INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Golding Farms Foods, Inc. 401(k) Profit Sharing Plan
Winston-Salem, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Golding Farms Foods, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from ADP Retirement Trust Services, LLC as of December 31, 2025 and for the year ended December 31, 2025, and from Reliance Trust Company as of December 31, 2024, stating that the respective certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

Opinion (Continued)

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GOLDING FARMS FOODS, INC.
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Golding Farms Foods, Inc. 401(k) Profit Sharing Plan (the "Plan"), sponsored by Golding Farms Foods, Inc. (the "Company"), provides general information only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution profit sharing plan and trust with a deferred 401(k) arrangement, established by the Company as of January 1, 1996. Participation in the Plan's 401(k) arrangement is discretionary for all employees attaining age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Eligible participants who elect to participate can make pre-tax contributions to the Plan in an amount not to exceed the maximum amount allowable under the Internal Revenue Code.

The Company makes safe harbor matching contributions on a dollar for dollar basis up to the first 3% and 50% on the next 2% of annual compensation contributed by participants. Additionally, the Company can make a discretionary profit-sharing contribution and a discretionary matching contribution. No profit-sharing contribution or discretionary matching contribution was made in 2025.

Participant Accounts - Each participant's account is credited with the participant's contribution and Company safe harbor matching contributions as well as allocations of (a) the Company's profit-sharing contribution, if any, and (b) Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Employee contributions are immediately fully vested, plus actual earnings thereon, as well as any safe harbor matching contributions. Employer discretionary matching contributions and employer profit-sharing contributions are both subject to a six-year graded vesting schedule.

Payment of Benefits - Participants or their beneficiaries are entitled to receive the entire amount of their interest in the Plan upon retirement, death, disability, employment termination, reaching age 59 ½ or qualifying for a "Hardship Distribution" as defined in the Plan. Upon termination of service, a participant may elect in writing to defer benefit payments until a date no later than his/her normal retirement date. A terminated employee may elect to receive the balance in his/her account in the form of a single lump-sum payment or a direct rollover.

Hardship Withdrawals - The Plan allows for "hardship" withdrawals in accordance with the Internal Revenue Service regulations as specified within the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Investment Options - Upon enrollment in the Plan, a participant may elect a number of various investment options consisting of mutual funds and a common collective trust. All investment transactions are participant directed. As such, participants may make transfers among investment funds at their discretion in whole percentages. In addition, participants may elect to change their investment options daily.

Notes Receivables from Participants - Participants may borrow from their fund accounts up to an amount equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions. The maximum payment term for any non-home loan is five years. The maximum payment term for any home loan is thirty years. The minimum loan is $1,000. The loans bear interest at a rate of prime plus one percent. Participants may only have one loan outstanding from the Plan at a time.

Plan Expenses - All costs and expenses with regard to the purchase or sale of investments are paid by the Plan. The Company pays administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Personnel and facilities of the Company have been used by the Plan for its accounting and other activities at no charge to the Plan.

Forfeitures - While participants are fully vested at all times in the safe harbor contributions, excess contributions may occur and these contributions are forfeited by the participant when identified by the Plan sponsor. At December 31, 2025 and 2024, forfeited non-vested accounts arising from excess contributions totaled $1 and $203, respectively. These accounts will be used to reduce future employer contributions or pay Plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements are presented on the accrual basis of accounting.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Mutual funds are valued at their quoted net asset value ("NAV") per share at year-end. The Plan's investment in a common collective trust is measured at fair value using NAV per unit as a practical expedient. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits - Benefits are recognized when paid.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Risks and Uncertainties - The Plan provides the participants with various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Fair Value Measurements - ASC Topic 820 *Fair Value Measurements* defines fair value, establishes guidelines for measuring fair value, and expands disclosure regarding fair value measurements. The Plan follows the guidance in ASU 2015-07 which removed the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value ("NAV") per share as quoted on a private market that is not active.

Disclosure of Subsequent Events - Management has evaluated subsequent events through October 14, 2026, the date the financial statements were available to be issued.

NOTE 3 - SUMMARY OF CERTIFIED FINANCIAL DATA (UNAUDITED)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, ADP Retirement Trust Services, LLC, for December 31, 2025 and the year then ended, and Reliance Trust Company, for December 31, 2024, have certified as to the completeness and accuracy of the respective investment information of the Plan. The following information included in the accompanying financial statements and supplemental schedule was obtained from information certified as complete and accurate by the respective institutions for the applicable reporting periods.

NOTE 3 - SUMMARY OF CERTIFIED FINANCIAL DATA (UNAUDITED) (Continued)

Statements of Net Assets Available for Benefits:	2025	2024
Mutual funds, at fair value	$ 6,113,212	$ 4,139,869
Common collective trust, at fair value	139,032	103,624
Notes receivable from participants	138,562	173,985

Statement of Changes in Net Assets Available for Benefits:

Net appreciation in fair value of investments	$ 667,188
Dividend income	182,980
Interest on notes receivable from participants	15,428

NOTE 4 - FAIR VALUE MEASUREMENTS

ASC Topic 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at year-end. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: The Invesco Stable Value Portfolio, held in a collective trust fund, primarily invests in investment contracts and security backed investment contracts. The objective of the stable value fund is to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed income investments. The investment is valued at NAV as a practical expedient to estimate fair value where NAV is based on the total assets of the fund, less its liabilities, divided by the number of units outstanding at the time of such computation. Participant transactions (purchases and sales) may occur daily. There are currently no redemption restrictions or unfunded commitments on this investment.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,113,212	$ -	$ -	$ 6,113,212
Total assets in fair value hierarchy	$ 6,113,212	$ -	$ -	6,113,212
Investments measured at NAV (a)				139,032
Investments at fair value				$ 6,252,244

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,139,869	$ -	$ -	$ 4,139,869
Total assets in fair value hierarchy	$ 4,139,869	$ -	$ -	4,139,869
Investments measured at NAV (a)				103,624
Investments at fair value				$ 4,243,493

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

(a) Includes collective trust in 2025 and 2024 which is measured using NAV as a practical expedient and is not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the Statements of Net Assets Available for Benefits.

NOTE 5 - TERMINATION PRIORITIES

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in the employer non-discretionary contribution.

NOTE 6 - TAX STATUS

The Plan uses a prototype plan document sponsored by ADP, LLC. ADP, LLC obtained a favorable determination letter on October 6, 2020, in which the Internal Revenue Service stated that the prototype document satisfies the applicable requirements of the Code. The Plan itself has not received a determination letter from the IRS.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examination for years prior to 2021.
