FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

INDEPENDENT AUDITOR'S REPORT

To the Administrator of
Eurotranciatura USA LLC 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Eurotranciatura USA LLC 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Eurotranciatura USA LLC 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from Empower Trust Company, LLC and Empower Annuity Insurance Company of America, as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

(Cont.)

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Eurotranciatura USA LLC 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

(Cont.)

Responsibilities of Management for the Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Eurotranciatura USA LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Cont.)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Eurotranciatura USA LLC 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Eurotranciatura USA LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

(Cont.)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions, Matching Contributions and Loan Repayments, and of Assets (Held at End of Year) for Investment Purposes, as of and for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(Cont.)

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EUROTRANCIATURA USA LLC 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

A. DESCRIPTION OF THE PLAN

The following description of the Eurotranciatura USA LLC ("the Company") 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan established to provide retirement benefits to all eligible employees, as defined, of the Company. An eligible employee of the Company must be 18 or older and has completed 90 days of service in order to participate in the plan. The employees that meet requirements may begin participating in the Plan immediately. The eligibility requirement for discretionary employer profit sharing contributions is either employment by the Company on the last day of the Plan Year or at least 500 hours of service in the applicable Plan Year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The benefits under this Plan are not insured by the Pension Benefit Guaranty Corporation.

The Plan investments are administered and held in trust by the Plan's trustees, Empower Trust Company, LLC and Empower Annuity Insurance Company of America. Empower Retirement, LLC is the recordkeeper of the Plan. Ascensus dba Futureplan is the third party administrator of the Plan.

2. Contributions

a. Each employee may contribute through payroll deferral not less than 1% of and not more than 92% of earnings in 1% increments subject to the Internal Revenue Code ("IRC") Rules and Regulations.

b. The Company has elected to make a safe harbor matching contribution to the Plan in an amount equal to 100% of the participant's elective deferral during the Plan year that is not in excess of 4% of the participant's compensation. The safe harbor matching contribution is determined on a Plan Year basis; any additional amount due is contributed after the end of the Plan Year.

c. At the Company's discretion, a profit sharing contribution may be made on behalf of eligible participants who have completed 500 hours of service during the plan year.

d. A participant or an employee, who has not satisfied the age or service eligibility requirements, may transfer funds in from other qualified plans. The transferred amount shall be invested and administered as a part of the trust fund and this transfer is 100% vested as defined in the Plan document. The Plan may accept such "rollovers" provided the "rollover" will not jeopardize the tax-exempt status of the Plan or create adverse tax consequences for the Company.

A. DESCRIPTION OF THE PLAN (CONT.)

2. Contributions (cont.)

e. A participant who is projected to reach age fifty (50) before the close of a taxable year will be permitted to make a catch-up contribution at any time during that Plan year. Catch-up contributions are contributions that exceed either the statutory limit as defined by the IRC Rules and Regulations, or the limit as defined by the Plan or any restrictions on contributions for certain highly paid employees. The limit on catch-up contributions for the year 2025 was $7,500 per individual aged 50 years and older. The limit on super catch-up contributions for the year 2025 was $11,250 per individual aged between 60 and 63 years.

3. Participant accounts

Each participant's account is credited with his/her contributions, the allocation of the Company's safe harbor contribution and non-elective contribution, the Plan earnings (losses), and charged with an allocation of administrative expenses during the Plan year. Each participant will have full responsibility for the investment results of his/her investment choices as offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options include common/collective trusts, mutual funds and guaranteed investment contracts.

4. Vesting

The participant is always 100% vested in his or her own deferral, rollover contributions, employer profit sharing, as well as the company's safe harbor match contributions. Also, a participant will always be automatically 100% vested in his or her company contribution account upon the earlier of reaching retirement age (65), at death or disability, or upon termination of the Plan.

5. Payment of benefits

A participant may elect to receive the full amount of his or her vested amount balance in the event of normal retirement, termination of service, death or disability. Early withdrawals are permitted at the request of a participant after the age of 59-1/2. Military and disability distributions are allowed to participants in the Plan. All distributions of benefits under this plan shall be made by the company holding the investments in accordance with the terms and conditions set forth in the group contract.

A. DESCRIPTION OF THE PLAN (CONT.)

5. Payment of benefits (cont)

Benefits will be distributed by a single lump-sum payment, or any other optional form of distribution available under the Plan. Distributions shall be made as soon as reasonably practicable following a distribution request. Participant consent is required only for distributions over $5,000, the cash-out limit.

6. Loans and withdrawals

A participant may elect to receive a loan in the amount that may not exceed the lesser of $50,000 or one-half of the participant's vested amount. All loans bear a reasonable rate of interest as determined by the Plan administrator based on the prevailing interest rate charged by persons in the business of lending money. Each loan amount (principal and interest) must be completely paid within five (5) years with the exception of loans used for the purchase of a principal residence which may exceed five years. Loan repayments and interest are deducted ratably from the participant's compensation in each payroll period. Upon a termination of employment the principal amount of the loan and accrued interest shall become immediately due and payable.

