INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of:

ANTIGUA GROUP, INC. 401(K) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Antigua Group, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Antigua Group, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Antigua Group, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Antigua Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Antigua Group, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Antigua Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Antigua Group, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan documents or Summary Plan Description for a more complete description of the Plan's provisions, which are available from the Plan administrator (the "Administrator").

General

The Plan was established July 1, 1993, and is a defined contribution plan covering all eligible employees of The Antigua Group, Inc. (the "Sponsor") who are age 21 or older and have completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Sponsor absorbs the majority of the costs of administering the Plan. In April 2010, the Sponsor became part of a controlled group. However, the Sponsor qualifies as a separate line of business and, as such, operates its own plan.

During February 2013, the Plan was amended to allow the employees of Everlast Worldwide, Inc. and Dunlop Sports Group Americas, Inc. ("DSGA") to participate in the Plan.

In 2017, the Plan Sponsor's parent company entered into an agreement to sell the assets of DSGA, at which time the employees of DSGA became ineligible to actively participate in the Plan. Effective January 1, 2025, employees of Everlast Worldwide, Inc. are no longer eligible to participate in the Plan. All Plan assets and outstanding participant loans for the affected participants have been transferred to a new plan, Everlast 401(k) Plan.

Contributions

Contributions to the Plan are made as directed by the participants. Participants may contribute up to 100 percent of their compensation on a pretax basis, subject to the maximum amount allowable by the Internal Revenue Code. The Plan also permits participant Roth elective deferrals up to the maximum amount allowable by the Internal Revenue Code. Roth elective deferrals are treated in the same manner as pre-tax elective deferrals. The Sponsor may make discretionary matching contributions to the Plan on behalf of participants. For the year ended December 31, 2025, the Sponsor contributed 50 percent of the first 6 percent of gross compensation, excluding severance, that a participant contributed to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan.

Effective January 1, 2016, the Plan adopted an automatic enrollment program under which all employees who become eligible to participate are automatically enrolled in the Plan at a 5 percent pre-tax deferral rate, unless the participant elects to contribute a different percentage or declines participation in the Plan. Deferral contributions made under the automatic enrollment program will default to one of American Funds' Target Date funds, based on each participant's projected retirement date, unless otherwise directed by the participants. In addition, the Plan adopted an annual increase program under which a participant's deferral rate automatically increases 1% each year up to a maximum deferral rate of 10%, unless the participant makes a change to another elected deferral rate.

NOTE 1 - DESCRIPTION OF THE PLAN, (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Sponsor's discretionary matching contribution, and the Plan's earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are 20% vested in the Sponsor's matching contributions following their second year of service and vest an additional 20% each year until fully vested after six years of service. Participants who terminate employment as a result of death or normal, late, or disability retirement are 100% vested in their account balance.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000, reduced by the highest outstanding loan balance during the prior 12 months, or 50% of their vested account balance per the provisions set forth in the Plan document. Loans are issued with repayment terms that generally do not exceed 60 months. In the event loan proceeds are to be applied to the purchase of the applicant's primary residence, the loan's repayment term may be extended, but may not exceed 10 years. Participant loans are secured by the vested balance in the participant's account, and bear interest at the time of the loan at a rate commensurate with market rates for similar loans (4.25% to 9.50% at December 31, 2025).

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant's account shall be distributed in a lump-sum payment equal to the value of the participant's vested account balance. Upon termination of employment, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. However, distribution of balances in excess of $5,000 may be deferred until normal retirement age.

In the event of a mandatory distribution greater than $1,000 but less than $5,000, the Administrator shall pay the distribution in a direct rollover to an individual retirement plan designated by the Administrator if the participant does not elect to rollover the distribution directly to an eligible retirement plan or elect to receive the distribution directly. If the vested balance in a terminated participant's account does not exceed $1,000, the balance shall be paid to the participant in a lump sum.

