Independent Auditor's Report

RSM US LLP

Board of Directors, Plan Administrator and Plan Participants
Shur-Co, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of Shur-Co, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Plan Merger
The AB Airbags, Inc. Retirement Plan was merged into the Plan effective April 1, 2025. As discussed in Note 8 to the financial statements, an amendment to the Plan document was adopted on March 10, 2025 to merge AB Airbags, Inc. Retirement Plan into the Plan effective April 1, 2025. All assets of the AB Airbags, Inc. Retirement Plan were physically transferred on April 8, 2025; however, the Plan assumed legal control and responsibility of the transferred plan assets on April 1, 2025, the effective date of the merger. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters—Supplemental Schedules Required by ERISA
The supplemental schedules, Schedule H, line 4a—schedule of delinquent participant contributions for the year ended December 31, 2025, and Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of Plan

The following description of Shur-Co, LLC 401(k) Plan (the Plan) is not a complete description of the Plan and provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering qualified employees of Shur-Co, LLC (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The AB Airbags, Inc. Retirement Plan was merged into the Plan effective April 1, 2025.

Eligibility: Employees are eligible to contribute and receive employer contributions if they have completed two months of service and are 18 years of age or older as long as they are not covered by a collective bargaining agreement, are not a nonresident alien, are not a leased employee, and are not considered an intern. Employees may enter the Plan on the first day of the following month that they satisfy the Plan's eligibility requirements.

Plan amendment: A Plan amendment was executed to merge AB Airbags, Inc. Retirement Plan into the Plan effective April 1, 2025.

Contributions: Upon becoming eligible to participate, participants are automatically enrolled in the Plan to have 4% deferred from their salary pretax and contributed to the Plan. Participants may elect to decline participation or elect higher or lower pretax contributions deferred from their salary. Each year, participants may contribute up to 90% of their pretax annual compensation, as defined in the Plan, up to the maximum amount permitted by law. The Plan allows participants to designate contributions as Roth 401(k) contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Company contributes 50% of the first 6% of eligible compensation that a participant contributes to the Plan as a matching contribution. Additional amounts may be contributed at the discretion of the Company's Board of Directors. No such additional discretionary contributions were made for the year ended December 31, 2025. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

Participant accounts: Each participant's account is credited with the participant's contributions, the Company's matching contributions, the Company's discretionary contributions, if any, and Plan investment results. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on a participant's earnings, account balances, or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures: Upon termination of employment, participants forfeit their nonvested balances. Forfeited balances of terminated participants' nonvested accounts are used to fund future employer contributions or pay Plan expenses. Unallocated forfeiture balances as of December 31, 2025 and 2024, were $28,296 and $4,929, respectively. Forfeitures totaling $19,428 and $45,498 were used to fund the employer contributions and pay Plan administrative expenses, respectively, during the year ended December 31, 2025.

Investment options: Participants are offered several investment options for them to choose from, as more fully described in the Plan's literature.

Note 1. Description of Plan (Continued)

Vesting: Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is based on years of credited service as set forth in the following table:

	Vested Percentage
Years of service:	
1	0%
2	25%
3	50%
4	75%
5	100%

Participants also become fully vested upon death, permanent disability or retirement.

Notes receivable from participants: Participants may borrow from their vested fund accounts up to a maximum equal to the lesser of $50,000 or 50% of their vested account balances. The minimum amount of any loan is $1,000. Participants are only allowed one loan outstanding at a time. Note transactions are treated as transfers between the investment fund and the note account. Note terms range up to five years, or longer if the note proceeds are used by the participant for the purchase of a principal residence. The notes are secured by the balance in the participant's account and bear a reasonable rate of interest based on prevailing rates. The rate of interest on existing loans at December 31, 2025, ranged from 4.25% to 9.50% on loans maturing through June 2032. Principal and interest are paid directly by participants.

Payment of benefits: Participants may elect to receive either a lump-sum amount equal to the value of their vested interest upon retirement, termination, death or permanent disability. Any terminated participant with a balance of less than $1,000 may be automatically paid out by the Plan. Any terminated participant with a balance between $1,000 and $7,000 that has not elected to receive a distribution can be automatically paid out by the Plan if their balance is rolled into a qualified individual retirement account. Distributions may be made at the participant's election prior to termination upon attainment of age 59½ or hardship as defined in the Plan document.

Plan termination: Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination, all participant accounts would become fully vested.

Note 2. Significant Accounting Policies

Basis of presentation: The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Note 2. Significant Accounting Policies (Continued)

Investment valuation and income recognition: Investments are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as those held, during the year.

Notes receivable from participants: Participant loans are classified as notes receivable from participants, which are segregated from Plan investments and measured at their unpaid principal balance plus any accrued interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are treated as distributions based upon the terms of the Plan document. No allowance for credits losses has been recorded as of December 31, 2025 or 2024.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and accordingly, have been included as an investment in the supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year).

