INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries
of Crest Industries, LLC Employee Benefit Plan

Opinion

We have audited the financial statements of Crest Industries, LLC Employee Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits (modified cash basis) of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits (modified cash basis) for the year ended December 31, 2025, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter — Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC and its subsidiary entities provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) (modified cash basis) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule (modified cash basis) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CREST INDUSTRIES, LLC EMPLOYEE BENEFIT PLAN

Notes to the Financial Statements
December 31, 2025 and 2024

1. DESCRIPTION OF PLAN

The following description of the Crest Industries, LLC Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

General: The Plan provides medical coverage in the form of health benefits and covers substantially all full-time employees of Crest Industries, LLC, and its wholly-owned subsidiaries (the Employer and Sponsor). Health and prescription benefits are self-insured and an organ transplant benefit is fully insured. The claims for self-insured benefits are processed by the Plan's third-party claims administrators under administrative services only (ASO) arrangements. The Plan Sponsor pays claims directly to or on behalf of participants. Payments are processed by the health claims administrator using the Plan's funds. The pharmacy benefits manager may make refunds to the Plan based on the Plan's actual utilization pattern of specific drugs. These refunds are provided as a credit against the claims paid. Despite the Plan's utilization of third-party claims administrators, ultimate responsibility for payments to providers and participants is retained by the Plan Sponsor.

The Administrative Benefits Committee of Crest Industries, LLC oversees the governance of the Plan. The Plan is subject to the regulations and requirements of the Employee Retirement Income Security Act of 1974, as amended (ERISA). In the regular course of doing business, the Plan is subject to review by various governmental agencies such as the Department of Labor (DOL) and the Internal Revenue Service (IRS). The Plan includes a voluntary employees' beneficiary association (VEBA) trust. The trust holds the contributions made by the Plan Sponsor and participants as well as distributes payments to health care providers and the pharmacy benefits manager for participant claims.

Benefits: The Plan provides health benefits (medical, hospital, surgical, major medical, and prescription) to full-time employees of the Sponsor who meet eligibility requirements and to their spouses and covered dependents. All full-time employees are eligible to apply for coverage. Retired employees are entitled to similar health benefits provided they retire from the Plan sponsor in accordance with the Sponsor's retirement policies.

Current health claims of eligible active and retired participants and their spouses and covered dependents are provided under a self-funded arrangement. The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). Insurance premiums for stop loss coverage and third-party claims administrator fees are paid by the Plan.

The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA). Medical and pharmaceutical premiums under COBRA are funded entirely by the former employees.

1. DESCRIPTION OF PLAN (continued)

Contributions: Participants make contributions to the Plan based on premiums determined by the Sponsor and third-party administrator. Effective January 1, 2025, participants may elect coverage under either a Deductible/Copay Plan or a High Deductible Health Plan ("HDHP"). For the year ended December 31, 2025, the monthly employee contribution rates under the Deductible/Copay Plan were $50.00, $439.00, $399.00, and $631.00 for employee only, employee and spouse, employee and child(ren), and family coverage, respectively. Monthly employee contribution rates under the HDHP were $0.00, $284.63, $250.44, and $363.28 for employee only, employee and spouse, employee and child(ren), and family coverage, respectively. Participants electing the HDHP are eligible to contribute to a Health Savings Account ("HSA"). The Sponsor's monthly contribution rates under the Deductible/Copay Plan were $966.93, $1,494.48, $1,440.23, and $1,754.85 for employee only, employee and spouse, employee and child(ren), and family coverage, respectively. The Sponsor's monthly contribution rates under the HDHP were $800.67, $1,237.51, $1,192.58, and $1,453.11 for employee only, employee and spouse, employee and child(ren), and family coverage, respectively.

Participating retirees are required to fund 100% of their estimated premiums as determined annually by the Sponsor. Any deficiency of the Plan's net assets available for benefits over benefit obligations is funded by the Sponsor on a pay-as-you-go basis.

Plan Termination: Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided, to discontinue its contributions or to terminate the Plan subject to provisions set forth in ERISA. Were the Plan to terminate, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Employer or be used for purposes other than for the exclusive benefit of the Plan’s participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles (GAAP). The modified cash basis of accounting is an acceptable alternative method of reporting under regulations issued by the U.S. Department of Labor. Under the modified cash basis, investments are carried at fair value, the same as under GAAP, but receivables and payables owed at year end and not yet remitted to the Plan are not recorded as assets and liabilities of the Plan. Under GAAP, these receivables and payables would be considered to be assets and liabilities of the Plan.

Plan Benefits Obligations: For disclosure purposes, Plan benefit obligations include claims payable, and an estimate of claims incurred but not yet reported. Plan obligations for health claims incurred but not yet reported were estimated by analyzing the claims paid subsequent to year end which relate to prior years. Based on the low historical participation rates of retired employees and other factors, the Plan administrator does not believe that the benefit obligation associated with retired employees is material to the financial statements. Therefore, no postretirement benefit obligation is presented in these financial statements. The Plan estimates that a one-percentage point increase in the health cost trend rate will not have a significant effect on the Plan's benefit obligations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Plan Benefits Obligations (continued): The Plan believes these claims will be paid during the following fiscal year. Thus, the cost of such claims would be approximately equal to the present value; and, therefore, these claims were not discounted.

