INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Planned Parenthood 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Planned Parenthood 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Planned Parenthood 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Planned Parenthood 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Planned Parenthood 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Planned Parenthood 403(b) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Planned Parenthood 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following brief description of Planned Parenthood 403(b) Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan's agreement for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) tax-deferred annuity plan covering all employees except temporary employees of Planned Parenthood: Shasta-Diablo dba Planned Parenthood Northern California ("PPNorCal"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and Section 403(b) of the Internal Revenue Code ("IRC"). PPNorCal is the plan sponsor and serves as the plan administrator.

Contributions

Participants may contribute any percentage or set dollar amount of their annual compensation, as defined in the Plan, up to the maximum limit as permitted by IRC. Participants may also contribute amounts representing distributions from other retirement plans. Additionally, participants qualifying for age-based provisions may contribute additional catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan and may change their investment option at any time. Effective January 1, 2025, long-term part-time employees meeting the Plan's eligibility requirements were eligible to make elective deferrals but were not eligible for employer contributions. For the year ended December 31, 2025, employees who had completed one year of service and at least 1,000 hours were eligible to receive matching contributions of 100% of the first 3% plus an additional 50% of the next 2% of compensation that a participant contributes to the plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, and the Plan earnings. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested, at all times and in all events, in their salary deferral and employer contribution plus actual earnings thereon. Such amounts are non-forfeitable.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The maximum loan term is five years, although it may be up to fifteen years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear a reasonable interest rate. Principal and interest are paid ratably through semi-monthly payroll deductions.

continued

1. Description of Plan, continued

Payment of Benefits

In general, on termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the fair value of the participant's account balance or monthly, quarterly, or annual installments over a period of not more than his or her assumed life expectancy (or the participant's beneficiary's assumed life expectancy). A participant may also elect to transfer to an individual retirement arrangement or another qualified employer plan.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Presentation

The financial statements of the Plan are reported on the accrual basis of accounting.

Investments Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and (losses) on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance. Interest income on notes receivable from participants is recorded when it is earned, and the related fees are recorded as administrative expenses and expensed when incurred.

Payments of Benefits

Benefits are recorded when paid.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs – quoted prices in active markets for identical assets
Level 2 inputs – quoted prices in active or inactive markets for the same or similar assets
Level 3 inputs – estimates using the best information available when there is little or no market

continued

2. Summary of Significant Accounting Policies, continued

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relates to the element

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of and for the period presented. Actual results could differ from those estimates.

3. Notes Receivable from Participants

Principal and interest is paid ratably through semi-monthly payroll deductions, at interest rates from 3.25% to 8.50%, with various maturities. Notes receivable from participants outstanding at December 31, 2025 and 2024, were $438,931 and $326,370, respectively.

4. Information Prepared and Certified by the Custodian

Management elected to have the audits performed pursuant to ERISA Section 103(a)(3)(C). The investment information identified below was prepared and certified as complete and accurate by Reliance Trust Company, a qualified institution, as of and for the years ended December 31, 2025 and 2024. The audits did not extend to the certified investment information, except for the procedures described in the independent auditor's report.

The following summarizes the information certified by Reliance Trust Company, the custodian of the Plan, as of December 31, 2025 and 2024, respectively:

	2025	2024
Mutual funds	**$24,598,508**	$19,331,858
Guaranteed contracts	**1,803,723**	1,543,691
Non-interest-bearing cash	**2,422**	-
	$26,404,653	$20,875,549

During the years ended December 31, 2025 and 2024, the Plan's investments (including investments bought, sold, and held during the year) appreciated in value by $2,757,905 and $1,685,124 attributed to mutual funds, respectively.

5. Fair Value Measurements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Level 1	Level 2	Level 3	Total
December 31, 2025				
Mutual funds	$24,598,508	$ -	$ -	**$24,598,508**
December 31, 2024				
Mutual funds	$19,331,858	$ -	$ -	$19,331,858

The fair value of mutual funds in the fair value hierarchy have been measured on a recurring basis using quoted prices for identical assets in active markets (Level 1 inputs).

The Plan's investment in the fully benefit-responsive investment contract described in Note 6 is measured at contract value and, therefore, is not included in the fair value hierarchy presented below.

6. Investments in Fully Benefit Responsive Investment Contracts

The following summarizes investments measured at contract value per share as of December 31, 2025 and 2024:

	2025	2024
Guaranteed contracts	**$1,803,723**	$1,543,691

The Plan invests in a fully benefit-responsive unallocated insurance contract issued by Standard Insurance Company, which is reported at contract value. The crediting rate was 3.16% and 3.04% for 2025 and 2024, respectively, and is reset quarterly. Participant transactions occur at contract value; however, certain plan-level events may result in a market value adjustment or other withdrawal restrictions. No such events are considered probable as of December 31, 2025.

7. Related Party and Party-in-Interest Transactions

ERISA defines parties-in-interest more broadly than generally accepted accounting principles' related parties, encompassing all service providers to the Plan. Management identified no related parties that were not also parties-in-interest, and no material related party transactions occurred during the Plan year regarding compensation arrangements, expense allowances, or similar items.

continued

7. Related Party and Party-in-Interest Transactions, continued

Parties-in-interest transactions include those with Plan fiduciaries or employees, service providers, employers with covered employees, employee organizations with covered members, and persons owning 50% or more of such employers or employee associations, along with their relatives. Trustee transactions, including revenue sharing and fee offset agreements, as well as the Plan's payment of certain plan fees and expenses, qualify as parties-in-interest transactions. Administrative fees paid by the Plan to the trustee were $98,679.

The Plan's investment options include funds managed by Reliance Trust Company, serving as custodian, or Standard Retirement Services, Inc. and its affiliates, serving as third-party administrator and recordkeeper. Transactions with these entities qualify as exempt parties-in-interest transactions under ERISA.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risk. It is reasonably possible, given the level of risk associated with certain investment securities that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The Plan's exposure to a concentration of credit risk is limited by diversification of investments across various assets classes and the utilization of investment managers.

9. Plan Termination

Although it has not expressed any intent to do so, PPNorCal has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA.

10. Tax Status

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service ("IRS") in Revenue Procedure 2007-71. The Plan is required to operate in conformity with IRC to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

continued

11. Subsequent Events

During 2025, the Plan was amended to permit Roth elective deferrals, in-plan Roth rollovers, and in-plan Roth transfers, effective January 1, 2026. The amendment does not impact amounts reported as of December 31, 2025.

Management has evaluated subsequent events through October 14, 2026, the date which the financial statements were available for issue. Except as noted above, no other events or transactions have occurred during this period that would require recognition or disclosure in the financial statements.
