# INDEPENDENT AUDITORS' REPORT

To the Plan Participants and Board of Directors of
**Center for Human Services 401(k) Plan**
Modesto, California

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Center for Human Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Center for Human Services 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Center for Human Services 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Center for Human Services 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Center for Human Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Center for Human Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

**Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held for investment purposes at end of year as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# CENTER FOR HUMAN SERVICES 401(K) PLAN

# NOTES TO FINANCIAL STATEMENTS

## Note 1. Plan Description

The following description of Center for Human Services 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of the Center for Human Services (the "Organization") who are 18 years of age or older and have completed 60 days of service. Employees covered by a collective bargaining agreement, non-resident aliens, part-time, temporary or leased employees are not eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was effective on August 1, 2000, and most recently restated for the Cycle 3 Restatement on January 1, 2022, by the Organization. Effective July 1, 2024, the Plan was amended to allow Roth elective deferrals.

Contributions:

Eligible employees of the Organization may elect to contribute up to the applicable limits allowed by the Internal Revenue Service ("IRS"). Eligible employees are auto-enrolled into the Plan after 60 days of employment at a 3% deferral rate unless the employee opts-out or selects a different deferral rate. The Organization contributes a matching contribution to the Plan in the amount of 100% of participant's elective deferrals, not to exceed 3% of participant's eligible compensation. Participants direct the investment of the contributions into various options offered by the Plan.

Vesting:

Participants are immediately vested in their elective deferral contributions, rollover contribution, and qualified non-elective contribution account. Participants are vested in the employer contributions in accordance with the following schedule:

| Years | Vesting |
|---|---|
| 1 | 20% |
| 2 | 50% |
| 3 | 100% |

For vesting purposes, one year of service is a year in which a participant has worked at least 1,000 hours during a plan year. A participant is 100% vested after reaching normal retirement age, or upon death or disability.

**Note 1. Plan Description** (Cont.)

Participant Accounts:

Each participant account is credited with the participant's contribution and allocations of (a) the Organization's contribution and (b) plan earnings, and charged with an allocation of administrative expenses, if any. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various options as defined in the Plan. Similar options are available upon termination of employment. The Plan provides a mandatory cash-out on a terminated participant's account with a non-forfeitable balance of less than $1,000 unless the terminated participant provides rollover instructions. Terminated participants with account balances greater than $1,000 but less than $5,000 may elect either to receive a distribution in cash or roll the account balance into another qualified plan. Terminated participants with account balances greater than $5,000 may elect to leave their account in the Plan or roll their account balance into another qualified plan. The Plan permits a hardship distribution to a participant in accordance with the Plan's hardship policies.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance at a reasonable rate of interest. Loan terms range from 1-5 years or in excess of 5 years in limited circumstances. The loans are secured by the balance in the participant's account. Interest rates are based on reasonable rate determined by the Organization after reviewing the rates charged for similar types of notes by other lenders. Principal and interest is paid ratably through bi-weekly payroll deductions.

Administrative Expenses:

Plan investment and trust management fees paid are charged against the Plan's assets, unless otherwise paid by the Organization. These fees are allocated to the participants' accounts in the same manner as the allocation of income and loss. Expenses related to specific participant transactions are charged to the respective participant's account. The annual audit and tax fees are paid directly by the Organization and are not included in the accompanying financial statements.

Forfeited Account:

Forfeited non-vested accounts totaled $7,220 and $7,169 at December 31, 2025 and 2024, respectively. Amounts accumulated in the forfeiture account may be used to pay Plan expenses or reduce Organization matching contributions. Forfeitures of $14,652 and $13,177 were used to pay Plan expenses during the years ended December 31, 2025 and 2024, respectively.

# CENTER FOR HUMAN SERVICES 401(K) PLAN

# NOTES TO FINANCIAL STATEMENTS

**Note 2. Summary of Significant Accounting Policies**

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

Net appreciation in fair value of investments presented on the statement of changes in net assets available for benefits includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits Paid to Participants:

Benefits are recorded when paid.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participants account and are included in administrative expenses when incurred.

Use of Estimates:

The preparation of financial statements is in conformity with accounting principles generally accepted in the United States of America. Those standards require management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

**Note 2. Summary of Significant Accounting Policies** (Cont.)

Date of Management's Review of Subsequent Events:

The Plan has evaluated subsequent events through October 15, 2026, the date on which the financial statements were available to be issued. There were no material modifications to the Plan or the plan provisions.

**Note 3. Fair Value Measurements**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 measurements consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 measurements are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements:

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

**Note 3. Fair Value Measurements** (Cont.)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| | Total | Fair Value Measurement Using Quoted Prices in Active Markets for Identical Assets (Level 1) |
|---|---|---|
| December 31, 2025 | | |
| Registered investment companies - mutual funds | $ 8,689,650 | $ 8,689,650 |
| Total investments at fair value | $ 8,689,650 | $ 8,689,650 |
| December 31, 2024 | | |
| Registered investment companies - mutual funds | $ 6,958,893 | $ 6,958,893 |
| Total investments at fair value | $ 6,958,893 | $ 6,958,893 |

**Note 4. Summary of Information Certified by Custodians (Unaudited)**

The Plan's investments are held and administered by Charles Schwab Bank and Standard Insurance Company, as custodians. The custodians of the Plan have provided certifications that the following information, which is contained in or used to develop the accompanying financial statements, is complete and accurate:

Investments, at fair value as of December 31, 2025 and 2024.

Investment, at contract value as of December 31, 2025 and 2024.

Notes receivable from participants as of December 31, 2025 and 2024.

Net appreciation in fair value of investments for the year ended December 31, 2025.

Interest and dividends for the year ended December 31, 2025.

Interest income on notes receivable from participants for the year ended December 31, 2025.

**Note 5. Fixed Annuity Contract with Insurance Organization**

The Plan holds a fully benefit-responsive group annuity investment contract issued by Standard Insurance Company. Standard Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Standard Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly. The average yield earned by the Plan for the benefit responsive fund is derived by averaging the quarterly gross interest rates for the fund over the year. The crediting interest rates averaged 3.16% and 3.04% for 2025 and 2024, respectively. The crediting interest rate is fixed based in the quarter the contribution was received, and is reset upon various renewal periods of each quarter or annual group as defined in the contract.

The Plan may transact according to the terms defined in the contract at any time, however, certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the premature termination of the contracts by the Plan, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, and early retirement incentives. The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable. The guaranteed investment contract may be terminated by the issuer with at least sixty days of advance written notice to the other party.

**Note 6. Plan Termination**

Although it has not expressed any intent to do so, the Organization has the right to terminate the Plan at any time subject to the provisions of ERISA and the Internal Revenue Code. Upon termination of the Plan, participants become 100% vested in their accounts and the total net assets of the Plan are to be distributed to the participants in proportion to their account balances.

## Note 7. Related Party and Party-in-Interest Transactions

Certain investments are managed by Standard Insurance Company, the custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions. In addition, certain fees are charged by Charles Schwab Bank and Standard Insurance Company. Therefore, transactions involving these investments qualify as party-in-interest transactions. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the Internal Revenue Code.

Participants may borrow from their vested account balance. Such loan transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA and the Internal Revenue Code.

## Note 8. Income Tax Status and Plan Amendments

The Plan obtained its latest advisory letter on June 30, 2020, in which the IRS has determined and informed the sponsor of the non-standardized pre-approved plan that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the Plan's tax returns remain open for three to four years for income tax examination.

## Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