Investment Funds

All Plan investments are directed by participants and are held under a deposit contract by Fidelity Management Trust Company ("Fidelity") the trustee of the Plan.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $19,890 and $16,692, respectively. Forfeited non-vested accounts may be used to pay Plan expenses or reduce future employer contributions. During 2025, forfeitures of $7,500 were utilized to pay administrative expenses of the Plan and employer contributions were reduced by $47,877.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual method of accounting. Accordingly, income is recognized when earned and expenses are recorded when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of net assets and the reported amounts of additions to and deductions from net assets. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value as described in Note 4 Fair Value Measurements.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The realized gain or loss on investments is included with the net appreciation in the current value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

The Plan did not meet the requirements of the average deferral percentage test under the Internal Revenue Code for the years ended December 31, 2025 and 2024. Excess contributions in the amounts of $36,205 and $12,490 were recorded as liabilities in the accompanying statements of net assets available for benefits at December 31, 2025 and 2024, respectively, and as deductions in the statement of changes in net assets available for benefits. The Plan reimburses excess contributions to affected participants in the year following the year such contributions are initially recorded.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (CONTINUED)

Expenses

Certain expenses of the Plan are paid by the Sponsor and are not included in the statement of changes in net assets available for benefits.

Subsequent Event

Management has evaluated subsequent events through October 14, 2026, the date the financial statements were available to be issued.

NOTE 3 – CERTIFICATION FROM THE TRUSTEE (UNAUDITED)

The Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity has certified that the following data as of December 31, 2025 and 2024 and for the year ended December 31, 2025, included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments and notes receivable from participants:

- Investments, at fair value
- Notes receivable from participants
- Interest and dividend income - investments
- Interest income on notes receivable from participants
- Net appreciation in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurement,* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

NOTE 4 – FAIR VALUE MEASUREMENTS, (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to methodologies used at December 31, 2025 and 2024.

Mutual funds and money market funds: Valued at the net asset value (NAV) of shares held by the Plan at year end, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Money Market	$ 61,667	$ -	$ -	$ 61,667
Mutual Funds	13,219,929	-	-	13,219,929
Total Investments at Fair Value	$ 13,281,596	$ -	$ -	$ 13,281,596

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Money Market	$ 165,773	$ -	$ -	$ 165,773
Mutual Funds	13,405,604	-	-	13,405,604
Total Investments at Fair Value	$ 13,571,377	$ -	$ -	$ 13,571,377

NOTE 5 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

During 2025, certain Plan investments were held in funds managed by Fidelity. Fidelity is the custodian as defined by the Plan and therefore, these transactions qualify as exempt party-in-interest transactions. Fidelity Workplace Services, LLC provides recordkeeping and administration services to the Plan for a fee which qualify as exempt party-in-interest transactions. The Plan paid custodial and recordkeeping fees to Fidelity Workplace Services, LLC in the amount of $42,839 during the year ended December 31, 2025.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Sponsor may determine appropriate.

NOTE 7 – TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the written form of the underlying prototype Plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code"), and that any employer adopting this form of the Plan will be considered to have a Plan qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Plan management and the Administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements and the Plan and related trust continue to be tax-exempt as of and for the year ended December 31, 2025.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 13,459,326	$ 13,715,695
Employer and employee contributions receivable	(18,512)	-
Benefits payable due to corrective distributions	36,205	-
Net assets available for benefits per Form 5500	$ 13,477,019	13,715,695

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2025 to Schedule H of Form 5500:

Net decrease in net assets per the financial statements	$ (256,369)
Increase in corrective distributions	36,205
Increase in employer and employee contributions receivable	(18,512)
Transfers reported in operations	3,045,156
Net increase in net assets per Form 5500	$ 2,806,480

NOTE 10 – PROHIBITED TRANSACTIONS

During 2026, the Plan Sponsor identified certain payroll codes totaling approximately $870,000 that were not properly configured to apply participants' deferral elections during 2025. The Plan Sponsor is calculating the related corrective contributions, including applicable lost earnings, in accordance with IRS correction requirements. As of December 31, 2025, the Plan recorded an estimated corrective contribution receivable of approximately $18,500. The final correction will be funded following completion of the participant-level calculation.

