Independent Auditor's Report

Board of Directors
OrthoTennessee, P.C.

Opinion

We have audited the financial statements of OrthoTennessee Group Medical and Dental Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its benefit obligations and net assets available for benefits for the year ended December 31, 2025 in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Board of Directors
OrthoTennessee, P.C.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

OrthoTennessee Group Medical and Dental Plan

Notes to Financial Statements

December 31, 2025

1. Description of the Plan

The OrthoTennessee Group Medical and Dental Plan (the "Plan") provides medical, prescription, dental, and vision benefits covering all employees of OrthoTennessee, P.C. (the "Plan Sponsor") who work at least twenty-nine hours each week and have completed thirty-nine consecutive weeks or more each year, as well as their eligible dependents. For previously covered employees that are no longer eligible, benefits may continue as required under federal law. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan agreement provides that the Plan Sponsor make contributions to the Plan sufficient to provide benefits for participants. Receivables from the Plan Sponsor for these contributions are unsecured. The participants contribute specified amounts, determined periodically, based on whether coverage is extended to eligible dependents.

The Plan has a prescription drug rebate program with EpiphanyRx. Rebates earned totaled $1,247,541 in 2025 and are netted with benefits paid to participants.

As of December 31, 2025, cash contributions receivable from the Plan Sponsor included $663,681 that was funded during 2026 through the prescription drug rebate program with EpiphanyRx. As of December 31, 2024, cash contributions receivable from the Plan Sponsor included $585,891 that was funded during 2025 through the prescription drug rebate program with EpiphanyRx.

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA.

The foregoing description of the Plan provides only general information. Participants should refer to the publication OrthoTennessee Health Benefit Plan Evidence of Coverage for a more complete description of the Plan's provisions. Copies of this publication are available from the Plan Sponsor.

2. Significant Accounting Policies

Accrual Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

2. Significant Accounting Policies (continued)

Health Claims Payable

The Plan has established a liability for those claims reported but not paid and those claims incurred but not reported. Claims are administered by a third party. Although the Plan is self-funded, the Plan has individual excess loss coverage (whereby if a participant's claims during the year exceed specified dollar amounts, the excess will be paid by the insurance company) with a third-party insurance company, as well as additional coverage with an insurance company related through common ownership with the Plan Sponsor. Insurance premiums paid to this related insurance company totaled $225,006 in 2025 and $230,052 in 2024. Excess loss coverage reimbursements received, which are netted with benefits paid to participants in the accompanying statements of changes in benefit obligations and net assets available for benefits, totaled $300,084 during 2025.

Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, claims incurred but not reported, eligibility credits, claims payable, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Plan obligations for health claims incurred by active participants but not reported are estimated by the Plan based on subsequent payments and past experience. It is reasonably possible these estimates could change in the near term as more information becomes available.

Subsequent Events

In preparation of the accompanying financial statements, management has evaluated events that have occurred subsequent to the balance sheet date through October 12, 2026, the date the financial statements were available for issuance.

3. Income Tax Status

The Plan Sponsor has determined the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code that qualify for exemption, and accordingly, no provision for income taxes has been made in the accompanying financial statements.

4. Administrative Expenses

Certain plan administrative expenses are paid by the Plan Sponsor and are excluded from these financial statements.

5. Postretirement Benefits

Participants who have completed 15 years or more of continuous service with the Plan Sponsor and have attained age 60 upon retirement, may elect to continue participation in the Plan for themselves and for their dependent(s) through age 65. The current cost of participation is the applicable COBRA rate. It is the Plan Sponsor's intention to charge rates that will approximate claims incurred by these participants and their dependent(s), in the aggregate. Accordingly, no benefit obligation for postretirement benefits has been recognized.