Contributions: Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

Payments of benefits: Benefits are recorded when paid.

Administrative expenses: The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Risks and uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities have occurred since December 31, 2025, or will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2025 statement of net assets available for benefits.

Subsequent events: Effective August 6, 2026, the Plan was amended to include Heavy Motions, Inc. as a participating employer to the plan. The Plan Administrator has evaluated subsequent events through October 15, 2026, the date the financial statements were available to be issued.

Note 3. Information Certified by the Plan Trustee

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a qualified institution:

	2025	2024
Investments at fair value:		
Mutual funds	$ 26,357,380	$ 20,228,115
Collective trust fund	1,339,975	1,362,956
Money market fund	10,239	7,699
	$ 27,707,594	$ 21,598,770
Notes receivable from participants	$ 242,085	$ 136,697

Fidelity Management Trust Company also certified to the completeness and accuracy of $3,230,277 of net appreciation in fair value of investments, $1,258,577 of interest and dividends related to the aforementioned investments, and $14,688 of interest income on the notes receivable from participants for the year ended December 31, 2025.

Note 4. Fair Value Measurements

Accounting standards establish the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 4. Fair Value Measurements (Continued)

The following are descriptions of the valuation methodologies used for assets measured at fair value.

Mutual funds: Shares of mutual funds are valued at the quoted market price of shares held by the Plan as of year-end.

Money market fund: The money market fund account is valued at the net asset value (NAV) with readily determinable fair value.

Collective trust fund: The fund is a stable value fund and is valued at the NAV of units held by the Plan on the day of valuation based upon the market value of the underlying investments. The NAV is used as a practical expedient to estimate the fair value.

The methods described above may produce fair values that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	Investments at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 26,357,380	$ -	$ -	$ 26,357,380
Money market fund	-	10,239	-	10,239
Total investments at fair value	$ 26,357,380	$ 10,239	$ -	26,367,619
Investments measured at net asset value (a)				1,339,975
Total investments				$ 27,707,594

	Investments at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 20,228,115	$ -	$ -	$ 20,228,115
Money market fund	-	7,699	-	7,699
Total investments at fair value	$ 20,228,115	$ 7,699	$ -	20,235,814
Investments measured at net asset value (a)				1,362,956
Total investments				$ 21,598,770

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net asset available for benefits.

Note 4. Fair Value Measurements (Continued)

Net asset value: The Plan follows guidance on how entities should estimate fair value of certain alternative investments. The fair value of investments within the scope of this guidance is determined using NAV per share as a practical expedient, when fair value is not readily determinable, unless it is probable that the investment will be sold at something other than NAV. The following table includes categories of investments where NAV is available as a practical expedient.

	Fair Value as of December 31		Unfunded	Redemption	Redemption
	2025	2024	Commitments	Frequency	Notice Period
Collective trust fund	$ 1,339,975	$ 1,362,956	None	Daily	Daily

Note 5. Tax Status

The Plan has adopted a nonstandardized preapproved plan that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the plan was in compliance with the applicable requirements of the IRC. The Plan has been amended since adopting the Plan document. However, the Plan Administrator believes the Plan is designed, and being operated, in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Related-Party and Party-in-Interest Transactions

Certain Plan investments are mutual funds and a money market fund managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee of the Plan. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions qualify as exempt party-in-interest transactions under ERISA.

Note 7. Prohibited Transactions

During 2025, the Plan sponsor inadvertently failed to deposit $10,535 of contributions within the required time frame as stated by the Department of Labor’s regulations. The Plan sponsor deposited lost earnings to correct this failure in 2026 and has reported these as late contributions on Form 5500.

During 2024, the Plan sponsor inadvertently failed to deposit $64,818 of contributions within the required time frame as stated by the Department of Labor’s regulations. The Plan sponsor deposited lost earnings to correct this failure in 2025 and has reported these as late contributions on Form 5500.

No plan assets were used to correct these delinquent contributions.

Note 8. Transfer in from AB Airbags, Inc. Retirement Plan

An amendment to the Plan document was adopted on March 10, 2025, to merge AB Airbags, Inc. Retirement Plan into the Plan effective April 1, 2025. All assets of the AB Airbags, Inc. Retirement Plan were physically transferred on April 8, 2025; however, the Plan assumed legal control and responsibility of the transferred plan assets as of April 1, 2025, the effective date of merger. Accordingly, the Plan recognized a transfer in from the AB Airbags, Inc. Retirement Plan of $812,505 in its statement of changes in net assets available for benefits for the year ended December 31, 2025.

Note 9. Reconciliation of the Financial Statements to the Form 5500