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of:

ANTIGUA GROUP, INC. 401(K) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Antigua Group, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Antigua Group, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Antigua Group, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Antigua Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Antigua Group, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Antigua Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Antigua Group, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan documents or Summary Plan Description for a more complete description of the Plan's provisions, which are available from the Plan administrator (the "Administrator").

General

The Plan was established July 1, 1993, and is a defined contribution plan covering all eligible employees of The Antigua Group, Inc. (the "Sponsor") who are age 21 or older and have completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Sponsor absorbs the majority of the costs of administering the Plan. In April 2010, the Sponsor became part of a controlled group. However, the Sponsor qualifies as a separate line of business and, as such, operates its own plan.

During February 2013, the Plan was amended to allow the employees of Everlast Worldwide, Inc. and Dunlop Sports Group Americas, Inc. ("DSGA") to participate in the Plan.

In 2017, the Plan Sponsor's parent company entered into an agreement to sell the assets of DSGA, at which time the employees of DSGA became ineligible to actively participate in the Plan. Effective January 1, 2025, employees of Everlast Worldwide, Inc. are no longer eligible to participate in the Plan. All Plan assets and outstanding participant loans for the affected participants have been transferred to a new plan, Everlast 401(k) Plan.

Contributions

Contributions to the Plan are made as directed by the participants. Participants may contribute up to 100 percent of their compensation on a pretax basis, subject to the maximum amount allowable by the Internal Revenue Code. The Plan also permits participant Roth elective deferrals up to the maximum amount allowable by the Internal Revenue Code. Roth elective deferrals are treated in the same manner as pre-tax elective deferrals. The Sponsor may make discretionary matching contributions to the Plan on behalf of participants. For the year ended December 31, 2025, the Sponsor contributed 50 percent of the first 6 percent of gross compensation, excluding severance, that a participant contributed to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan.

Effective January 1, 2016, the Plan adopted an automatic enrollment program under which all employees who become eligible to participate are automatically enrolled in the Plan at a 5 percent pre-tax deferral rate, unless the participant elects to contribute a different percentage or declines participation in the Plan. Deferral contributions made under the automatic enrollment program will default to one of American Funds' Target Date funds, based on each participant's projected retirement date, unless otherwise directed by the participants. In addition, the Plan adopted an annual increase program under which a participant's deferral rate automatically increases 1% each year up to a maximum deferral rate of 10%, unless the participant makes a change to another elected deferral rate.

NOTE 1 - DESCRIPTION OF THE PLAN, (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Sponsor's discretionary matching contribution, and the Plan's earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are 20% vested in the Sponsor's matching contributions following their second year of service and vest an additional 20% each year until fully vested after six years of service. Participants who terminate employment as a result of death or normal, late, or disability retirement are 100% vested in their account balance.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000, reduced by the highest outstanding loan balance during the prior 12 months, or 50% of their vested account balance per the provisions set forth in the Plan document. Loans are issued with repayment terms that generally do not exceed 60 months. In the event loan proceeds are to be applied to the purchase of the applicant's primary residence, the loan's repayment term may be extended, but may not exceed 10 years. Participant loans are secured by the vested balance in the participant's account, and bear interest at the time of the loan at a rate commensurate with market rates for similar loans (4.25% to 9.50% at December 31, 2025).

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant's account shall be distributed in a lump-sum payment equal to the value of the participant's vested account balance. Upon termination of employment, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. However, distribution of balances in excess of $5,000 may be deferred until normal retirement age.

In the event of a mandatory distribution greater than $1,000 but less than $5,000, the Administrator shall pay the distribution in a direct rollover to an individual retirement plan designated by the Administrator if the participant does not elect to rollover the distribution directly to an eligible retirement plan or elect to receive the distribution directly. If the vested balance in a terminated participant's account does not exceed $1,000, the balance shall be paid to the participant in a lump sum.

