Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sports, Hospitality and Entertainment 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sports, Hospitality and Entertainment 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sports, Hospitality and Entertainment 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sports, Hospitality and Entertainment 401(k) Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sports, Hospitality and Entertainment 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sports, Hospitality and Entertainment 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter — Supplemental Schedules Required by ERISA

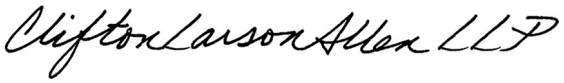

The supplemental schedule of assets (held at end of year) as of December 31, 2025 and the schedule of delinquent participant contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following description of Sports, Hospitality and Entertainment 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally effective January 1, 1998. The Plan has been amended and restated throughout the years to comply with tax legislation. The Plan was amended and restated effective October 1, 2025 to modify the Plan's definition of compensation and was subsequently amended effective December 1, 2025. The Plan is a multiple employer plan and covers all employees of Fertitta Entertainment, Inc. (the Plan Sponsor) and its controlled group subsidiaries, Catch Fertitta, LLC and its controlled group subsidiaries, Rocket Ball Ltd., Landry's Management, L.P., Fertitta Hospitality, LLC, 1600 West Loop South, LLC, Top Shelf Holdings, LLC, Go Rio San Antonio, LLC, CC eSports, LLC, Fertitta Auto Group, LLC and Keens Steak LLC (collectively referred to as the Employer).

The Plan excludes leased employees, highly compensated employees; nonresident aliens with no U. S. source income; and employees covered by a collective bargaining agreement. The Plan also excludes hourly wage employees employed by any Employer (other than Keens Steak LLC) if that Employer is solely classified as a restaurant or bar (other than a salaried employee that is classified as "non-exempt" for purposes of the Fair Labor Standards Act), independent contractors, certain hourly-wage employees as defined in the Plan and residents of Puerto Rico are excluded from participation in the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan administrator is responsible for the oversight of the Plan. The Employee Benefits Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

The Plan permits employees (except as noted above) who have attained age 21 and completed one month of service to participate in the deferral portion of the Plan and one year of service with 1,000 hours to participate in the Employer matching portion of the Plan (except Rocket Ball Ltd. employees). Rocket Ball Ltd. employees who have attained age 21 and completed one month of service may participate in the Employer matching portion of the Plan.

Contributions

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect up to 75% of their eligible compensation contributed as pre-tax 401(k) or after-tax Roth contributions to the Plan. Participants who have attained age 50 are permitted to make catch-up contributions to the Plan. Participants direct the investment of contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified plans and certain IRAs. Contributions are subject to certain limitations.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

The Employer may make a discretionary matching contribution each year to eligible participants. To be eligible to receive a matching contribution, participants (other than Rocket Ball Ltd. employees) must have completed one year of eligibility service with 1,000 hours and be employed on the last day of the Plan year, unless termination is due to death, disability, normal retirement (age 65), or early retirement (age 59½). For the year ended December 31, 2025, the Employer matching contribution for the employees of Rocket Ball Ltd. was equal to 50% of participant deferrals, limited to 6% of compensation with a dollar maximum of $3,000. For Golden Nugget employees, the Employer matching contribution was equal to 15% of participant deferrals, limited to 5% of compensation for the year ended December 31, 2025. For Keens Steak LLC employees, the Employer matching contribution was equal to 100% of the first 3% of compensation an employee contributes to the Plan plus 50% of the next 2% of compensation an employee contributes to the Plan for the year ended December 31, 2025. For all other employers except Go Rio San Antonio, LLC, the Employer matching contribution was equal to 15% of participant deferrals, limited to 5% of compensation for the year ended December 31, 2025. For the year ended December 31, 2025, the Employer did not authorize an Employer Matching contribution for the employees of Go Rio San Antonio, LLC.

Participant Accounts

Each participant's account is credited with the participant's deferral contributions, the Employer's matching contribution, and Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Income is allocated daily based on the shares in the participant's account. Participants direct the investment of contributions into the various investment options offered in the Plan.

