To the Plan Administrator and Participants of the
Meyers RV Superstore 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of Meyers RV Superstore 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Meyers RV Superstore 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Meyers RV Superstore 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Meyers RV Superstore 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for at least one year following the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Meyers RV Superstore 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Meyers RV Superstore 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of and for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedules Required by ERISA (Continued)
In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan is a defined contribution plan sponsored by M.D. Meyer's Properties, LLC d/b/a Meyer's RV Superstore ("Meyer's RV Superstore") for the benefit of its employees and those of its affiliates (collectively, the "Company"); Meyer's of Syracuse, LLC, Meyer's Finger Lakes RV, Inc., Meyer's Schreck RV, Inc., Meyer's RV of Harrisburg, Meyer's Escape RV, Meyer's of Caledonia, LLC, Meyer's I-79 RV, Inc., Meyer's Mentor RV, Inc., Mark's Truck Center Inc., Joe's RV and Marine, Inc., Meyer's Bay RV, Inc, Meyer's RV of Rochester, Inc., Meyer's of Albany, Inc., and Meyer's RV of West Virginia, Inc.

The Plan covers certain employees of the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

Meyer's RV Superstore is the sponsor and administrator of the Plan. Effective March 1, 2025, PPS Pension Services, Inc. became the Plan's third-party administrator, Empower Trust Company, LLC ("Empower") became the Plan's recordkeeper and custodian, and the Company's CFO became the trustee of the Plan. For the period January 1, 2024 through February 28, 2025, Paychex, Inc. ("Paychex") was the Plan's third-party administrator and provided recordkeeping and administrative services to the Plan and Mid Atlantic Trust Company ("MATC") was the custodian and trustee of the Plan.

Eligibility

Employees of the Company that are not nonresident aliens or represented by a collective bargaining agreement are eligible to participate in the Plan. Employees of the Company are eligible to participate in the Plan upon the attainment of age 18. Employees of the Company are eligible to receive discretionary employer matching and profit-sharing contributions upon the attainment of 18 years of age and the completion of one year of service (1,000 hours, as defined in the Plan document). In addition, participants must be employed on the last day of the Plan year to receive discretionary employer matching and profit-sharing contributions. Contributions may begin on the date of the satisfaction of the eligibility requirements.

Contributions

Effective March 1, 2025, the Plan was amended to include an automatic enrollment provision whereby newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect otherwise, with a default deferral rate set at 3% of eligible compensation and their contributions treated as pre-tax deferrals. The Plan allows participants to contribute up to 100% of their annual compensation, on a pretax or Roth after tax basis, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). Participants may direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. The Company may make discretionary matching and profit-sharing contributions on behalf of participants. The Company did not make any discretionary matching or profit-sharing contributions in 2025 or 2024.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts
Participant accounts are credited with participant contributions, company matching and profit-sharing contributions, and actual earnings and losses thereon. Plan expenses are allocated based on participant account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in their voluntary contributions plus actual earnings/losses thereon. Discretionary employer matching and profit-sharing contributions plus earnings thereon become 20% vested upon completion of two years of service and continue to vest at the rate of 20% for each successive year of service until 100% vested after six years of service. Participants are considered to have completed one year of service for vesting purposes upon completion of 1,000 hours of service at any time during the plan year.

Forfeitures
Forfeitures of nonvested account balances may be used to pay Plan expenses, allocated to participants' accounts as additional employer contributions, or used to reduce other employer contributions under the Plan. During 2025 and 2024, forfeitures of non-vested accounts and earnings on unused amounts totaled $20,083 and $8,289, respectively. Forfeitures totaling $9,728 were used to offset administrative expenses during 2024. No forfeitures were used during 2025. Unused forfeitures totaled $20,635 and $552 at December 31, 2025 and 2024, respectively.

