Independent Auditors' Report

To the Participants of
Swoboda, Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of Swoboda, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and September 30, 2025, and the related statement of changes in net assets available for benefits for the three-month period ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institution, John Hancock Trust Company LLC as of December 31, 2025 and September 30, 2025, respectively, and for the three-month period ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and the procedures performed as described in the *Auditors' Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements conform with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements
Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance. Therefore, it is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules *Schedule H Line 4i Schedule of Assets (Held at Year End)* as of December 31, 2025 and *Schedule H, Line 4a – Schedule of Delinquent Participant Contributions* as of and for the three-month period ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
FOR THE THREE-MONTH PERIOD ENDED DECEMBER 31, 2025
AND FOR THE NINE-MONTH ENDED SEPTEMBER 30, 2025

1. GENERAL DESCRIPTION OF THE PLAN

The following description of the Swoboda, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General
The Plan is a profit-sharing and 401(k) plan established by Swoboda, Inc. (the "Sponsor") on October 1, 1998. The Plan provides retirement benefits for the employees of the Sponsor. Employees become eligible to participate after one month of service with the Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and the Internal Revenue Code (the "IRC").

Contributions
Employees eligible to participate in the Plan ("participants") may contribute, on a pre-tax or after-tax basis, in the form of a salary deferral, a percentage of his or her compensation, as defined by the Plan, subject to IRC limitations, which are adjusted annually by the Internal Revenue Service ("IRS"). Participants may also make rollover contributions to the Plan, which represent distributions from other qualified plans. Eligible employees, who do not elect otherwise, are automatically enrolled in the Plan with a salary deferral rate of 4%.

The Sponsor, at its discretion, may provide matching contributions of participant contributions. The Sponsor, at its discretion, may also make profit-sharing contributions to the Plan annually on behalf of all participants. Profit-sharing contributions are allocated amongst participants based upon the ratio that the participants' compensation for the Plan year bears to the total compensation for the Plan year of all participants. For the three-month period ended December 31, 2025, the Sponsor matched 25% of participant contributions. No discretionary profit-sharing contribution was made for the three-month period ended December 31, 2025.

Investment options
The Plan's investment assets are held by John Hancock Trust Company LLC (the "Custodian"), the custodian of the Plan's investment assets. Under an arrangement with the Custodian and upon enrollment in the Plan, participants direct all contributions in any whole percentage increment to any of the available funds. Participants may change their allocation among the various investment options at any time via telephone or the internet.

Participant accounts
Each participant's account is credited with (a) the participant's contributions, (b) the Sponsor's contributions on behalf of the participant and (c) the earnings and losses of the participant's investments and is charged with any expenses incurred as a result of transactions initiated by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are vested immediately in their contributions, rollovers, and earnings thereon. Vesting in the Sponsor's' contributions and the earnings thereon is based on years of qualifying service, with the Sponsor, as follows:

Years of Service	Vesting
Less than 1	0%
1-2	10%
2-3	20%
3-4	50%
4 or more	100%

Payment of benefits
Upon termination of employment, or for reasons of death or disability, participants may withdraw the vested balance of their account in the form of a lump sum. Participants still employed with the Sponsor may withdraw all or a portion of their account balance upon attainment of age 59½ or for reasons of a financial hardship, as allowed under the IRC. A participant whose vested account balance does not exceed $1,000 will receive a lump sum distribution of their vested account balance as soon as administratively feasible following termination. A participant whose vested balance exceeds $1,000 but does not exceed $5,000 and who does not elect otherwise will have their vested account balance distributed from the Plan directly to an individual retirement account in their name as soon as administratively feasible following termination.

Forfeitures
Forfeitures of non-vested account balances may be used, at the sole discretion of the Sponsor, to pay administrative expenses of the Plan or reduce future Sponsor contributions. For the period ended December 31, 2025, amounts forfeited totaled $4,495, and no amount was used to reduce employer match liability. Accumulated forfeitures available to reduce future Sponsor contributions or expenses totaled $60,808 and $56,313 at December 31, 2025 and September 30, 2025, respectively.

Notes receivable from participants
Participants may borrow, from their fund accounts, amounts ranging from $1,000 up to a maximum amount equal to the lesser of $50,000 or 50% of their vested account balances. The maximum term of repayment for a loan is five years, unless it is for the purchase of a principal residence, in which case the maximum term of repayment is ten years. The loans are secured by the balance in the participant's account and bear prime interest rates that range from 4.25% to 9.50% at December 31, 2025 and September 30, 2025, plus 1%. Principal and interest are paid ratably through payroll deductions. Participants can only have one loan outstanding at a time.

