INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
East End Welding LLC 401(k) Plan
Kent, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of East End Welding LLC 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

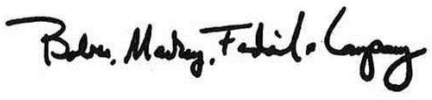

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EAST END WELDING LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF PLAN

The East End Welding LLC 401(k) Plan (the "Plan") is a retirement savings plan designed to invest voluntary pre-tax and post-tax employee contributions, and matching employer contributions for the benefit of the participating employees. The following description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established by East End Welding LLC (the "Company") on July 19, 2021 as a defined contribution 401(k) plan designed to provide employees of the Company with tax advantaged long-term savings for retirement. The Plan is administered by the Company along with Empower Trust Company, LLC (the "Trustee"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Eligibility

All employees of the Company who were active employees as of July 19, 2021, the inception date of the Plan, are eligible to participate in the Plan immediately. All other employees of the Company are eligible to participate in the Plan after completing one month of service, with an entry date of the first day of the month coinciding with or next following the date the employee satisfied the eligibility requirements.

Contributions

The Plan provides for pre-tax contributions by participants and Roth elective deferrals, through payroll deductions, and for matching and discretionary contributions by the Company. New employees are automatically enrolled in the Plan, unless they elect otherwise, at a rate of 5% of the employee's eligible compensation.

The Plan provides for a matching contribution from the Company of 100% of the first 3% and 50% of the next 2% of eligible earnings contributed by each participant. The Company may also make a discretionary contribution in an amount determined by the board of directors on an annual basis. There were no discretionary contributions made for the years ended December 31, 2025 and 2024.

Vesting and Distributions

Participants are immediately and fully vested in all participant contributions and earnings thereon. The employer matching contributions and discretionary employer nonelective contribution vest by 25% for each year of service completed, with 100% vesting at the completion of four years of service. On termination of service due to death, disability, or retirement, a participant receives a lump-sum payment.

Participant Accounts

Each participant's account is increased, or decreased as appropriate, with (a) the participant's contribution, (b) the Company's matching contributions and discretionary employer nonelective contribution, (c) net investment earnings based on the participant's account balance and composition, (d) administrative expenses, (e) loan disbursements and repayments, and (f) distributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Administrative Expense

Administrative fees are paid by the Plan or the Plan Sponsor. There are also indirect fees deducted directly from investment earnings of the Plan.

Notes Receivable from Participants

Subject to certain limitations, the Plan permits loans to participants. The minimum loan amount is $1,000. The maximum amount a participant may borrow is the lesser of (1) one-half of a participant's vested balance or (2) $50,000. Participants may borrow from the value of their balances invested in any of the various investment funds at their discretion. The interest rate on the loans is equal to 1% plus the Prime lending rate at loan origination date. The terms of the loans are one to five years. A loan term may extend beyond five years if the loan is used for the purchase of a primary residence. Principal and interest are paid bi-weekly through payroll deductions.

Notes are in default when payments are not made by the end of the calendar quarter following the quarter in which the payment was due, if there is still an outstanding balance on the note's maturity date, or employment with the Plan Sponsor is terminated. In the event of default, the entire outstanding note balance, consisting of the missed payments, remaining principal, and all accrued but unpaid interest, will be reported to the IRS as taxable income. If a note has not been fully repaid by the end of its term, the outstanding balance will be treated as a deemed distribution and will be reported to the IRS as taxable income.

Rollovers

Rollover contributions consist of amounts rolled over by participants from another qualified plan as defined by the Internal Revenue Code ("IRC").

Allocation of Forfeitures

Forfeitures attributable to Plan Sponsor matching contributions are used to reduce the Plan Sponsor's contribution or to pay Plan expenses. There were accumulated forfeitures of $10,610 and $8,693 at December 31, 2025 and 2024, respectively. There were $11,176 and $5,788 of forfeitures used to reduce the Plan Sponsor's contributions during the years ended December 31, 2025 and 2024, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The Trustee would value the trust and the shares of all participants as of the termination date and would distribute, as soon as possible, the balance of the accounts.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis.

Fair Value Measurements

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Investment income consists of interest and dividend income and participant loan interest. The net appreciation in the fair value of investments consists of realized gains or losses and the unrealized appreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized gains and losses from security transactions are reported based on historical cost.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the amounts reported in the basic financial statements and related notes to the financial statements. Actual results could differ from those estimates. The Plan utilizes various investment instruments, including mutual funds, common collective trust funds, and a stable value fund. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

Notes Receivable from Participants

Notes receivable from participants represent participant loans and are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Repayments of principal and interest are recognized in the period in which payroll deductions are processed.

Uncertain Tax Positions

Under the Income Taxes Topic of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC"), Plan management is required to identify potential uncertain tax positions taken, assess and quantify those positions and record reserves. As of and for the years ended December 31, 2025 and 2024, Plan management has identified no uncertain tax positions.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following is a summary, which has been prepared or derived from information prepared by the Trustee and is included in the financial statements. This information has been certified by the Trustee to be complete and accurate as of December 31, 2025 and 2024, and for the years then ended, as applicable:

	2025	2024
Investments, at fair value	$ 6,228,619	$ 5,099,444
Notes receivable from participants	$ 176,092	$ 154,634
Interest and dividends	$ 189,480	$ 154,040
Interest on notes receivable from participants	$ 13,696	$ 11,193
Net appreciation in fair value of investments	$ 747,655	$ 405,818

NOTE 4 - INVESTMENTS

The Plan's investments are participant-directed accounts that are held by the Trustee.

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. The fair value amounts presented in the below tables are intended to permit reconciliation of the fair value hierarchy to total investments at fair value. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded.
- Common/collective trusts: Valued at the NAV of the underlying investments held by the funds. NAV is used as a practical expedient to estimate fair value.
- Stable value fund: Valued at the NAV of the underlying investments held by the funds. NAV is used as a practical expedient to estimate fair value.

The method described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 5,694,222	$ -	$ -	$ 5,694,222
Total assets in the fair value hierarchy	$ 5,694,222	$ -	$ -	5,694,222
Investments measured using NAV per share as a practical expedient				
Collective trusts				477,461
Stable value fund				56,936
Total investments at fair value	$ 5,694,222	$ -	$ -	$ 6,228,619

	2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 4,660,128	$ -	$ -	$ 4,660,128
Total assets in the fair value hierarchy	$ 4,660,128	$ -	$ -	4,660,128
Investments measured using NAV per share as a practical expedient				
Collective trusts				332,030
Stable value fund				107,286
Total investments at fair value	$ 4,660,128	$ -	$ -	$ 5,099,444

The following tables set forth investments which are measured using the NAV per share practical expedient as of December 31:

	2025	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Collective trusts	$ 477,461	None	Daily	None	Daily
Stable value fund	$ 56,936	None	Daily	None	Daily

	2024	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Collective trusts	$ 332,030	None	Daily	None	Daily
Stable value fund	$ 107,286	None	Daily	None	Daily

NOTE 5 - TAX STATUS

The Plan has adopted a pre-approved plan document for which the document sponsor received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the form of the plan document was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Company is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status and believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.