Notes Receivable from Participants
Participants may borrow from their vested account balance a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The maximum amount of an outstanding loan cannot exceed the lesser of 95% of one-half the participant's vested account balance or 95% of the total vested account balance excluding the participant's Roth balance. Effective March 1, 2025, notes receivable are payable over a period not to exceed 5 years (4.5 years prior to March 1, 2025), except when used to acquire a principal residence. The notes receivable are secured by the remaining vested account balance and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through weekly payroll deductions over the term of the loan.

Benefit Payments
Upon termination due to retirement, death, resignation, or permanent and total disability, the vested value of the participant's account may be paid in a lump sum, rolled over to another qualified plan, or paid out through a series of installment payments. The normal retirement age is the date a participant reaches the age of 65. Additionally, the Plan provides for in-service withdrawals once a participant has reached the age of 59 ½, even if still employed. The Plan requires in-service distributions to actively employed participants upon the attainment of age 73. Participants whose vested account balance is $5,000 or less at the time of termination are subject to the involuntary cash-out provisions of the Plan.

Hardship Withdrawals
Hardship withdrawals from the Plan are permitted from a participant's vested account balance. All hardships must comply with the IRC rules related to hardships, which are uniformly applied to all participants.

Administrative Expenses
The Plan pays certain expenses associated with the administration of the Plan. Certain administrative expenses are paid by the Company.

1. DESCRIPTION OF PLAN (Continued)

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, all participant accounts would become fully vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investments and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board *Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Excess Contributions Payable
Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to participant contributions.

Benefit Payments
Benefit payments are recorded when paid.

Risks and Uncertainties
Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in values in the near term would materially affect participants' account balances and the amount reported in the accompanying financial statements.

Estimates
The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following financial information has been certified as complete and accurate by Empower, the custodian of the Plan, for the period March 1, 2025 to December 31, 2025; and by MATC, the custodian and trustee of the Plan, for the period January 1, 2024 through February 28, 2025:

	2025	2024
Investments, at fair value	$ 13,112,004	$ 10,666,376
Investment income	$ 2,107,172	$ 1,208,990
Notes receivable from participants	$ 363,258	
Interest income on notes receivable from participants	$ 33,776	
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,956,688	$ -	$ -	$ 3,956,688
Fixed annuity	-	189,818	-	189,818
	$ 3,956,688	$ 189,818	$ -	4,146,506
Collective trust funds, at net asset value (a)				8,965,498
Total				$ 13,112,004

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2024:

	Level 1	Level 2	Level 3	Total
Money market fund	$ 79,052	$ -	$ -	$ 79,052
Mutual funds	10,587,324	-	-	10,587,324
	$ 10,666,376	$ -	$ -	$ 10,666,376

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

There were no changes to the valuation methodologies used during 2025 and 2024. The following is a description of the valuation methodologies used for assets measured at fair value:

Money market fund (2024 investment) and mutual funds: Valued at fair value based on quoted market prices in active markets.

Fixed annuity: valued based on observable inputs of existing contracts and readily available financial information of the issuing financial institutions.

Collective trust funds: are valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is calculated daily, as of the close of the New York Stock Exchange, and is based on the fair value of the underlying investments held by each trust, less liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Units of the trusts may generally be redeemed on each valuation date at the reported NAV. Under the terms of the trust agreements, investors may be required to provide up to 30 days' advance written notice prior to redemption; however, the trustee may shorten or waive such notice requirement at its discretion. There are no unfunded commitments related to these investments as of December 31, 2025.

4. FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PARTY-IN-INTEREST TRANSACTIONS

Empower served as the custodian of the Plan's investment assets for the period March 1, 2025 to December 31, 2025, and MATC served as the custodian and trustee of the Plan's investment assets for the period January 1, 2024 to February 28, 2025. As such, transactions between Empower, MATC, and the Plan qualify as party-in-interest transactions. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

6. INCOME TAX STATUS

Effective March 1, 2025, the Company adopted a pre-approved plan document offered by PPS Pension & Financial Services, Inc. that has received an IRS Opinion Letter dated June 7, 2021 stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
