Independent Auditor's Report

To the Plan Administrator of
403(b) Thrift Plan of Comprehensive Behavioral Healthcare, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan of Comprehensive Behavioral Healthcare, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2025, and the related notes to financial statements - modified cash basis.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan of Comprehensive Behavioral Healthcare, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the 403(b) Thrift Plan of Comprehensive Behavioral Healthcare, Inc. because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The 403(b) Thrift Plan of Comprehensive Behavioral Healthcare, Inc. has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 9 to the financial statements, 403(b) Thrift Plan of Comprehensive Behavioral Healthcare, Inc. has excluded from investments in the accompanying statements of net assets available for benefits - modified cash basis certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits - modified cash basis. The amounts of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. The modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("GAAP"), requires that these accounts and the related income and distributions be included in the accompanying financial statements.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America and, as a result, the financial statements may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of 403(b) Thrift Plan of Comprehensive Behavioral Healthcare, Inc.'s financial statements in accordance with the modified cash basis of accounting and to issue auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of 403(b) Thrift Plan of Comprehensive Behavioral Healthcare, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) - modified cash basis, as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

1. Description of Plan

The following description of 403(b) Thrift Plan of Comprehensive Behavioral Healthcare, Inc. (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective January 1, 2009, as restated October 1, 2018. The Plan covers eligible employees immediately following their date of hire, excluding non-resident aliens with no U.S. source income and those who are classified or treated as independent contractors, of Comprehensive Behavioral Healthcare, Inc. (the "Company"). The Plan requires one year of service and 1,000 hours to be eligible for employer base contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Each year, participants may contribute up to 100% of eligible compensation, as defined in the Plan document, up to the maximum limits of the Internal Revenue Code ("IRC"). Participants also may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the Plan year, as well as participants who have worked for the Company for at least 15 years, are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

Effective January 1, 2025, the Company provides a discretionary employer contribution, providing allocation on a pro rata compensation basis among eligible participants at the option of Board of Trustees of the Company. For the year ended December 31, 2025, the Company did not make any discretionary employer contributions to the Plan.

Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer base contributions, and an allocation of the Plan’s earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon and, upon attainment of normal retirement age of 65, death or disability, are 100% vested in employer base contributions. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 20% vested after 2 years of credited service and continues to vest in increments of 20% until 100% vested after 6 years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account. The loan interest rate, determined quarterly, is set at the credited rate available for similar notes receivable, as defined. Principal and interest are paid ratably through monthly payroll deductions or directly by participants on a quarterly basis. Terms range up to 5 years, unless it is for the purchase of a principal residence in which case the loan may be for a longer term.

Payment of Benefits
On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installment payments as provided in the Plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Subject to the vesting rules, employees are entitled to pension benefits beginning at the normal retirement age of 65. However, an employee could elect to retire at age 55 and receive a retirement benefit or delay such payments until April 1 of the calendar year following the year in which the employee attains age 70½. In addition, the Plan allows for hardship distributions if certain criteria are met. The Plan also provides for death benefits, payable to the employee's designated beneficiary should the employee die before retirement.

Forfeited Accounts
As of December 31, 2025 and 2024, forfeited nonvested accounts totaled $35,502 and $7,734, respectively. Forfeitures are first used to pay certain Plan expenses. Any amount of forfeitures remaining will be used to reduce employer contributions to the Plan. During 2025, employer contributions were reduced by $50,098 from forfeited nonvested accounts, in accordance with Plan provisions.

2. Summary of Accounting Policies

Basis of Accounting
The accompanying financial statements have been prepared using the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). Accordingly, additions are included in the year in which they are collected and deductions are included in the year in which they are disbursed; however, earnings on investments include adjustments to fair value.

