INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
ServiceNow, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of ServiceNow, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of ServiceNow, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section:

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of ServiceNow, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the 2025 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ServiceNow, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2025 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ServiceNow, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2025 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ServiceNow, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2025 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2025 Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2025, and of assets (held at end of year) as of December 31, 2025, (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the 2025 financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2025 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2025 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2025 financial statements or to the 2025 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

The financial statements of ServiceNow, Inc. 401(k) Plan as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) and pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated May 28, 2025, indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and (b) the information in the 2024 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ServiceNow, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2025 and 2024

1. DESCRIPTION OF THE PLAN

The following description of the ServiceNow, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan documents for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution plan sponsored by ServiceNow, Inc. (the "Company" or "Employer"), pursuant to Section 401(a) and related provisions of the Internal Revenue Code (IRC), was established on January 1, 2006, and amended effective October 15, 2021. The Plan is designed to provide eligible participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of termination, disability, death or financial hardship. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

On December 15, 2025, Moveworks, Inc. merged with and into Mavericks Merger Sub, LLC, a wholly owned subsidiary of ServiceNow, Inc., with the surviving entity renamed Moveworks, LLC. As a result of the merger, Moveworks became an indirect wholly owned subsidiary of ServiceNow.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until December 31, 2026, to amend the Plan for the changes related to SECURE 2.0. Effective January 1, 2025, the Plan administratively adopted Section 109 of SECURE 2.0, which implemented a super catch-up contribution for participants ages 60 through 63, increasing the catchup contribution limit to the greater of $10,000 or 150% of the otherwise applicable indexed catchup contribution limit. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA and the IRC. The Company has delegated certain responsibilities for the operation and administration of the Plan. The Plan's investments are held by Fidelity Management Trust Company (the "Trustee"). Recordkeeping services are provided by Fidelity Workplace Services LLC, an affiliate of the Trustee. Investment fees, which may vary according to the individual funds selected, are paid out of the assets of the Plan.

Eligibility

Generally, all employees of the Company are eligible to participate in the Plan immediately upon hire. Leased employees are excluded from Plan participation, as defined in the plan documents.

1. DESCRIPTION OF THE PLAN (continued)

Participant contributions

Participants may elect to contribute through payroll deductions, amounts up to 75% of their annual compensation as defined by the Plan, on a pre-tax or after-tax (as Roth) basis, up to the maximum amount allowed by the IRC. Plan participants who have attained age 50 or older before the end of a calendar year are allowed to make additional contributions called "catch-up contributions" to the Plan, up to the annual contribution limit as defined in the IRC. The Plan includes an automatic enrollment feature under which newly eligible employees are automatically enrolled at a pre-tax deferral rate of 6% approximately 35 days after hire, but no earlier than the employee's entry date, unless the employee affirmatively elects otherwise. Additionally, the Plan includes an automatic escalation feature under which eligible participants' elective deferral rates are automatically increased by 1% annually, up to a maximum deferral rate of 10%, unless the participant elects otherwise.

Participants are also allowed to make pre-tax and after-tax (Roth) rollover contributions to the Plan from other qualified retirement plans.

Employer contributions

The Company may make discretionary Employer matching or discretionary nonelective contributions to the Plan. Discretionary Employer matching contributions, if made, are allocated to eligible participants based on their eligible contributions during the Plan year, in accordance with the Employer matching contribution formula determined by the Company. Discretionary nonelective contributions, if made, are allocated to eligible participants in the same proportion that each participant's compensation bears to the total compensation of all eligible participants. Participants must generally be employed on the last day of the Plan year to receive a nonelective allocation; however, employees who terminate due to death, disability, or retirement are exempt from the last-day requirement. The Company made discretionary Employer matching contributions of $85,270,321 for the year ended December 31, 2025. There were no discretionary nonelective contributions for the year ended December 31, 2025.

Participant accounts

Each participant's account is credited with the participant's contributions, including rollovers, and an allocation of (a) the Employer discretionary matching or discretionary nonelective contributions, if any, and (b) Plan earnings, and charged with an allocation of investment losses and administrative expenses not paid directly by the Company. Allocations of investment earnings are based strictly on the participant's selection of investments and timing of purchase. Other allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their account into various investment options offered by the Plan.

1. DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

Notes receivable from participants ("participant loans" or "loans") are issued directly from the borrowing participant's account balance. Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms are generally five years or less but may exceed five years if the purpose of the loan is to purchase a principal residence. Participants may have only one outstanding loan at a time. Principal and interest are paid ratably through monthly payroll deductions. The loans are secured by the balance in the participant's account and bear interest at the prime rate. In the event of a participant's termination, the loan will continue to be repaid according to the terms outlined in the loan agreement. Participant loans mature at various dates through February 2036 and accrue interest at rates ranging from 4.25% to 9.50% as of December 31, 2025.

Vesting

Participants are immediately 100% vested in their contributions and discretionary employer matching contributions, and actual earnings thereon. Vesting for discretionary nonelective employer contributions is based on years of service as follows: less than one year – 0%, one year – 33%; two years – 66%, three years – 100%, as defined in the plan document.

Payment of benefits

Distribution and withdrawals are payable upon retirement, attainment of age 59 ½, termination, disability, or death. Upon termination of employment, if a participant's account balance is equal to or less than $1,000 and the participant does not elect a distribution, the balance may be automatically distributed in a lump-sum cash payment. If a participant's account balance is greater than $1,000 and less than or equal to $7,000, the balance may be automatically rolled over into an IRA as designated by the Plan administrator. If the account balance is over $7,000, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a partial payment, direct rollover into another qualified plan, or may postpone payment to a later date and remain in the Plan as described in the plan documents.

In addition to the foregoing, participants are permitted to request in-service distributions from their vested Plan accounts at any time after having attained age 59 ½. Also, participants incurring an immediate and heavy financial need may request a hardship distribution of their deferral account subject to certain restrictions as described in the plan documents.

Administrative expenses

Certain administrative expenses of the Plan were paid directly by the Company for the year ended December 31, 2025. Investment fees, which may vary according to the individual funds selected, are paid indirectly out of the assets of the Plan and impact Plan earnings.

1. DESCRIPTION OF THE PLAN (continued)

Administrative expenses (continued)

Participants may be charged for some or all the costs and expenses of operating the Plan. Such expenses include, but are not limited to, investment expenses and costs to process distributions, loans, and domestic relations orders. The Company pays for certain administrative expenses of the Plan. The Plan is not required to reimburse the Company for expenses paid on its behalf.

Forfeitures

Forfeitures are the nonvested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan, and may be used to pay the Plan's administrative expenses or to reduce future Company contributions. As of December 31, 2025 and 2024, forfeited nonvested accounts totaled $96,417 and $79,721, respectively. For the year ending December 31, 2025, forfeitures of $8,657 were used to reduce Employer matching contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value as certified by the Trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a description of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes both the unrealized appreciation in the aggregate current value of investments held during the year and realized gains and losses on the sale of investments bought and sold during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions and contributions receivable

Contributions from participants are recorded based on the date the contributions have been separated from participants' pay by the Company, which is the pay date. Employer discretionary matching and discretionary nonelective contributions are recorded in the year they are earned and coincide with the year in which the Company records the contributions in its general ledger. The Plan records receivables for contributions, if any, based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year. Rollover contributions from participants are recorded based on the date the rollover contributions are received by the Trustee.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Risk and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuation, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Administrative expenses are recorded when incurred.

Subsequent events

The Plan administrator has evaluated subsequent events through October 14, 2026, the date the financial statements were available to be issued. Plan management is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. The Trustee, determined to be a qualified institution by the Plan administrator, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefit as of December 31, 2025 and 2024.
- Investment income and other income reflected on the accompanying statement of changes in net assets available for benefit for the year ended December 31, 2025.
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) as of December 31, 2025 ("supplemental schedule").

Accordingly, as requested by the Plan administrator, the Plan's independent auditor and predecessor auditor performed no auditing procedures with respect to the certified information other than to agree the certified information to the related information included in the financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to the unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

- *Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.
- *Level 2* - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability; or
- *Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement of the assets or liabilities.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis.

