INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Prairie Clinic, S.C. Employees' Profit Sharing Plan
Sauk City, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Prairie Clinic, S.C. Employees' Profit Sharing Plan, an employee benefit Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits in liquidation as of December 31, 2025, and the related statement of changes in net assets available for benefits in liquidation for the year ended December 31, 2025, and the related notes to the financial statements (2025 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Prairie Clinic, S.C. Employees' Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year then ended, stating that the certified investment information, as described in Note B to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Prairie Clinic, S.C. Employees' Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

As discussed in Note F to the financial statements, the Plan Administrator of the Prairie Clinic, S.C. Employees' Profit Sharing Plan approved the Plan's termination on October 23, 2025, and management determined liquidation is imminent. As a result, the 2025 financial statements are presented under the liquidation basis of accounting. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Prairie Clinic, S.C. Employees' Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Prairie Clinic, S.C. Employees' Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Prairie Clinic, S.C. Employees' Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2025 Supplemental Schedules Required by ERISA

The supplemental Schedule H, 4a – Schedule of delinquent participant contributions and Schedule H, Line 4i – Schedule of assets (held at end of year) as of December 31, 2025, are presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on the Compiled 2024 Financial Statement

Plan management is responsible for the accompanying financial statement of Prairie Clinic, S.C. Employees' Profit Sharing Plan, which comprises the statement of net assets available for benefits as of December 31, 2024 (ongoing), and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2024 financial statement.

NOTE A -- Description of the Plan and significant accounting policies

The following description of the Prairie Clinic, S.C. Employees' Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. Prairie Clinic, S.C. (the employer) has adopted the Newport Group, Inc. Non-Standardized Defined Contribution Pre-Approved Plan, originally effective January 1, 1968, with the most recent restatement effective January 1, 2021. The Plan was terminated on December 31, 2025 (Note F).

General

The Plan is a defined contribution plan covering all employees, excluding union employees, non-resident aliens, leased employees, and per diem employees, who have completed one year of service and have obtained age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator oversees governance of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan's federal identification number is 39-1091143 and the Plan's number is 001.

Contributions

Each year, participants may contribute up to the maximum amount allowed by law, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The employer may make discretionary matching contributions under a flexible discretionary matching formula. All participants eligible for the matching contribution share in the allocation regardless of service completed during the plan year or employment status on the last day of the plan year. For 2025, the employer match was calculated at 50% of employee deferrals, up to 6% of eligible compensation. The employer made a discretionary matching contribution of approximately $241,000 for the year ended December 31, 2025.

The employer may also make discretionary nonelective contributions. Such contributions are allocated using a grouping method under which each participant constitutes a separate classification. Participants must generally be employed on the last day of the plan year and complete a year of service to share in the allocation, subject to exceptions for death, total and permanent disability, or termination on or after normal retirement age. The employer made a discretionary nonelective contribution of approximately $316,000 for the year ended December 31, 2025.

Annual contributions from all sources are subject to certain limitations defined by the Internal Revenue Service (IRS).

NOTE A -- Description of the Plan and significant accounting policies (Continued)

Participant accounts and "rollovers"

Each participant's account is credited with the participant's contributions and allocations of (a) the employer's matching and discretionary nonelective contributions, (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations of Plan earnings are based on participant account balances, as defined, and allocation of employer contributions are based on participant compensation, as provided in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan permits the transfer of funds from certain qualified retirement plans to a separate participant's rollover account.

Vesting

Participants are immediately vested in their elective deferrals, rollover contributions, and employer matching contributions plus actual earnings thereon. Vesting in the employer's nonelective contributions is based on years of continuous service. A participant is 100% vested ratably over five years of credited service. Participants who leave the Plan because of death or disability, as defined in the Plan, are considered 100% vested in all amounts.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance, whichever is less. Participants may have no more than one loan outstanding at a time. The loans are secured by the participant's vested account balance and bear interest at a fixed rate that is determined as 1% over the prime rate (6.75% at December 31, 2025). Principal and interest is paid ratably through payroll deductions.

Benefits

On termination of service due to death, disability, retirement (age 65) or termination of employment, a participant may elect to receive a lump-sum distribution of the entire vested account balance. Partial withdrawals or installments are only permitted for participants or beneficiaries who must receive required minimum distributions. A participant with an account valued at less than $7,000 shall receive a lump-sum distribution or upon disability. The Plan permits in-service distributions at age 59 ½. In addition, hardship distributions are permitted if certain criteria are met.

Forfeited accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $13,564 and $13,186, respectively. These accounts will be used to reduce future employer contributions. No forfeited accounts were used to reduce employer contributions in 2025.

NOTE A -- Description of the Plan and significant accounting policies (Continued)

A summary of significant accounting policies follows:

Basis of accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) under the accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from the Plan participants, the matching contributions, and the discretionary nonelective contributions are recorded in the year in which the employee contributions are withheld from compensation.

Contributions receivable are written off when they are determined to be uncollectible. The allowance for credit losses is estimated based on expected credit losses considering the Plan's historical losses, existing economic conditions, and the financial stability of the employer.

Payment of benefits

Benefits are recorded when paid.

Administrative fees

The employer pays certain expenses on behalf of the Plan which are excluded from these financial statements. The major administrative expenses are payroll and related expenses.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded.