Vesting

Participants are fully vested in their deferral contributions and actual earnings thereon. Vesting in the Employer portion of their accounts, plus actual earnings thereon, is based on years of credited service. Participants (other than Rocket Ball Ltd employees and Keens Steak LLC employees) vest at a rate of 20% per year, beginning with the second year of credited service. Participants are 100% vested after the completion of six years of credited service. Rocket Ball Ltd. employees are subject to a three-year graded vesting schedule, whereby they are fully vested upon completion of three years of credited service. Keens Steak LLC employees are immediately 100% fully vested in all employer contributions.

The Plan allows prior service credit for certain acquisitions as outlined in the Plan documents. Notwithstanding the above, a participant becomes 100% vested in their accounts upon attaining normal retirement age, death, or disability.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Upon termination of service, death, disability, early retirement, or normal retirement, the participant may elect to receive the value of the vested interest in their account in the form of a lump sum distribution or installments. The Plan also allows for hardship distributions and in-service distributions upon attaining age 59½, subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed $1,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the terminated participant's balance is between $1,000 and $7,000, the Plan administrator will authorize that the account balance be rolled into an IRA in the participant's name.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Note terms are up to five years, except for loans to purchase a principal residence, for which loans may be repaid over a period of up to 10 years. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest is paid ratably through semi-monthly, bi-weekly, or weekly payroll deductions.

Forfeitures

Forfeited nonvested accounts may be first used to pay Plan expenses and then are used to reduce Employer contributions. Forfeited nonvested accounts as of December 31, 2025 and 2024 totaled $200,909 and $144,789, respectively. Forfeitures of $43,500 were used to reduce Employer contributions for the Plan year ended December 31, 2025. No forfeitures were used to pay Plan expenses for the year ended December 31, 2025.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities. Estimates also affect the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Employee Benefit Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. See Note 4 for discussion of fair value measurements.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Employer, as provided by the Plan document. Expenses paid directly by the Employer are excluded from these financial statements. Fees related to the administration of benefit payments and participant loans are charged directly to the participant's account and are included in administrative expenses. The Plan utilizes an expense account to accumulate amounts used to fund administrative expenses. Investment advisory and recordkeeping fees are asset-based and are funded from this account and allocated to participant accounts. In addition, certain investment related expenses are included in net appreciation of fair value of investment presented in the accompanying statements of changes in net assets available for benefits.

Contributions

Contributions from participants and Employer matching contributions are recorded in the year in which the employee contributions are withheld from compensation.

Benefit Payments

Benefit payments are recorded when paid.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 15, 2026, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Empower Trust Company, LLC, the qualified institution of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of investments and notes receivable from participants as of December 31, 2025 and 2024, and investment income and interest income on notes receivable from participants for the year ended December 31, 2025, in the accompanying financial statements and ERISA-required supplemental schedules.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2025 and 2024.

Mutual Funds and Money Market Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds and money market mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 38,795,506	$ -	$ -	$ 38,795,506
Collective Trust Funds	-	161,828,190	-	161,828,190
Total Investments at Fair Value	$ 38,795,506	$ 161,828,190	$ -	$ 200,623,696

	2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 32,864,707	$ -	$ -	$ 32,864,707
Collective Trust Funds	-	143,420,948	-	143,420,948
Total Investments at Fair Value	$ 32,864,707	$ 143,420,948	$ -	$ 176,285,655

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Employer accounts.

NOTE 7 PLAN TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the IRC. Although, the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the plan is qualified, and the related trust is tax-exempt.

NOTE 7 PLAN TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and collective trust funds managed by Empower Trust Company, LLC (Empower). Empower is the trustee as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions.

NOTE 9 NONEXEMPT TRANSACTION

During 2025 and 2024, the Employer failed to remit employee 401(k) deferral contributions for certain payroll periods within the timeframe prescribed by the Department of Labor. This is deemed a prohibited transaction in accordance with ERISA and the IRC. The Employer corrected the prohibited transaction for 2024 by depositing the 401(k) deferral contributions and lost earnings in 2025. The Employer intends to correct the prohibited transactions for 2025 by depositing the lost earnings in 2026.