Use of Estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, benefit obligations and changes therein, claims payable, claims incurred but not reported, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Payment of Benefits: Premiums paid for stop-loss insurance and fully insured benefits (organ transplant policy) by the Plan are recorded as insurance premiums when paid in the accompanying statement of changes in net assets available for benefits. Claim payments are recorded when paid by the third-party claims administrator. Refunds from the pharmacy benefit manager and stop loss recoveries are recognized as a reduction of claims paid when such funds are received.

Plan Expenses: United Medical Resources, Inc. (UMR) and Prime Therapeutics are the claims administrators for the Plan. The majority of the Plan's administrative expenses are related to UMR and Prime Therapeutics and are paid by the Plan. Expenses paid by the sponsor are excluded from these modified cash basis financial statements.

Cash: The Plan maintains its cash balances in an account with a bank. The balance in this account may at times exceed the insurance coverage provided by the Federal Deposit Insurance Corporation. Plan management periodically evaluates the financial condition of the bank holding its assets and believes such assets do not pose a financial risk to the Plan.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when received.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

3. FAIR VALUE MEASUREMENTS (continued)

- Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

(a) Cash and cash equivalents (interest-bearing cash): Reported at cost, which approximates fair value.

(b) Money market funds: Valued at the daily closing price as reported by the fund. Money market funds held by the Plan are mutual funds invested in highly liquid, near-term instruments and are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The money market funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Money market fund	$ 3,148,356	$ -	$ -	$ 3,148,356
Interest-bearing cash	500,000	-	-	500,000
Total investment assets at fair value	$ 3,648,356	$ -	$ -	$ 3,648,356

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Money market fund	$ 1,977,538	$ -	$ -	$ 1,977,538
Interest-bearing cash	500,000	-	-	500,000
Total investment assets at fair value	$ 2,477,538	$ -	$ -	$ 2,477,538

4. BENEFIT OBLIGATION

The following tables represent the Plan benefit obligation as of December 31, 2025 and 2024, and the changes in the benefit obligation for the years then ended.

Plan Benefit Obligation as of December 31:	2025	2024
Amounts currently payable to or for participants, beneficiaries, and dependents:		
Claims payable and claims incurred but not reported	$ 708,463	$ 1,330,083

Changes in Plan Benefit Obligation for the year ended December 31, 2025:	
Amounts currently payable to or for participants, beneficiaries, and dependents, and claims incurred but not reported:	
Balance at beginning of year	$ 1,330,083
Claims reported and approved for payment and claims incurred but not reported, net of recoveries	8,959,522
Claims paid, net of recoveries	(9,581,142)
Insurance premiums incurred	1,239,846
Insurance premiums paid	(1,239,846)
Balance at end of year	$ 708,463

5. STOP LOSS INSURANCE

The Plan maintains specific and aggregate stop loss insurance coverage with an insurance company. A contingent liability exists with respect to such stop loss coverage should the insurance company be unable to meet the obligations assumed under the stop loss agreement. For the contract periods below, the Plan has obtained stop loss insurance on health claims with the following limits:

	January 1, 2025 through December 31, 2025	January 1, 2024 through December 31, 2024
Specific deductible per covered person	$ 175,000	$ 175,000
Annual aggregating specific loss fund	175,000	175,000
Aggregate attachment point	10,124,012	10,774,326

During 2025, approximately $1,050,000 was recovered from the stop loss insurance company, which was netted against claims paid. For the year ended December 31, 2025, the Plan paid stop loss premiums of $1,114,396.

6. INCOME TAXES

The VEBA Trust established under the Plan holds a significant portion of the Plan's assets and is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC), and accordingly, the VEBA trust's net investment income is exempt from income taxes. The Plan administrator has obtained a favorable determination letter from the IRS dated December 13, 1982, which indicates the VEBA trust is designed in accordance with applicable sections of the IRC. The VEBA trust has been amended since the application for the determination letter was filed. However, the Plan's management believes that the VEBA trust is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt. From time to time the plan may become subject to unrelated business income tax (UBIT). If such UBIT costs arise, the Sponsor will be responsible for such taxes.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

As described in Note 1, the Plan has contractual arrangements with service providers. These transactions are party-in-interest transactions which are exempt from the prohibited transactions rules of ERISA. The Sponsor pays certain expenses of the Plan; therefore, these transactions qualify as party-in-interest transactions. Certain administrative functions are performed by employees of the Sponsor at no cost to the Plan. These transactions are not considered prohibited transactions under ERISA Section 408(b).

8. RISK AND UNCERTAINTIES

The Plan's benefit obligations represent an estimate based on certain assumptions, which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions would be material to the financial statements.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate risk, market risk, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2025, may not necessarily be indicative of amounts that could be realized in a current market exchange.

9. SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date that the financial statements were available to be issued, October 14, 2026, and determined that no additional disclosures were necessary.