There have been no changes to the methodologies used at December 31, 2025 and 2024.

4. FAIR VALUE MEASUREMENTS (continued)

Mutual funds: registered investment companies (mutual fund investments) are valued at the net asset value (NAV) of shares held by the Plan at year-end which are quoted in active markets. Investments are valued using market quotations or prices obtained from independent pricing services. The mutual funds held by the Plan are deemed to have a readily-determinable fair value and are classified within Level 1 of the fair value hierarchy.

Self-directed brokerage accounts: comprised of various investments in mutual funds, common stock, preferred stock, money market accounts and interest-bearing cash. The Plan's valuation methodology used to measure the fair values of mutual funds, money market accounts, common stock and preferred stock was to use quoted market prices as all of these instruments have active markets. Cash is valued at the amounts deposited in the account, plus accrued interest.

Common collective trusts: Units held in a common/collective trust funds (CCTs) are valued using the NAV practical expedient of the CCTs as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCTs, minus its liabilities, divided by the number of units outstanding of the CCT. Redemption by the Plan requires a 12-month notice period for the Galliard Stable Return Fund. The CCTs may be redeemed daily by participants at NAV without restrictions.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments, by type, at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	$ 1,035,992,422	$ -	$ -	$ 1,035,992,422
Self-directed brokerage accounts	74,429,932	-	-	74,429,932
	$ 1,110,422,354	$ -	$ -	1,110,422,354
Investments measured at net asset value*				1,562,434,694
				$ 2,672,857,048

The following table sets forth by level, within the fair value hierarchy, the Plan's investments, by type, at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	$ 795,159,368	$ -	$ -	$ 795,159,368
Self-directed brokerage accounts	44,397,596	-	-	44,397,596
	$ 839,556,964	$ -	$ -	839,556,964
Investments measured at net asset value*				1,139,007,631
				$ 1,978,564,595

*Certain investments that are measured at fair value using the NAV per share practical expedient (or its equivalent) have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to amounts presented in the Plan's statements of net assets available for benefits.

5. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2025:

Net assets available for benefits per the financial statements	$ 2,691,408,473
SDBA trade difference	300,115
Excess contribution	(73)
SDBA cash out trading fees	(792)
Rounding	(73)
Net assets available for benefits per the Form 5500	$ 2,691,707,650

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2025:

Changes in net assets available for benefits per the financial statements:	$ 697,744,901
SDBA trade difference	300,115
Excess contribution	(73)
SDBA cash out trading fees	(792)
Rounding	(73)
Changes in net assets available for benefits per the Form 5500	$ 698,044,078

6. TAX STATUS

The Company has adopted a FMR LLC Non-standardized Pre-Approved Profit Sharing Plan with CODA. The Internal Revenue Service (IRS) has informed Fidelity by a letter dated June 30, 2020, that its plan document is designed in accordance with applicable sections of the IRC and is available for use by employers for the benefit of their employees. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants would become fully vested in their accounts.

8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines party-in-interest similarly to the definition of a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be party-in interest.

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee associate or relatives of such persons.

Notes receivable from participants are considered party-in-interest transactions; however, such transactions are exempt from the prohibited transaction rules under ERISA.

Certain fund level fees incurred by the funds in which the Plan invests for such services as investment management, shareholder services, and sub-transfer agency fees are paid through fund level revenue sharing arrangements. These fees reduce fund earnings, thereby impacting Plan revenue applied to participants' accounts.

Certain mutual fund investments are managed by the Trustee; therefore, the related investment management charges of these funds qualify as exempt party-in-interest transactions. The Trustee retains as compensation for services provided to the Plan, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates. For the year ended December 31, 2025, fees paid to an affiliate of the Trustee for recordkeeping services amounted to $475,145 and are included on the statement of changes in net assets available for benefits as administrative expenses.

9. DELINQUENT PARTICIPANT CONTRIBUTIONS

During the years ended December 31, 2025 and 2024, the Company failed to remit timely certain employee deferrals to the Plan aggregating $3,765. The Company is working with the Trustee to calculate lost earnings on these deferrals and will make corrective contributions in 2026.