A participant may elect to withdraw from his or her account by demonstrating an immediate and heavy financial hardship incurred by the primary beneficiary and that the money can not be obtained from any other source. Immediate and heavy financial hardships are: post-secondary tuition payments for the education of the participant and immediate family members; the purchase of a principal residence; non-elective medical expenses; and payments to prevent the eviction of the participant from a principal residence.

7. Forfeiture accounts

At December 31, 2025 and 2024 the Plan held $546 and $538, respectively, in an asset-holding account (legacy forfeitures and unallocated amounts) invested in the guaranteed investment contract.

B. SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investment valuation and income recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are valued at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note D for discussion of contract value measurement.

Estimates

The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes receivable from participants

Loans to participants are reported at their unpaid principal balances plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

B. SUMMARY OF ACCOUNTING POLICIES (CONT.)

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation or depreciation in fair value of investments.

Payment of benefits

Benefits are recorded when paid. However, as of as of December 31, 2025, $418,976 of allocated balances for terminated participants was not paid because the participants did not request the withdrawal of their balances.

Date of management's review

Subsequent events were evaluated through October 15, 2026, which is the date the financial statements were available to be issued.

C. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement hierarchy established under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 prioritizes the inputs to valuation techniques. This hierarchy consists of three broad levels:

C. FAIR VALUE MEASUREMENTS (CONT.)

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority,

- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly, including quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for the assets and liabilities; and inputs that are derived principally from or corroborated by observable market data by correlation or other means, and

- Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 and 2 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Level 1 Fair Value Measurements

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 Fair Value Measurements

Common/Collective Trusts - The common/collective investment trusts are valued using the NAV, which is deemed to be readily determinable fair value.

C. FAIR VALUE MEASUREMENTS (CONT.)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024.

		Fair value measurements using:	
	Fair value	Quoted prices in active markets for identical assets (Level 1)	Other observable inputs (Level 2)
December 31, 2025			
Common/collective trusts	$ 33,133	$	$ 33,133
Mutual funds	3,819,003	3,819,003	
Total	$ 3,852,136	$ 3,819,003	$ 33,133
December 31, 2024			
Common/collective trusts	$ 186,269	$	$ 186,269
Mutual funds	3,791,179	3,791,179	
Total	$ 3,977,448	$ 3,791,179	$ 186,269

D. INVESTMENT CONTRACT WITH INSURANCE COMPANY

At December 31, 2025, the Plan maintains a fully benefit-responsive investment contract with the Empower Annuity Insurance Company of America “EAICA”, formerly Great-West Life & Annuity Insurance Company. Participant contributions are supported by a group annuity insurance contract. Participants may direct permitted withdrawals or transfers of all or a portion of their account balances at “contract value” within reasonable timeframes. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. The contract is effected directly between the Plan and GWL&A. The repayment of principal and interest credited to participants is a financial obligation of GWL&A.

Generally, there are no events that could limit the ability of the Plan to transact with the EAICA at contract value. Generally, there are no events that allow EAICA (as issuer) to terminate the contract and which require the Plan to settle at an amount different than contract value. However, EAICA can terminate the agreement should it decide the class of business to which the investment contract belongs is no longer commercially desirable. EAICA can terminate the agreement should the Plan fail to pay expenses, as defined in the agreement.

D. INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONT.)

Certain events limit the Plan's ability to transact at contract value with the EAICA. Examples of such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan); (b) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (c) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The contract value of the investment contracts at December 31, 2025 and 2024 was $48,325 and $38,151, respectively.

E. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its non-elective contributions, if any, at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

G. TAX STATUS

The Internal Revenue Service has informed the Company by a letter dated June 30, 2020 that that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

H. PARTY-IN-INTEREST TRANSACTIONS

The Plan issues loans to participants that are secured by participants' account balances. These transactions qualify as party-in-interest transactions, however, they are exempt from the prohibited transaction rules under ERISA.

The Plan engages Empower Trust Company, LLC and Empower Annuity Insurance Company of America as the Plan's trustees and accordingly invests in funds managed by them. Transactions in such investments qualify as party-in-interest transactions, however, they are exempt from the prohibited transaction rules under ERISA.

The Plan engages Cetera Investment Advisers LLC for investment advisory services (Leafhouse was terminated February 28, 2024).

H. PARTY-IN-INTEREST TRANSACTIONS (CONT.)

The Company pays for most of the expenses incurred in the administration of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan. These transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory and administrative exemptions from the IRC and ERISA rules on prohibited transactions.

I. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

J. DELINQUENT PARTICIPANT CONTRIBUTION

During 2023 and 2022, the Company did not remit certain participant contributions and participant loan repayments to the Plan within the time frame required by the Department of Labor ("DOL") regulations. These amounts are reported on the supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions.
