from the date such claims are incurred to the date that the related claims are submitted and paid. This amount is paid by the Plan only if claims are submitted and approved for payment and is as follows as of December 31, 2025 and 2024:

	2025	2024
Amounts currently payable:		
Claims payable, claims incurred but not reported and premiums due to insurers	$ 3,178,392	$ 4,019,358

The changes in the Plan's benefit obligations for the year ended December 31, 2025 are summarized as follows:

Balance at beginning of year	$ 4,019,358
Claims and premiums reported and approved for payment, including benefits reclassified from benefit obligations	38,971,342
Claims and premiums paid	(39,812,308)
Balance at end of year	$ 3,178,392

Due to Related Party

On March 25, 2024, the Plan's VEBA trust entered into a Prohibited Transaction Exemption (PTE) 80-26 line of credit loan agreement with the Company. The agreement, as permitted by the Department of Labor (DOL), provides that the Company may make advances to pay ordinary operating expenses of the Plan and the VEBA trust, including payments of claims and premiums. During 2025, the Company advanced $3,000,000 to the Plan under the line of credit agreement and forgave $1,000,000 of the amounts previously advanced. Advances outstanding under the line of credit agreement were $7,600,000 and $5,600,000 at December 31, 2025 and 2024, respectively. Amounts outstanding do not bear interest and are payable on demand.

Subsequent Events

Subsequent events were evaluated through October 14, 2026, the date the financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Interest-bearing cash: Stated at cost, which approximates fair value.

Investment measured at net asset value: Consisting of a common-collective trust, valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025	Level 1	Level 2	Level 3	Total
Investments measured at NAV (a)	$ -	$ -	$ -	$ 99,274
Total investments at fair value	$ -	$ -	$ -	$ 99,274

Assets at Fair Value as of December 31, 2024	Level 1	Level 2	Level 3	Total
Interest-bearing cash	$ -	$ 600,000	$ -	$ 600,000
Investments measured at NAV (a)	-	-	-	418,366
Total investments at fair value	$ -	$ 600,000	$ -	$ 1,018,366

(a) Certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net (Deficit) Assets Available for Benefits.

Fair Value of Investments That Calculate NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Collective trust fund	$ 99,274	N/A	Daily	None

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Collective trust fund	$ 418,366	N/A	Daily	None

4. Concentrations

As of December 31, 2025, all of the Plan's investments were concentrated in a collective trust fund. As of December 31, 2024, all of the Plan's investments were concentrated in a collective trust fund and interest-bearing cash.

5. Information Certified by Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, The Bank of New York Mellon, the Custodian of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net (Deficit) Assets Available for Benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity reported in the Statement of Changes in Net (Deficit) Assets Available for Benefits for the year ended December 31, 2025 and the information reported in the supplemental Schedule H, Line 4(j) - Schedule of Reportable Transactions for the year ended December 31, 2025. Such information was obtained by management and agreed to or derived from information certified as complete and accurate by a qualified institution.

6. Related-Party and Party in Interest Transactions

The Plan's investments are administered under a contract with The Bank of New York Mellon, the Custodian of the Plan. The Plan invests in a collective trust that invests in a money market fund managed by the Plan's Custodian. Transactions in such investments qualify as party in interest transactions. Additionally, certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. See also Note 2.

7. Premium Deposit

The Plan is required to maintain a deposit with an insurance company equal to 15 days of claims paid by the insurance company.

8. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan is terminated, any covered expenses which have been incurred prior to the date of termination will be payable in accordance with the terms and conditions of the Plan. Plan assets will first be allocated to the payment of claims, taxes and administration expenses, and thereafter in a manner that is for the exclusive benefit of the participants. No assets of the VEBA trust may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

9. Tax Status

The Plan uses the VEBA trust to fund certain benefits of the Plan and is tax-exempt under the requirements of Section 125 of the IRC. The VEBA trust has obtained a favorable tax determination letter dated February 7, 1990 from the IRS and the plan administrator believes that the VEBA trust is designed and currently being operated in accordance with applicable provisions of the IRC. However, as a result of the Plan's funding policy, from time to time the VEBA trust may be subject to unrelated business income tax based on net investment income, allowing deductions for direct costs incurred in generating the investment income. No federal or state income taxes have been recorded for unrelated business taxable income, as these amounts were determined by management to be insignificant.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. Risks and Uncertainties

Plan contributions are made and the benefit obligation is reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

In addition, the Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net (Deficit) Assets Available for Benefits.