NOTE A -- Description of the Plan and significant accounting policies (Continued)

Subsequent events

These financial statements have not been updated for subsequent events occurring after October 15, 2026, which is the date these financial statements were available to be issued. The Plan has no responsibility to update these financial statements for events and circumstances.

NOTE B -- Information certified by the asset custodians

Certain information related to investments and notes receivable from participant disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, interest and dividends, net appreciation, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Newport Trust Company (Newport) and Ascensus Trust Company (Ascensus), the asset custodians of the Plan.

NOTE C -- Fair value measurements

Plan's investments are reported at fair value in the accompanying Statement of Net Assets Available for Benefits.

		Fair value measurements at reporting date using:		
	Fair value	Quoted prices in active markets for identical assets (level 1)	Significant observable inputs (level 2)	Significant unobservable inputs (level 3)
December 31, 2025 (in liquidation)				
Registered investment companies	$ 31,778,466	$ 31,778,466	$ 0	$ 0
Total assets in the fair value hierarchy	31,778,466	31,778,466	0	0
Investments measured at net asset value [1]	1,016,396	0	0	0
Investments at fair value	$ 32,794,862	$ 31,778,466	$ 0	$ 0

NOTE C -- Fair value measurements (Continued)

		Fair value measurements at reporting date using:		
	Fair value	Quoted prices in active markets for identical assets (level 1)	Significant observable inputs (level 2)	Significant unobservable inputs (level 3)
December 31, 2024 (ongoing)				
Registered investment companies	$ 30,608,760	$ 30,608,760	$ 0	$ 0
Total assets in the fair value hierarchy	30,608,760	30,608,760	0	0
Investments measured at net asset value [1]	793,924	0	0	0
Investments at fair value	$ 31,402,684	$ 30,608,760	$ 0	$ 0

[1] In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

U.S. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

NOTE C -- Fair value measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- Registered investment companies. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

- Stable value collective trust: A stable value fund composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate the fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

Gains and losses (realized and unrealized) included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, are reported in net appreciation in fair value of investments.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	**Fair Value**	**Unfunded Commitments**	**Redemption Frequency**	**Redemption Notice Period**
MetLife Stable Value Fund Series 25053 Class 0	$1,016,396	n/a	Daily	n/a

December 31, 2024	**Fair Value**	**Unfunded Commitments**	**Redemption Frequency**	**Redemption Notice Period**
MetLife Stable Value Fund Series 25053 Class 0	$793,924	n/a	Daily	n/a

NOTE D -- Party-in-interest transactions

Newport and Ascensus, both an Ascensus, LLC company, are the asset custodians of the Plan as of and for the year ended December 31, 2025, and are therefore designated as a fiduciary and party-in-interest. Newport Group, Inc. and Ascensus, LLC provide recordkeeping services for the Plan. Wealth Enhancement Advisory Services provides investment advisory services to the Plan, and is therefore designated as a fiduciary and party-in-interest. Transactions with these parties-in-interest occur in the course of ordinary business and are exempt transactions.

NOTE E -- Tax status

The Newport Group, Inc. Non-Standardized Defined Contribution Pre-Approved Plan adopted by the plan, with a restatement effective January 1, 2021, obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the pre-approved plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has been amended since the date of the opinion letter. However, the Plan administrator and Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

NOTE F -- Plan termination

The Plan Administrator of the Plan approved the Plan's termination on October 23, 2025, and management determined liquidation is imminent. As a result, the 2025 financial statements are presented under the liquidation basis of accounting. The stock of Prairie Clinic S.C. was acquired by a third-party and the Plan terminated on December 31, 2025. No further contributions to the Plan were made after this date besides employee and employer contributions receivable related to the 2025 plan year. All participants became 100% vested in their allocated shares upon termination of the Plan. All plan assets are expected to be distributed or transferred, as elected by each plan participant, by October 31, 2026.

NOTE G -- Concentration of market risk

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statement of Net Assets Available for Benefits in Liquidation.

NOTE H -- Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 33,252,908	$ 31,970,843
Employer contributions receivable	(345,952)	(472,977)
Employee contributions receivable	(42,389)	0
Net assets available for benefits per the Form 5500	$ 32,864,567	$ 31,497,866

The following is a reconciliation of changes in net assets available for benefits per the financial statements for the year ended December 31, 2025, to Form 5500:

Changes in net assets available for benefits per the financial statements	$ 1,282,065
Change in employer contributions receivable	127,025
Change in employee contributions receivable	(42,389)
Net income per the Form 5500	$ 1,366,701

NOTE I -- Delinquent participant contributions

The plan sponsor did not comply with Department of Labor Regulation 2510.3-102 requiring the deposit of employee deferrals into the Plan trust as soon as the contributions can reasonably be segregated from the employer's general assets, but no later than 15 business days following the month in which the deferrals were withheld from the employees, a nonexempt transaction with a party-in-interest (prohibited transaction). The plan sponsor is taking corrective action. These amounts are not expected to be material to the Plan taken as a whole. A summary of the delinquent contributions is presented in the supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions.

NOTE J -- Plan amendment

Subsequent to year-end, on June 1, 2026, the plan was formally amended to account for the provisions of the CARES, SECURE, and SECURE 2.0 Acts