Investment Funds

All Plan investments are directed by participants and are held under a deposit contract by Fidelity Management Trust Company ("Fidelity") the trustee of the Plan.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $19,890 and $16,692, respectively. Forfeited non-vested accounts may be used to pay Plan expenses or reduce future employer contributions. During 2025, forfeitures of $7,500 were utilized to pay administrative expenses of the Plan and employer contributions were reduced by $47,877.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual method of accounting. Accordingly, income is recognized when earned and expenses are recorded when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of net assets and the reported amounts of additions to and deductions from net assets. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value as described in Note 4 Fair Value Measurements.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The realized gain or loss on investments is included with the net appreciation in the current value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

The Plan did not meet the requirements of the average deferral percentage test under the Internal Revenue Code for the years ended December 31, 2025 and 2024. Excess contributions in the amounts of $36,205 and $12,490 were recorded as liabilities in the accompanying statements of net assets available for benefits at December 31, 2025 and 2024, respectively, and as deductions in the statement of changes in net assets available for benefits. The Plan reimburses excess contributions to affected participants in the year following the year such contributions are initially recorded.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (CONTINUED)

Expenses

Certain expenses of the Plan are paid by the Sponsor and are not included in the statement of changes in net assets available for benefits.

Subsequent Event

Management has evaluated subsequent events through October 14, 2026, the date the financial statements were available to be issued.

NOTE 3 – CERTIFICATION FROM THE TRUSTEE (UNAUDITED)

The Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity has certified that the following data as of December 31, 2025 and 2024 and for the year ended December 31, 2025, included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments and notes receivable from participants:

- Investments, at fair value
- Notes receivable from participants
- Interest and dividend income - investments
- Interest income on notes receivable from participants
- Net appreciation in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurement,* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

NOTE 4 – FAIR VALUE MEASUREMENTS, (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to methodologies used at December 31, 2025 and 2024.

Mutual funds and money market funds: Valued at the net asset value (NAV) of shares held by the Plan at year end, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Money Market	$ 61,667	$ -	$ -	$ 61,667
Mutual Funds	13,219,929	-	-	13,219,929
Total Investments at Fair Value	$ 13,281,596	$ -	$ -	$ 13,281,596

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Money Market	$ 165,773	$ -	$ -	$ 165,773
Mutual Funds	13,405,604	-	-	13,405,604
Total Investments at Fair Value	$ 13,571,377	$ -	$ -	$ 13,571,377

NOTE 5 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

During 2025, certain Plan investments were held in funds managed by Fidelity. Fidelity is the custodian as defined by the Plan and therefore, these transactions qualify as exempt party-in-interest transactions. Fidelity Workplace Services, LLC provides recordkeeping and administration services to the Plan for a fee which qualify as exempt party-in-interest transactions. The Plan paid custodial and recordkeeping fees to Fidelity Workplace Services, LLC in the amount of $42,839 during the year ended December 31, 2025.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Sponsor may determine appropriate.

NOTE 7 – TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the written form of the underlying prototype Plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code"), and that any employer adopting this form of the Plan will be considered to have a Plan qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Plan management and the Administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements and the Plan and related trust continue to be tax-exempt as of and for the year ended December 31, 2025.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 13,459,326	$ 13,715,695
Employer and employee contributions receivable	(18,512)	-
Benefits payable due to corrective distributions	36,205	-
Net assets available for benefits per Form 5500	$ 13,477,019	13,715,695

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2025 to Schedule H of Form 5500:

Net decrease in net assets per the financial statements	$ (256,369)
Increase in corrective distributions	36,205
Increase in employer and employee contributions receivable	(18,512)
Transfers reported in operations	3,045,156
Net increase in net assets per Form 5500	$ 2,806,480

NOTE 10 – PROHIBITED TRANSACTIONS

During 2026, the Plan Sponsor identified certain payroll codes totaling approximately $870,000 that were not properly configured to apply participants' deferral elections during 2025. The Plan Sponsor is calculating the related corrective contributions, including applicable lost earnings, in accordance with IRS correction requirements. As of December 31, 2025, the Plan recorded an estimated corrective contribution receivable of approximately $18,500. The final correction will be funded following completion of the participant-level calculation.
