INDEPENDENT AUDITOR'S REPORT

To the Plan Trustee and Management
San Antonio Wings, Inc. 401(k) Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of San Antonio Wings, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the San Antonio Wings, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from ADP Retirement Trust Services, LLC as of and for the year ended December 31, 2025 and ADP Retirement Trust Services, LLC and from Nationwide Financial Services, Inc. for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements – continued
We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA
The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. NOTE A – DESCRIPTION OF PLAN - continued

Plan Amendment: The Plan sponsor changed custodian and third-party administrator and adopted a Plan with ADP Retirement Trust Services, LLC on November 1, 2024. The Plan updated some provisions, as noted below.

Contributions: Participants may contribute to the Plan as allowed by the Internal Revenue Code and the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective in 2025, if permitted by the Plan, participants who attain ages 60 through 63 during the year are eligible to make increased catch-up contributions, subject to applicable Internal Revenue Code limitations. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan Sponsor may elect to contribute a matching contribution, the amount of which is determined by the Board of Directors and allocated based on each participant's contributions. Participants also direct the investment of any matching contribution received. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Plan Sponsor's contributions and (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts, plus actual earnings thereon is based on years of service. A participant is 100% vested after three years of credited service.

Forfeitures: Forfeitures are retained in the Plan and may be used to pay for administrative expenses, allocated to the remaining participants or used to offset employer contributions. Forfeited non-vested accounts totaled $15,875 at December 31, 2025 and $24,022 at December 31, 2024.

Participants' Notes Receivable: Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Participants may only have one loan at a time. Loan terms range from 1 month to 5 years, unless for purchase of a primary residence, in which case loan term is 30 years. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits: On termination of service a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments over a period of time as detailed in the Plan.

Plan Termination: Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Reclassifications: Certain reclassifications were made to the prior year financial statement presentation to correspond to the current year's presentation. Total net assets available for benefits are unchanged due to these reclassifications.

NOTE A – DESCRIPTION OF PLAN - continued

SECURE 2.0 Act: The Securing a Strong Retirement Act (SECURE 2.0) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2024 and later. The Plan Sponsor has not formally amended the Plan as of the date of these financial statements.

NOTE B – SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The financial statements of San Antonio Wings, Inc. 401(k) Plan (the "Plan") are prepared on the accrual method of accounting in accordance with U.S. generally accepted accounting principles.

Investment Valuation and Income Recognition: Investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by investment advisers and the custodian.

Investments in common collective trusts are stated at fair value. Fair value is determined based on the value reported by the trustee, which represents the net asset value of units held by the Plan. The Plan held units in the Invesco Stable Asset - ADPZ common collective trust at December 31, 2025 and 2024.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefit payments are recorded when paid.

Subsequent Events: Subsequent events have been evaluated by management through the date of the independent auditor’s report, the date the financial statements were available to be issued. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

Use of Estimates: The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

NOTE C – INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)

As permitted by Department of Labor CFR 2520.103-8, plan investments at December 31, 2025 and 2024, and the related investment earnings for the years then ended, were certified and held by ADP Retirement Trust Services, LLC and Nationwide Financial Services, Inc., the Trustees, and were not audited by the independent auditor.

NOTE D – INCOME TAX STATUS

The Plan received its most recent favorable opinion letter from the Internal Revenue Service on October 6, 2020, and although it has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes the Plan is qualified for tax exempt status. The Plan Administrator is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not, based on the technical merits, would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the statute of limitations for the IRS to assess taxes on a plan expires three years from the due date of the return or the date on which it was filed, whichever is later.

As of the date of the audit report, the Plan has not completed its required discrimination testing for the year ended December 31, 2025.

NOTE E – TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan includes certain investments managed by ADP Retirement Trust Services, LLC., the Plan Custodian. Therefore, these transactions qualify as party-in-interest transactions. The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as allowed for in the Plan document. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE F – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE G – PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate employee contributions to the Plan from its general assets as soon as practicable. The Plan had contributions from 2024 totaling $6,384, all of which represented employee salary deferrals, that were not remitted timely. These contributions are considered prohibited transactions. The Plan Sponsor will calculate lost earnings and expects to reimburse the Plan for the lost earnings in 2026.

NOTE H – COMMON COLLECTIVE TRUST

The Plan invests in the Invesco Stable Asset - ADPZ, a common collective trust maintained through the Plan's trustee. The Plan's investment represents units in the trust rather than a direct investment contract between the Plan and an issuer. At December 31, 2025 and 2024, the Plan held 22,024 units and 35,820 units, respectively, at a reported unit value of $1. The fair value of the Plan's investment was $22,024 and $35,820 at December 31, 2025 and 2024, respectively.

The investment is stated at fair value based on the unit value reported by the trustee. Changes in fair value and investment earnings are included in investment income in the accompanying Statements of Changes in Net Assets Available for Benefits.

The trust is a pooled investment arrangement. Accordingly, the Plan's recognized investment is its interest in the common collective trust and not the individual investments or investment contracts held by the trust.

NOTE I – FAIR VALUE MEASUREMENTS

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means
- if the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE I – FAIR VALUE MEASUREMENTS - continued

The following table sets forth by level, within the fair value hierarchy, investments measured at fair value:

	Fair Value Measurements Using			
	Level 1	Level 2	Level 3	Total
December 31, 2025:				
Mutual funds	$ 1,952,711	$ -	$ -	$ 1,952,711
Total investments in fair value hierarchy	$ 1,952,711	$ -	$ -	$ 1,952,711
Common collective trust*				22,024
Total investments				$ 1,974,735
December 31, 2024:				
Mutual funds	$ 1,458,499	$ -	$ -	$ 1,458,499
Total investments in fair value hierarchy	$ 1,458,499	$ -	$ -	$ 1,458,499
Common collective trust*				35,820
Total investments				$ 1,494,319

**Certain investments measured at fair value using the net asset value per share (or equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefits.*

There have been no changes in methodologies used for investments measured at fair value, nor any transfers among levels. Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued based on unadjusted quoted prices for identical assets in an active market.

Common Collective Trust: Valued at the net asset value (NAV) of units of a collective trust. The NAV, as provided by the Custodian, used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probably that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the collective trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
