Independent Auditors' Report

To the Plan Trustee
CPrime, Inc. 401(k) Plan
Cary, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of CPrime, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CPrime, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CPrime, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CPrime, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CPrime, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CPrime, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 and the schedule of delinquent participant contributions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

To the Plan Trustee
CPrime, Inc. 401(k) Plan
Cary, North Carolina

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following description of the CPrime, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which commenced May 1, 2008. All employees of CPrime, Inc. (the Company), excluding non-resident aliens and union, temporary, leased, part-time, and seasonal employees, who have 30 days of service and are age 21 or older are eligible to participate. Contract employees are eligible to participate in the employee deferrals but are excluded from receiving match and nonelective contributions. Participants are eligible for match and nonelective contributions after completing 6 months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants could elect to defer any amount of their salary up to the maximum contribution allowed by law, which is $23,500 in 2025. Participants' elective deferrals are subject to the limitations of Internal Revenue Code Section 402(g). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, up to $7,500 in 2025. Effective January 1, 2025, the Plan was amended to change the employer matching contributions to be 50% of participant elective deferrals up to 6% of eligible compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

Participant Accounts

A separate investment account is maintained for each Plan participant. Participants may direct the investment of their accounts into various funds specified by the Plan. Participant accounts are credited with the participant's contribution, an allocation of the Company's matching contribution and an allocation of Plan earnings and are charged with an allocation of administrative expenses, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their own contributions to the Plan. Effective January 1, 2025, the Plan was amended to change the vesting schedule to be 100% vested after 1 year of service for employer matching contributions and employer nonelective contributions.

Forfeitures

Employees who terminate employment and are not vested will forfeit the nonvested portion of their account balance to the Plan as specified in the Adoption Agreement. There were no material balances noted at December 31, 2025 and 2024.

See the independent auditors' report.

NOTE A - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 and a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at 2% above prime rate. Loan terms range up to five years but may be extended if the proceeds are to be used for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions. Each participant may only have 1 outstanding loan.

Payment of Benefits

Participants are eligible to receive a distribution of the vested portion of their individual account balance upon the following:

- The occurrence of any of the distributable events specified in the Adoption Agreement,
- The participant's termination of employment after attaining normal retirement age, or
- Termination of the Plan.

The normal retirement age under this Plan is 65.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, distribution of participants' accounts shall be in accordance with the Plan document.

Plan Amendments

On December 29, 2022, the "Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act" was signed into law in the United States. The Secure 2.0 Act is an expansion of the Secure Act passed during 2019. The Act includes several mandatory and optional provisions that will become effective across several years. The Secure 2.0 Act aims to expand retirement access, increase retirement savings, and simplify plan administration. Plans may choose to operationally implement the provisions of the Secure 2.0 Act; however, plan administrators have until December 31, 2026 to officially amend the plan document to reflect the provisions adopted by the plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in pooled separate accounts are stated at net asset value as reported by the insurance company which include a mix of mutual funds and managed accounts. Net appreciation or depreciation of investments is reported on the statement of changes in net assets available for benefits and consists of realized gains and losses and the unrealized appreciation or depreciation of these investments. All underlying investment options are valued daily. This daily price is considered the selling price for transfers and withdrawals and is calculated each day the principal market is open and are available to any participant in the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses incidental to the administration of the Plan may be paid by the Plan. The plan sponsor at its discretion, decided to pay for certain administrative expenses on behalf of the Plan. Expenses that are paid by the Company are excluded from these financial statements. Most investment options have management fees, which reduce the overall return on assets. The net realized and unrealized appreciation in fair value of investments is reflected net of these fees.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Party in Interest Transactions

Certain investments of the Plan are managed by the Trustee of the Plan. Also, certain participants have outstanding loans with the Plan as of December 31, 2025 and 2024. These transactions qualify as party-in-interest transactions allowable under ERISA guidelines.

Date of Management's Review

Management has evaluated subsequent events through October 14, 2026, the date which the financial statements were available to be issued.