Administrative expenses
Fees related to the administration of notes receivable from participant and payments of benefits are charged directly to the participant's account and are included in administrative expenses. The Plan also pays certain administrative fees.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting
The accompanying financial statements are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Reporting Period
Effective October 1, 2025, the Plan changed its year-end from September 30 to December 31. Accordingly, the accompanying financial statements include a three-month transition period from October 1, 2025 through December 31, 2025.

Use of estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment valuation and income recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in fair value of investments includes unrealized and realized gains and losses on investments purchased and sold, as well as held during the year. See Note 4 for discussion of fair value measurements.

Expenses
Certain expenses incurred maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

Notes receivable from participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivables from participants are recorded as distributions based upon the Plan's provisions.

Payment of benefits
Benefits are recorded when paid.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS (UNAUDITED)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (the "DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the Custodians, except for comparing such information to the related information included in the Plan's financial statements and supplemental schedules.

The following information included in the Plan's financial statements and supplemental schedules was prepared and certified to be complete and accurate by the Custodians as of December 31, 2025 and September 30, 2025, and for the three-months period ended December 31, 2025:

	December 31, 2025	September 30, 2025
Investments at fair value:		
Mutual funds	$ 7,529,562	$ 7,904,771
Money market funds	199,245	190,961
	$ 7,728,807	$ 8,095,732
Investment income (loss):		
Dividends and interest	$ 303,462	
Net depreciation in fair value of investments	(107,811)	
	$ 195,651	

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2
Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;

- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3
Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used during the three-month period ended December 31, 2025.

- Mutual funds and money market funds: Valued at the net asset value ("NAV") of shares held by the Plan at year end. Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price, and are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	Investments at fair value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 7,529,562	$ -	$ -	$ 7,529,562
Money market funds	199,245	-	-	199,245
	$ 7,728,807	$ -	$ -	$ 7,728,807

	Investments at fair value as of September 30, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 7,904,771	$ -	$ -	$ 7,904,771
Money market funds	190,961	-	-	190,961
	$ 8,095,732	$ -	$ -	$ 8,095,732

5. RELATED PARTY TRANSACTIONS

The Sponsor incurs certain costs on behalf of the Plan for insurance, administration and professional services. Recordkeeping and administrative services are also provided by the Sponsor at no cost to the Plan.

The Plan offers, as investment options, certain funds managed by the Custodian. Accordingly, transactions in these investments qualify as party-in-interest transactions.

6. RECONCILIATION TO FORM 5500

The following is a reconciliation of the Plan's net assets available for benefits as reported in the accompanying financial statements and those amounts reported on Form 5500 as of December 31, 2025 and September 30, 2025, are as follows:

	December 31, 2025	September 30, 2025
Net assets available for benefits per the financial statements	$ 7,826,953	$ 8,196,480
Deemed distributed notes receivable from participants	(21,794)	(21,794)
Net assets available for benefits per Form 5500	$ 7,805,159	$ 8,174,686

7. INCOME TAX STATUS

The Plan utilizes a volume submitter plan document sponsored by John Hancock Retirement Plan Services, LLC., who was informed by the IRS by a letter dated June 30, 2020, that the form of the plan is designed in accordance with the applicable sections of the IRC and can generally be relied to the extent described in Revenue Procedure 2017-41. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Sponsor believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress, and the plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2023.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become 100% vested in their accounts.

9. INVESTMENT RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. PROHIBITED TRANSACTIONS

During the years ended September 30, 2022 and 2021, certain employee deferrals were not segregated from the Sponsor's general assets as soon as reasonably separable as required by ERISA. These non-timely contribution remittals represent employee deferrals on eligible wages, which constitute prohibited transactions. The non-timely contributions were remitted to the Plan by the Sponsor during the years ended September 30, 2022 and 2021. Lost earnings have not been remitted to the Plan as of December 31, 2025.

11. SUBSEQUENT EVENTS

The Plan has evaluated the subsequent events through October 15, 2026, which is the date the financial statements were available to be issued.

Effective January 1, 2026, the Sponsor terminated its trust agreement with John Hancock Trust Company LLC and entered into a new agreement with Paycheck Retirement LLC.