Use of Estimates
The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value or net asset value ("NAV"), which approximates fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company, as applicable. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these modified cash basis financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events
The Plan's management evaluated events that occurred after December 31, 2025 through October 12, 2026, the date when the financial statements were available to be issued. The Plan has determined that the following subsequent event has occurred that would require disclosure in the financial statements:

- On September 16, 2026, the Plan Sponsor, Comprehensive Behavioral Health Care filed for relief under Chapter 11 of the U.S. Bankruptcy Code. Under Chapter 11, Comprehensive Behavioral Healthcare continues to operate its business and manage its assets as a debtor-in-possession while pursuing reorganization. The Plan's assets are held in trust for the exclusive benefit of participants and beneficiaries and generally are not available to satisfy the obligations of the Plan Sponsor's creditors. Management has evaluated the impact of the Chapter 11 filing on the Plan and has determined that no adjustment to the accompanying financial statements is required as of December 31, 2025. However, the ultimate effect of the bankruptcy proceedings on the future operations and administration of the Plan, if any, cannot presently be determined.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:
- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used as of December 31, 2025 and 2024.

Pooled Separate Accounts: Consist solely of investments in mutual funds registered with the Securities and Exchange Commission and are carried at the net asset value of the shares held by the Plan at year-end, which is based on the unit prices quoted by the fund, representing the fair value of the underlying investments.

General Account: The valuation for the investment contract is based upon the fair value of underlying assets which primarily consists of cash equivalents maintained in a general account by the trustee. This investment is classified within Level 2 of the valuation hierarchy and is not considered to be fully benefit responsive. The contract is included in the statements of net assets available for benefits - modified cash basis at fair value as reported to the Plan by the trustee. Amounts placed in the general account are credited with interest at a rate determined by the trustee, from time to time, and it reserves the right to change the interest rates as applicable to amounts held in the general account at its discretion, but not below the minimum guaranteed interest rate.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Pooled separate accounts (a)	$ -	$ -	$ -	$ 21,413,265
General account	-	5,183,644	-	5,183,644
Total investments at fair value	$ -	$ 5,183,644	$ -	$ 26,596,909

	December 31, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Pooled separate accounts (a)	$ -	$ -	$ -	$ 21,440,328

Total investments at fair value	$ -	$ 4,674,360	$ -	$ 26,114,688

(a) In accordance with FASB ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits - modified cash basis.

Fair Value of Investments that Calculate Net Asset Value

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	December 31, 2025				
	Fair Value	**Unfunded Commitments**	**Redemption Frequency (if currently eligible)**	**Other Redemption Restrictions**	**Redemption Notice Period**
Pooled separate accounts	$ 21,413,265	N/A	Immediate	None	None

	Fair Value	**Unfunded Commitments**	**Redemption Frequency (if currently eligible)**	**Other Redemption Restrictions**	**Redemption Notice Period**
Pooled separate accounts	$ 21,440,328	N/A	Immediate	None	None

4. Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by the trustee, and therefore, these transactions qualify as party-in-interest transactions. Fees paid to such services totaled $3,970 for the year ended December 31, 2025. Additionally, the Plan issues loans to participants, which are secured by the participants' account balances. These transactions qualify as party-in-interest transactions.

5. Information Certified by Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, Mutual of America Life Insurance Company, the Trustee of the Plan, has certified the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits - modified cash basis as of December 31, 2025 and 2024, and the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) - modified cash basis as of December 31, 2025, and the related investment activity and interest income on notes receivable from participants reported in the statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2025.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time with required notice and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. See Note 2 subsequent events.

7. Tax Status

The Plan adopted a pre-approved plan offered by Mutual of America Life Insurance Company stating that the written form of the underlying specimen plan is qualified under Section 403(b) of the IRC. The Plan administrator intends to apply for a determination letter on the Plan. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for the Plan participants under Section 403(b). The Plan administrator believes that the Plan is currently designed and operating in accordance with the applicable requirements of Section 403(b) of the IRC and, therefore, believes the Plan is qualified and the related accounts are tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits - modified cash basis. As of December 31, 2025 and 2024, one and two of the investments, respectively, represented a concentration of greater than 10% of the Plan's net assets available for benefits.

9. Pre-2009 Investment Contracts

The financial statements do not present information regarding certain investments in annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. The Plan administrator has elected to exclude those contracts and accounts and related activity from the Plan's financial statements for the purposes of the annual reporting requirements of ERISA as permitted by Department of Labor's Field Assistance Bulletin 2009-02, *Annual Reporting Requirements for 403(b) Plans*. Presentation of this information is required by the modified cash basis of accounting. The effects of this departure from the modified cash basis of accounting on these financial statements are not reasonably determinable.