NOTE C - RELIANCE ON TRUSTEE'S REPORT

The administrator of the Plan has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by John Hancock Life Insurance Company (U.S.A.), the trustee of the Plan, as of December 31, 2025 and 2024 and for the year ended December 31, 2025, other than comparing such information to that contained in the financial statements and supplemental schedules.

	2025	2024
Pooled separate accounts	$ 19,407,775	$ 17,132,965
Notes receivable from participants	178,222	136,030
Interest income, notes receivable from participants	13,223	*
Investment income		
Net investment appreciation from pooled separate accounts	3,012,559	*

*2024 investment income was not presented in the financial statements.

See the independent auditors' report.

NOTE D - TAX STATUS

The Plan is a non-standardized pre-approved profit sharing/money purchase plan with CODA sponsored by Nova 401k Associates Inc. The plan has received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, indicating that the Plan is a qualified plan under Section 401(k) of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan, as amended, is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the plan administrator believes that the Plan was qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

During the audit, the Company became aware of certain operational failures. The Company is working with the Plan's third-party administrator to correct these failures in accordance with Department of Labor guidelines.

NOTE E - FAIR VALUE MEASUREMENTS

Professional accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels.

Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. *Level 2* inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. *Level 3* inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled Separate Accounts: Valued at the net asset value (NAV) of units held by the Plan at year end. The NAV, as provided by John Hancock Life Insurance Company (U.S.A.), is used as a practical expedient to estimate fair value.

This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

See the independent auditors' report.

NOTE E - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	2025 Quoted Prices in Active Markets (Level 1)	Total
Total assets included in fair value hierarchy	$ -	$ -
Investments measured at net asset value (a)		19,407,775
Total assets at fair value		$ 19,407,775

	2024 Quoted Prices in Active Markets (Level 1)	Total
Total assets included in fair value hierarchy	$ -	$ -
Investments measured at net asset value (a)		17,132,965
Total assets at fair value		$ 17,132,965

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

See the independent auditors' report.

NOTE E - FAIR VALUE MEASUREMENTS (Continued)

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2025 and 2024:

Investment Type	Fair Value 2025	Fair Value 2024	Unfunded Commitments	Redemption Frequency	Redemption Period Notice
Pooled separate accounts					
Target Dates (1)	$ 10,763,335	$ 8,518,322	None	Daily	None
Aggressive Growth (2)	3,758,884	3,844,029	None	Daily	None
Growth (3)	3,144,151	3,526,816	None	Daily	None
Growth & Income (4)	630,525	498,150	None	Daily	None
Income (5)	930,496	538,782	None	Daily	None
Conservative (6)	180,384	206,866	None	Daily	None
	$ 19,407,775	$ 17,132,965			

The investment strategies of the pooled separate accounts are as follows:

(1) Target date funds seek high total return through its target retirement date, with a greater focus on income beyond the target retirement date.

(2) Aggressive growth funds seek long-term growth of capital consistent with prudent investment risk.

(3) Growth funds seek long-term growth of capital.

(4) Growth and income funds seek long-term growth of capital. Current income is also a consideration.

(5) Income funds seek a high level of current income.

(6) Conservative funds seek low to moderate growth.

NOTE F - RISKS AND UNCERTAINTIES

Investments of the Plan are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect investment assets reported in participant account balances and in the statements of net assets available for benefits.

See the independent auditors' report.

NOTE G - LATE REMITTANCES

When participant payroll deferrals are not remitted within the appropriate time period by the Company, these transactions constitute prohibited transactions as defined by ERISA.

During the year ended December 31, 2025, employee contributions aggregating $178,168 were not remitted timely by the Company. Lost earnings were determined, and the Company intends to remit the lost earnings to the Plan.

During the year ended December 31, 2024, employee contributions aggregating $1,008 were not remitted timely by the Company. Lost earnings were determined, and the Company intends to remit the lost earnings to the Plan.
